25 necessary to reduce risk to the child and to provide family support. A report of
26 sexual abuse or human trafficking of a child shall be considered high risk and
27 shall not be referred to any other community agency.

1 (c) In making the initial determination as to the risk of harm and immediate
2 safety of the child pursuant to paragraph (b) of this subsection, the cabinet
3 shall at a minimum:

4 1. Consider the age and vulnerability of a child, particularly for ages five
5 (5) years of age and under, when assessing allegations of abuse and
6 neglect;

7 2. Automatically accept for investigation a subsequent report from a
8 professional reporting source, who makes a report pursuant to the

10 and identifies himself or herself by name, title, and employer, when
11 the same or similar allegation has been reported by one (1) or more

19 appropriate jurisdiction that makes a report pursuant to the
20 requirements in KRS Chapter 620 that a child is abused or neglected
21 and identifies that the child is a plaintiff in an active emergency
22 protective order or interpersonal protection order case.

23 (d) The cabinet shall, within seventy-two (72) hours, exclusive of weekends and
24 holidays, make a written report, including but not limited to electronic

1 ~~(e)~~ If the report alleges abuse or neglect by someone other than a parent,
2 guardian, fictive kin, person in a position of authority, person in a position of
3 special trust, or person exercising custodial control or supervision, or the
4 human trafficking of a child, the cabinet shall immediately notify the
5 Commonwealth's or county attorney and the local law enforcement agency or
6 the Department of Kentucky State Police.

7 (2) (a) Upon receipt of a report alleging dependency pursuant to KRS 620.030(1) and
8 (2), the recipient shall immediately notify the cabinet or its designated
9 representative.

10 (b) Based upon the allegation in the report, the cabinet shall immediately make an
11 initial determination as to the risk of harm and immediate safety of the child.
12 Based upon the level of risk, the cabinet shall investigate the allegation or
13 accept the report for an assessment of family needs and, if appropriate, may
14 provide or make referral to any community-based services necessary to reduce
15 risk to the child and to provide family support. A report of sexual abuse or
16 human trafficking of a child shall be considered high risk and shall not be
17 referred to any other community agency.

18 (c) **In making the initial determination as to the risk of harm and immediate**
19 **safety of the child pursuant to paragraph (b) of this subsection, the cabinet**
20 **shall at a minimum:**

21 **1. Consider the age and vulnerability of a child, particularly for ages five**
22 **(5) years of age and under, when assessing allegations of dependency;**

23 **2. Automatically accept for investigation a subsequent report from a**
24 **professional reporting source, who makes a report pursuant to the**
25 **requirements in KRS Chapter 620 that a child is dependent and**
26 **identifies himself or herself by name, title, and employer, when the**
27 **same or similar allegation has been reported by one (1) or more**

1 unique professional reporting sources within the past thirty (30) days.
2 For the purposes of this subparagraph "professional reporting
3 source" means an individual who is a social worker, therapist,
4 medical professional, educator, judge, attorney, law enforcement
5 officer, or any other individual holding a degree or position in a field
6 related to the safety and care of children; and

7 3. Automatically accept for investigation a report from a court of
8 appropriate jurisdiction that makes a report pursuant to the
9 requirements in KRS Chapter 620 that a child is dependent and
10 identifies that the child is a plaintiff in an active emergency protective
11 order or interpersonal protection order case.

12 (d) The cabinet need not notify the local law enforcement agency or the
13 Department of Kentucky State Police or Commonwealth's or county attorney
14 of reports made under this subsection unless the report involves the human
15 trafficking of a child, in which case the notification shall be required.

16 (3) If the cabinet or its designated representative receives a report of abuse by a person
17 other than a parent, guardian, fictive kin, person in a position of authority, person in
18 a position of special trust, or other person exercising custodial control or
19 supervision of a child, it shall immediately notify the local law enforcement agency
20 or the Department of Kentucky State Police and the Commonwealth's or county
21 attorney of the receipt of the report and its contents, and they shall investigate the
22 matter. The cabinet or its designated representative shall participate in an
23 investigation of noncustodial physical abuse or neglect at the request of the local
24 law enforcement agency or the Department of Kentucky State Police. The cabinet
25 shall participate in all investigations of reported or suspected sexual abuse or human
26 trafficking of a child.

27 (4) School personnel or other persons listed in KRS 620.030(2) do not have the

1 authority to conduct internal investigations in lieu of the official investigations
2 outlined in this section.

