28 acquisition if [(1)] the insurer fails to file adequate information in compliance with (c)
29 of this section **or if** [; (2)] there is substantial evidence that the acquisition may

3 * **Sec. 37.** AS 21.22.110(a) is repealed and reenacted to read:

4 (a) In addition to the director's authority to examine insurers under
5 AS 21.06.120 - 21.06.170, the director may examine an insurer registered under
6 AS 21.22.060 and its affiliates to ascertain the financial condition of the insurer,
7 including the enterprise risk to the insurer by the ultimate controlling party, by any
8 entity or combination of entities within the insurance holding company system, or by
9 the insurance holding company system on a consolidated basis.

10 * **Sec. 38.** AS 21.22.110(b) is repealed and reenacted to read:

11 (b) The director may

12 (1) order an insurer registered under AS 21.22.060 to produce the
13 records, books, or other information or papers in the possession of the insurer or its
14 affiliates that are reasonably necessary to determine compliance with this chapter;

15 (2) order an insurer registered under AS 21.22.060 to produce
16 information not in the possession of the insurer if the insurer can obtain access to the
17 information under contractual relationships, statutory obligations, or other method; in
18 the event the insurer cannot obtain the information requested by the director, the
19 insurer shall provide the director a detailed explanation of the reason that the insurer
20 cannot obtain the information and the identity of the holder of information; if the
21 director determines that the detailed explanation is without merit, the director may,
22 after notice and hearing, require the insurer to pay a penalty of \$250 for each day's
23 delay in providing the requested information, or may suspend or revoke the insurer's
24 license;

25 (3) in the event the insurer fails to comply with an order under this
26 subsection, examine or issue subpoenas to the insurer's affiliates to obtain the
27 information.

28 * **Sec. 39.** AS 21.22 is amended by adding a new section to read:

29 **Sec. 21.22.115. Supervisory colleges.** (a) With respect to an insurer registered
30 under AS 21.22.060, and in accordance with (c) of this section, the director may
31 participate in a supervisory college for a domestic insurer that is part of an insurance

1 holding company system with international operations to determine the insurer's
2 compliance with this chapter. The director may

3 (1) initiate the establishment of a supervisory college;

4 (2) clarify the membership and participation of other supervisors in the
5 supervisory college;

6 (3) clarify the functions of the supervisory college and the role of other
7 regulators, including the establishment of a group-wide supervisor;

8 (4) coordinate the ongoing activities of the supervisory college,
9 including planning meetings, supervisory activities, and processes for information
10 sharing; and

11 (5) establish a crisis management plan.

12 (b) An insurer subject to this section is liable for and shall pay the reasonable
13 expenses of the director's participation in a supervisory college in accordance with (c)
14 of this section, including reasonable travel expenses. Under this section, a supervisory
15 college may be convened as either a temporary or permanent forum for
16 communication and cooperation between the regulators charged with the supervision
17 of the insurer or its affiliates, and the director may establish a regular assessment to
18 the insurer for the payment of those expenses.

19 (c) To assess the business strategy, financial position, legal and regulatory
20 position, risk exposure, risk management, and governance processes, and as part of the
21 examination of individual insurers in accordance with AS 21.22.110, the director may
22 participate in a supervisory college with other regulators charged with supervision of
23 the insurer or its affiliates, including other state, federal, and international regulatory
24 agencies. The director may enter into agreements in accordance with AS 21.06.060
25 and AS 21.22.120 to share confidential information between the director and
26 regulatory agencies or other members of the supervisory college.

27 (d) Nothing in this section delegates to the supervisory college the director's
28 authority to regulate or supervise an insurer or its affiliates under this title.

