36 (1) Determine the amount of the assessed valuation per pupil (AVPP)

39 purposes of this section;

40 (2) determine the median AVPP of all school districts;

41 (3) prepare a schedule of dollar amounts using the amount of the  
42 median AVPP of all school districts as the point of beginning. The  
43 schedule of dollar amounts shall range upward in equal \$1,000 intervals

1 from the point of beginning to and including an amount that is equal to the  
2 amount of the AVPP of the school district with the highest AVPP of all

9 AVPP shown on the schedule, decreasing the state aid computation  
10 percentage assigned to the amount of the median AVPP by one percentage  
11 point for each \$1,000 interval above the amount of the median AVPP, and  
12 increasing the state aid computation percentage assigned to the amount of

16 school district is the percentage assigned to the schedule amount that is  
17 equal to the amount of the AVPP of the school district. The state aid  
18 percentage factor of a school district shall not exceed 100%. The state aid  
19 computation percentage is 5% for contractual bond obligations incurred by  
20 a school district prior to the effective date of this act, and 25% for

25 amount, compute the amount attributable to contractual bond obligations  
26 incurred by the school district prior to the effective date of this act and the  
27 amount attributable to contractual bond obligations incurred by the school  
28 district on or after the effective date of this act;

29 (6) multiply each of the amounts computed under (5) by the

32 amount of payment the school district is entitled to receive from the school  
33 district capital improvements fund in the school year.

34 (c) The state board of education shall certify to the director of  
35 accounts and reports the entitlements of school districts determined under

13 finance authority is hereby authorized to issue from time to time bonds on  
14 behalf of the board of regents in such principal amounts as the Kansas

33 (c) Any resolution authorizing the board of regents to incur any  
34 obligation with respect to bonds issued by the Kansas development finance  
35 authority may contain such provisions as deemed appropriate by the board  
36 of regents for the purpose of carrying out the purposes of this act and  
37 securing such bonds, which shall be a part of the contract with the holders  
38 thereof, including, but not limited to, provisions:

39 (1) Pledging all or any part of the revenues of the board of regents

6 default in the obligations and duties of the board of regents to the Kansas  
7 development finance authority, the applicable bond trustee or the holders  
8 of the bonds, except that such rights and remedies shall not be inconsistent  
9 with the general laws of this state and the other provisions of this act; and

11 affect the security or protection of the holders of the notes or bonds.

20 conditions as may be determined by the board of directors of the Kansas  
21 development finance authority. Bonds issued on behalf of the board of  
22 regents shall mature at such time, not exceeding 30 years from their date  
23 of issue, as may be determined by the board of regents and the board of

33 the Kansas development finance authority shall determine.

34 (f) In case any officer of the Kansas development finance authority  
35 whose signature or a facsimile of whose signature appears on any bonds or  
36 coupons attached thereto ceases to be such officer before the delivery  
37 thereof, such signature or such facsimile shall nevertheless be valid and  
38 sufficient for all purposes the same as if such officer had remained in  
39 office until such delivery.

40 (g) Any bonds issued by the Kansas development finance authority  
41 pursuant to this section, and the income therefrom (including any profit  
42 from the sale thereof) shall at all times be free from taxation by the state or  
43 any agency, political subdivision or instrumentality of the state, including

5 under this act may be restricted by such trust agreement or resolution, may,  
6 either at law or in equity by suit, action, mandamus or other proceeding,  
7 protect and enforce any and all rights under the laws of the state or granted  
8 under this act or under such agreement or resolution, or under any other  
9 contract executed by the board of regents pursuant to this act, and may  
10 enforce and compel the performance of all duties required by this act or by  
11 such trust agreement or resolution to be performed by the board of regents  
12 or by an officer thereof.

15 issued by the Kansas development finance authority on behalf of the board  
16 of regents, and such bonds shall not constitute a debt of the state.

17 (j) Neither the board of regents, the board of the Kansas development  
18 finance authority nor any authorized employee of the board of regents or  
19 the Kansas development finance authority shall be personally liable for  
20 such bonds by reason of the issuance thereof.

21 (k) Nothing in this act shall be construed as a restriction or limitation  
22 upon any other powers which the board of regents might otherwise have  
23 under any other law of this state, and this act is cumulative to any such  
24 powers. This act does and shall be construed to provide a complete,  
25 additional and alternative method for the doing of the things authorized  
26 thereby and shall be regarded as supplemental and additional to powers  
27 conferred by other laws. The issuance of bonds under the provisions of this  
28 act need not comply with the requirements of any other state law  
29 applicable to the issuance of bonds. No proceedings, notice or approval  
30 shall be required for the issuance of any bonds or any instrument as  
31 security therefor, except as is provided in this act.

32 (l) Any of the provisions relating to bonds described in this section  
33 may be included in any contracts between the board of regents and the  
34 Kansas development finance authority relating to obligations of the Kansas