- 3 (5) (a) If, after receiving the report, the law enforcement officer, the cabinet, or its
4 designated representative cannot gain admission to the location of the child, a
5 search warrant shall be requested from, and may be issued by, the judge to the
6 appropriate law enforcement official upon probable cause that the child is
7 dependent, neglected, or abused. If, pursuant to a search under a warrant, a
8 child is discovered and appears to be in imminent danger, the child may be
9 removed by the law enforcement officer.
- 10 (b) If a child who is in a hospital or under the immediate care of a physician
11 appears to be in imminent danger if he or she is returned to the persons having
12 custody of him or her, the physician or hospital administrator may hold the
13 child without court order, provided that a request is made to the court for an
14 emergency custody order at the earliest practicable time, not to exceed
15 seventy-two (72) hours.
- 16 (c) Any appropriate law enforcement officer may take a child into protective
17 custody and may hold that child in protective custody without the consent of
18 the parent or other person exercising custodial control or supervision if there
19 exist reasonable grounds for the officer to believe that the child is in danger of
20 imminent death or serious physical injury, is being sexually abused, or is a
21 victim of human trafficking and that the parents or other person exercising
22 custodial control or supervision are unable or unwilling to protect the child.
23 The officer or the person to whom the officer entrusts the child shall, within
24 twelve (12) hours of taking the child into protective custody, request the court
25 to issue an emergency custody order.
- 26 (d) When a law enforcement officer, hospital administrator, or physician takes a
27 child into custody without the consent of the parent or other person exercising

1 custodial control or supervision, he or she shall provide written notice to the
2 parent or other person stating the reasons for removal of the child. Failure of
3 the parent or other person to receive notice shall not, by itself, be cause for
4 civil or criminal liability.

5 (e) 1. If a report includes a child fatality or near fatality, and the law
6 enforcement officer has reasonable grounds to believe any parent or
7 person exercising custodial control or supervision of the child was under
8 the influence of alcohol or drugs at the time the fatality or near fatality
9 occurred, the law enforcement officer shall request a test of blood,
10 breath, or urine from that person.

11 2. If, after making the request, consent is not given for the test of blood,
12 breath, or urine, a search warrant shall be requested from and may be
13 issued by the judge to the appropriate law enforcement official upon
14 probable cause that a child fatality or near fatality has occurred and that
15 the person exercising custodial control or supervision of the child at the
16 time of the fatality or near fatality was under the influence.

17 3. Any test requested under this section shall be conducted pursuant to the
18 testing procedures and requirements in KRS 189A.103.

19 (6) To the extent practicable and when in the best interest of a child alleged to have
20 been abused, interviews with the child shall be conducted at a children's advocacy

2 including advocates for victims of human trafficking, educators, and other
3 related professionals, as deemed appropriate.
- 4 (c) The multidisciplinary team shall review child sexual abuse cases and child
5 human trafficking cases involving commercial sexual activity referred by
6 participating professionals, including those in which the alleged perpetrator
7 does not have custodial control or supervision of the child or is not
8 responsible for the child's welfare. The purpose of the multidisciplinary team
9 shall be to review investigations, assess service delivery, and to facilitate
10 efficient and appropriate disposition of cases through the criminal justice
11 system.
- 12 (d) The team shall hold regularly scheduled meetings if new reports of sexual
13 abuse or child human trafficking cases involving commercial sexual activity
14 are received or if active cases exist. At each meeting, each active case shall be
15 presented and the agencies' responses assessed.
- 16 (e) The multidisciplinary team shall provide an annual report to the public of
17 nonidentifying case information to allow assessment of the processing and
18 disposition of child sexual abuse cases and child human trafficking cases
19 involving commercial sexual activity.
- 20 (f) Multidisciplinary team members and anyone invited by the multidisciplinary
21 team to participate in a meeting shall not divulge case information, including
22 information regarding the identity of the victim or source of the report. Team
23 members and others attending meetings shall sign a confidentiality statement
24 that is consistent with statutory prohibitions on disclosure of this information.
- 25 (g) The multidisciplinary team shall, pursuant to KRS 431.600 and 431.660,
26 develop a local protocol consistent with the model protocol issued by the
27 Kentucky Multidisciplinary Commission on Child Sexual Abuse. The local

1 team shall submit the protocol to the commission for review and approval.

2 (h) The multidisciplinary team review of a case may include information from
3 reports generated by agencies, organizations, or individuals that are

5 610.320 to KRS 610.340 notwithstanding.

6 (i) To the extent practicable, multidisciplinary teams shall be staffed by the local

10 ➔Section 7. KRS 620.050 is amended to read as follows:

11 (1) Anyone acting upon reasonable cause in the making of a report or acting under
12 KRS 620.030 to 620.050 in good faith shall have immunity from any liability, civil
13 or criminal, that might otherwise be incurred or imposed. Any such participant shall

27 under this section or for excluding evidence regarding a dependent, neglected, or

1 abused child or the cause thereof, in any judicial proceedings resulting from a report
2 pursuant to this section. This subsection shall also apply in any criminal proceeding
3 in District or Circuit Court regarding a dependent, neglected, or abused child.

11 **oral or written report, including but not limited to electronic submissions,**
12 **alleging that a child is dependent, neglected, or abused is made pursuant to this**
13 **section, and the cabinet determines that the report does not meet criteria for an**

- 23 2. Medical and mental health professionals listed by name in a release of

- 5 designee in accordance with KRS Chapter 13B in an appeal of a cabinet-
- 6 substantiated finding of abuse or neglect. The children's advocacy center
- 7 may, in its sole discretion, provide testimony in lieu of files, reports,
- 8 notes, photographs, records, electronic and other communications, and
- 9 working papers used or developed by the center if the center determines