29 * **Sec. 40.** AS 21.22.120 is amended to read:

30 **Sec. 21.22.120. Confidentiality.** All information, documents, **holding**
31 **company analyses, insurer profile summaries,** and copies of the information and

1 documents obtained by or disclosed to the director or any other person in the course of
2 an examination or investigation made under AS 21.22.110 and all information
3 reported under AS 21.22.020(b), 21.22.060, and 21.22.085 - 21.22.105,
4 [AS 21.22.060] and all preacquisition notification information received under
5 AS 21.22.065 shall be given confidential treatment under AS 21.06.060 [AND MAY
6 NOT BE MADE PUBLIC BY THE DIRECTOR OR ANY OTHER PERSON,
7 EXCEPT TO INSURANCE AGENCIES OF OTHER STATES, WITHOUT THE
8 PRIOR WRITTEN CONSENT OF THE INSURER TO WHICH IT PERTAINS].
9 However, if the director, after giving the insurer and its affiliates who would be
10 affected by publication of the information notice and opportunity to be heard,
11 determines that the interests of policyholders, shareholders, or the public will be
12 served by the publication of the information, the director may publish all or part of the
13 information in the manner the director considers appropriate.

14 * **Sec. 41.** AS 21.22.120 is amended by adding a new subsection to read:

15 (b) The director may

16 (1) share documents, materials, or other information, including the
17 confidential information under (a) of this section, with state, federal, and international
18 regulatory agencies, the National Association of Insurance Commissioners and its
19 affiliates and subsidiaries, and state, federal, and international law enforcement
20 authorities, including members of a supervisory college described in AS 21.22.115, if
21 the recipient agrees in writing to maintain the confidentiality of the document,
22 material, or other information and has verified in writing the legal authority to
23 maintain confidentiality;

24 (2) not share confidential documents, material, or information reported
25 under AS 21.22.060(n) with the insurance regulator of another state, unless the statutes
26 or regulations of the other state are substantially similar to this section and the other
27 state has agreed in writing not to disclose the information;

28 (3) enter into a written agreement with the National Association of
29 Insurance Commissioners governing sharing and use of information obtained under
30 this chapter that must

31 (A) specify procedures and protocols regarding the

1 confidentiality and security of information shared with the National
2 Association of Insurance Commissioners and its affiliates and subsidiaries
3 under this chapter, including procedures and protocols for sharing by the
4 National Association of Insurance Commissioners with state, federal, or
5 international regulators;

6 (B) specify that ownership of information shared with the
7 National Association of Insurance Commissioners and its affiliates and
8 subsidiaries under this chapter remains with the director and that the National
9 Association of Insurance Commissioners' use of the information is subject to
10 the direction of the director;

11 (C) require prompt notice to be given to an insurer whose
12 confidential information in possession of the National Association of Insurance
13 Commissioners under this chapter is subject to a request or subpoena to the
14 National Association of Insurance Commissioners for disclosure or production;
15 and

16 (D) require the National Association of Insurance
17 Commissioners and its affiliates and subsidiaries to consent to intervention by
18 an insurer in a judicial or administrative action in which the National
19 Association of Insurance Commissioners and its affiliates and subsidiaries may
20 be required to disclose confidential information about the insurer shared with
21 the National Association of Insurance Commissioners and its affiliates and
22 subsidiaries under this chapter.

23 * **Sec. 42.** AS 21.22.170 is repealed and reenacted to read:

24 **Sec. 21.22.170. Civil penalties for violations.** (a) An insurer failing, without
25 just cause, to file a registration statement required under this chapter shall be required,
26 after notice and hearing under AS 21.06.170 - 21.06.240, to pay a \$200 fine for each
27 day the insurer fails to file the registration. The maximum penalty under this
28 subsection is \$50,000. The director may reduce the penalty if the insurer demonstrates
29 to the director that the imposition of the penalty would be a financial hardship to the
30 insurer.

31 (b) A director or officer of an insurance holding company system who

1 knowingly violates, participates in, assents to, or knowingly permits an officer or
2 agent of an insurer to engage in transactions or make investments that have not been
3 properly reported or submitted under AS 21.22.060, 21.22.085, or 21.22.100, or that
4 violate this chapter, shall pay, in the director's or officer's individual capacity, a fine of
5 not more than \$50,000 for each violation, after notice and hearing under AS 21.06.170
6 - 21.06.240. In determining the amount of the fine, the director shall take into account
7 the appropriateness of the fine with respect to the gravity of the violation, the history
8 of previous violations, and other matters as justice may require.

