33 than 12 months, the board may prorate the amount of the fee established
34 under K.S.A. 65-2852, and amendments thereto. The request for renewal
35 shall be on a form provided by the board and shall be accompanied by the
36 prescribed fee, which shall be paid not later than the ~~expiration~~ *renewal*
37 date of the license.

38 (b) There is hereby created a designation of an active license. The

1 education required by the board. The requirements for continuing
2 education for licensees of each branch of the healing arts shall be

24 operation of law and without further proceedings.

25 (e) Any license canceled for failure to renew may be reinstated within
26 two years of cancellation upon recommendation of the board and upon
27 payment of the renewal fees then due and upon proof of compliance with
28 the continuing educational requirements established by the board by rules
29 and regulations. Any person who has not been in the active practice of the
30 branch of the healing arts for which reinstatement is sought or who has not
31 been engaged in a formal educational program during the two years
32 preceding the application for reinstatement may be required to complete
33 such additional testing, training or education as the board may deem
34 necessary to establish the licensee's present ability to practice with
35 reasonable skill and safety.

36 (f) There is hereby created a designation of exempt license. The board
37 is authorized to issue an exempt license to any licensee who makes written
38 application for such license on a form provided by the board and remits the

15 for less than two years, the board shall adopt rules and regulations
16 establishing appropriate continuing education requirements for exempt
17 licensees to become licensed to regularly practice the healing arts within
18 Kansas. Any licensee whose license has been exempt for more than two
19 years and who has not been in the active practice of the healing arts or
20 engaged in a formal educational program since the license has been
21 exempt may be required to complete such additional testing, training or
22 education as the board may deem necessary to establish the licensee's
23 present ability to practice with reasonable skill and safety. Nothing in this
24 subsection (f) shall be construed to prohibit a person holding an exempt
25 license from serving as a coroner or as a paid employee of: (1) A local
26 health department as defined by K.S.A. 65-241, and amendments thereto;

36 professionally engaged in such practice and who meets the definition of
37 inactive health care provider as defined in K.S.A. 40-3401, and

39 practice the healing arts in this state. Each inactive license may be renewed
40 subject to the provisions of this section. Each inactive licensee shall be
41 subject to all provisions of the healing arts act, except as otherwise
42 provided in this subsection (g). The holder of an inactive license shall not
43 be required to submit evidence of satisfactory completion of a program of

2 thereto. Each inactive licensee may apply for an active license upon filing
3 a written application with the board. The request shall be on a form
4 provided by the board and shall be accompanied by the license fee
5 established pursuant to K.S.A. 65-2852, and amendments thereto. For
6 those licensees whose license has been inactive for less than two years, the
7 board shall adopt rules and regulations establishing appropriate continuing
8 education requirements for inactive licensees to become licensed to
9 regularly practice the healing arts within Kansas. Any licensee whose
10 license has been inactive for more than two years and who has not been in
11 the active practice of the healing arts or engaged in a formal education
12 program since the licensee has been inactive may be required to complete
13 such additional testing, training or education as the board may deem
14 necessary to establish the licensee's present ability to practice with
15 reasonable skill and safety.

16 (h) (1) There is hereby created a designation of federally active
17 license. The board is authorized to issue a federally active license to any
18 licensee who makes written application for such license on a form
19 provided by the board and remits the same fee required for a license

22 requirements for a license to practice the healing arts in Kansas and who
23 practices that branch of the healing arts solely in the course of employment
24 or active duty in the United States government or any of its departments,
25 bureaus or agencies. A person issued a federally active license may engage

27 with the scope of practice of exempt licensees under subsection (f), except
28 that the scope of practice of a federally active licensee shall be limited to
29 the following: (A) Performing administrative functions, including peer
30 review, disability determinations, utilization review and expert opinions;
31 (B) providing direct patient care services gratuitously or providing
32 supervision, direction or consultation for no compensation except that

35 payment for subsistence allowances or actual and necessary expenses
36 incurred in providing such services; and (C) rendering professional
37 services as a charitable health care provider as defined in K.S.A. 75-6102,

4 license. The board is authorized to issue a reentry *active* license to any
5 licensee who makes written application for such license on a form
6 provided by the board and remits the fee for a reentry *active* license. The
7 board may issue a reentry *active* license with requirements as the board
8 may deem necessary to establish the licensee's present ability to practice
9 with reasonable skill and safety to a person who has not regularly engaged
10 in the practice of the healing arts for at least two years, but who meets all
11 the qualifications for licensure. The requirements for issuance, ~~renewal~~