9 (c) If the director has reason to believe that an insurer subject to this chapter, or
10 a director, officer, employee, or agent of the insurer, has engaged in a transaction or
11 entered into a contract that is subject to AS 21.22.080 - 21.22.105, and that would not
12 have been approved had the approval been requested, the director may order the
13 insurer to cease and desist immediately any further activity under that transaction or
14 contract. After notice and hearing under AS 21.06.170 - 21.06.240, the director may
15 also order the insurer to void any contracts and restore the status quo if the action is in
16 the best interest of the policyholders, creditors, or the public.

17 (d) If the director has reason to believe that a person has committed a violation
18 of AS 21.22.010 or 21.22.020 that prevents the full understanding of the enterprise
19 risk to an insurer by its affiliates or by the insurance holding company system, the
20 violation may serve as an independent basis for disapproving dividends or
21 distributions and for placing the insurer under an order of rehabilitation in accordance
22 with AS 21.78.090.

23 * **Sec. 43.** AS 21.22 is amended by adding a new section to read:

24 **Sec. 21.22.175. Criminal penalties.** (a) An insurer or a director, officer,
25 employee, or agent of an insurer who knowingly violates this chapter is guilty of a
26 class C felony.

27 (b) A director, officer, or employee of an insurance holding company system
28 who knowingly subscribes to or makes or causes to be made a false statement, false
29 report, or false filing with the intent to deceive the director under this chapter is guilty
30 of a class C felony.

31 (c) An insurer may not pay a fine imposed by a court on a director, officer,

1 employee, or agent that is sentenced under (a) or (b) of this section. The fine must be
2 paid by the director, officer, employee, or agent in the director's, officer's, employee's,
3 or agent's individual capacity.

4 (d) In this section, "knowingly" has the meaning given in AS 11.81.900(a).

5 * **Sec. 44.** AS 21.22.200(10) is amended to read:

6 (10) "person" means an individual, a corporation, **a limited liability**
7 **company,** a partnership, an association, a joint stock company, a trust, an
8 unincorporated organization, any similar entity or any combination of these entities
9 acting in concert, but does not include **a joint venture partnership exclusively**
10 **engaged in owning, managing, leasing, or developing real or tangible personal**
11 **property, or** a securities broker performing **not** [NO] more than the usual and
12 customary broker's function;

13 * **Sec. 45.** AS 21.22.200 is amended by adding new paragraphs to read:

14 (15) "enterprise risk" means an activity, circumstance, event, or series
15 of events involving one or more affiliates of an insurer that, if not remedied promptly,
16 is likely to have a material adverse effect on the financial condition or liquidity of the
17 insurer or its insurance holding company system as a whole including anything that
18 would cause the insurer's risk based capital to fall into company action level under
19 AS 21.14.020 or would cause the insurer to be impaired or in imminent danger of
20 becoming impaired, as defined in AS 21.97.900 and regulations adopted by the
21 director;

22 (16) "supervisory college" means a forum for cooperation and
23 communication among the involved state, federal, and international regulators
24 established for the fundamental purpose of facilitating the effectiveness of supervision
25 of entities that belong to an insurance holding company system.

26 * **Sec. 46.** AS 21 is amended by adding a new chapter to read:

27 **Chapter 23. Risk Management; Own Risk and Solvency Assessment.**

28 **Sec. 21.23.010. Risk management framework.** An insurer shall maintain a
29 risk management framework to assist the insurer with identifying, assessing,
30 monitoring, managing, and reporting on its material and relevant risks. This
31 requirement may be satisfied if the insurance group of which the insurer is a member

1 maintains a risk management framework applicable to the operations of the insurer.

2 **Sec. 21.23.020. Own risk and solvency assessment requirement.** Unless
3 exempted under AS 21.23.040, an insurer or the insurance group of which the insurer
4 is a member shall conduct an own risk and solvency assessment consistent with the
5 own risk and solvency assessment guidance manual

6 (1) annually; and

7 (2) when significant changes to the risk profile of the insurer or the
8 insurance group of which the insurer is a member occur.

9 **Sec. 21.23.030. Own risk and solvency assessment summary report.** (a) If
10 requested by the director, an insurer shall submit an own risk and solvency assessment
11 summary report or any combination of reports that together contain the information
12 described in the own risk and solvency assessment guidance manual that is applicable
13 to the insurer or the insurance group of which the insurer is a member. The director
14 may not request more than one report a year. The insurer shall submit the report to the
15 director within 30 days after the request, unless the insurer requests an extension in
16 writing and the director grants the request. If an insurer is a member of an insurance
17 group, the insurer shall submit the report required by this subsection at least annually
18 if the director is the lead state regulator of the insurance group as determined by the
19 procedures in the Financial Analysis Handbook adopted by the National Association
20 of Insurance Commissioners.

21 (b) For a report submitted under this section, an insurer's or insurance group's
22 chief risk officer or other executive having responsibility for the oversight of the
23 insurer's enterprise risk management process shall sign the report and attest, to the best
24 of the officer's or executive's belief and knowledge, that the insurer applies the
25 enterprise risk management process described in the report and that a copy of the
26 report has been provided to the insurer's board of directors or the appropriate
27 committee of the board.

28 (c) An insurer may comply with (a) of this section by providing the most
29 recent and substantially similar report or reports provided by the insurer or another
30 member of the insurance group of which the insurer is a member to the insurance
31 regulator of another state or a foreign jurisdiction, if that report provides information

1 that is comparable to the information described in the own risk and solvency
2 assessment guidance manual. A report in a language other than English must be
3 accompanied by a translation of that report into the English language.

4 **Sec. 21.23.040. Exemption.** (a) An insurer is exempt from the requirements of
5 this chapter if

6 (1) the insurer has annual direct written and unaffiliated assumed
7 premium, including international direct and assumed premium but excluding
8 premiums reinsured with the Federal Crop Insurance Corporation and the National
9 Flood Insurance Program, of less than \$500,000,000; and

10 (2) the insurance group of which the insurer is a member has annual
11 direct written and unaffiliated assumed premium, including international direct and
12 assumed premium, but excluding premiums reinsured with the Federal Crop Insurance
13 Corporation and the National Flood Insurance Program, of less than \$1,000,000,000.

14 (b) If an insurer qualifies for an exemption under (a)(1) of this section, but the
15 insurance group of which the insurer is a member does not qualify for an exemption
16 under (a)(2) of this section, then the own risk and solvency assessment summary
17 report required under AS 21.23.030 must include every insurer in the insurance group.
18 This requirement may be satisfied by the submission of more than one own risk and
19 solvency assessment summary report for a combination of insurers provided the
20 combination of reports includes every insurer within the insurance group.

21 (c) If an insurer does not qualify for exemption under (a)(1) of this section, but
22 the insurance group of which the insurer is a member qualifies for exemption under
23 (a)(2) of this section, then the only own risk and solvency assessment summary report
24 that may be required under AS 21.23.030 is the report applicable to that insurer.

25 (d) An insurer that does not qualify for exemption under (a) of this section may
26 apply to the director for a waiver from the requirements of this chapter based on
27 unique circumstances. In deciding whether to grant a request for a waiver, the director
28 may consider the type and volume of business written, ownership and organizational
29 structure, and any other factor that the director considers relevant to the insurer or
30 insurance group of which the insurer is a member. If the insurer is part of an insurance
31 group with insurers domiciled in more than one state, the director shall coordinate

1 with the lead state regulator and with the other domiciliary regulators in considering
2 whether to grant the insurer's request for a waiver.

3 (e) Notwithstanding the exemptions stated in this section, the director may
4 require that an insurer maintain a risk management framework, conduct an own risk
5 and solvency assessment, and file an own risk and solvency assessment summary
6 report

7 (1) based on unique circumstances, including the type and volume of
8 business written, ownership and organizational structure, federal agency requests, and
9 international supervisor requests;
