 10.21 or community-based treatment program. If there are no review requirements under the
 10.22 license or certification, the treatment plan must be reviewed quarterly. The ~~program~~ treatment
 10.23 plan shall be devised and reviewed with the designated agency and with the patient. The
 10.24 clinical record shall reflect the ~~program~~ treatment plan review. If the designated agency or
 10.25 the patient does not participate in the planning and review, the clinical record shall include
 10.26 reasons for nonparticipation and the plans for future involvement. The commissioner shall
 10.27 monitor the ~~program~~ treatment plan and review process for ~~regional centers~~ state-operated
 10.28 treatment programs to ~~insure~~ ensure compliance with the provisions of this subdivision.

10.29 Sec. 24. Minnesota Statutes 2018, section 253B.03, subdivision 10, is amended to read:

10.30 Subd. 10. **Notification.** (a) All ~~persons~~ patients admitted or committed to a treatment
 10.31 facility or state-operated treatment program, or temporarily confined under section 253B.045,
 10.32 shall be notified in writing of their rights regarding hospitalization and other treatment ~~at~~
 10.33 ~~the time of admission.~~

11.1 (b) This notification must include:

11.2 (1) patient rights specified in this section and section 144.651, including nursing home
11.3 discharge rights;

11.4 (2) the right to obtain treatment and services voluntarily under this chapter;

11.5 (3) the right to voluntary admission and release under section 253B.04;

11.6 (4) rights in case of an emergency admission under section ~~253B.05~~ 253B.051, including
11.7 the right to documentation in support of an emergency hold and the right to a summary
11.8 hearing before a judge if the patient believes an emergency hold is improper;

11.9 (5) the right to request expedited review under section 62M.05 if additional days of
11.10 inpatient stay are denied;

11.11 (6) the right to continuing benefits pending appeal and to an expedited administrative
11.12 hearing under section 256.045 if the patient is a recipient of medical assistance or
11.13 MinnesotaCare; and

11.14 (7) the right to an external appeal process under section 62Q.73, including the right to
11.15 a second opinion.

11.16 Sec. 25. Minnesota Statutes 2018, section 253B.04, subdivision 1, is amended to read:

11.17 Subdivision 1. **Voluntary admission and treatment.** (a) Voluntary admission is preferred
11.18 over involuntary commitment and treatment. Any person 16 years of age or older may
11.19 request to be admitted to a treatment facility or state-operated treatment program as a
11.20 voluntary patient for observation, evaluation, diagnosis, care and treatment without making
11.21 formal written application. Any person under the age of 16 years may be admitted as a
11.22 patient with the consent of a parent or legal guardian if it is determined by independent
11.23 examination that there is reasonable evidence that (1) the proposed patient has a mental
11.24 illness, ~~or is developmentally disabled~~ developmental disability, or ~~chemically dependent~~
11.25 chemical dependency; and (2) the proposed patient is suitable for treatment. The head of
11.26 the treatment facility or head of the state-operated treatment program shall not arbitrarily
11.27 refuse any person seeking admission as a voluntary patient. In making decisions regarding
11.28 admissions, the treatment facility or state-operated treatment program shall use clinical
11.29 admission criteria consistent with the current applicable inpatient admission standards
11.30 established by professional organizations including the American Psychiatric Association
11.31 ~~or~~ the American Academy of Child and Adolescent Psychiatry, the Joint Commission, and
11.32 the American Society of Addiction Medicine. These criteria must be no more restrictive
11.33 than, and must be consistent with, the requirements of section 62Q.53. The treatment facility

12.1 or head of the state-operated treatment program may not refuse to admit a person voluntarily
 12.2 solely because the person does not meet the criteria for involuntary holds under section
 12.3 ~~253B.05~~ 253B.051 or the definition of a person who poses a risk of harm due to mental
 12.4 illness under section 253B.02, subdivision 13.

12.5 (b) In addition to the consent provisions of paragraph (a), a person who is 16 or 17 years
 12.6 of age who refuses to consent personally to admission may be admitted as a patient for
 12.7 mental illness or chemical dependency treatment with the consent of a parent or legal
 12.8 guardian if it is determined by an independent examination that there is reasonable evidence
 12.9 that the proposed patient is chemically dependent or has a mental illness and is suitable for
 12.10 treatment. The person conducting the examination shall notify the proposed patient and the
 12.11 parent or legal guardian of this determination.

12.12 (c) A person who is voluntarily participating in treatment for a mental illness is not
 12.13 subject to civil commitment under this chapter if the person:

12.14 (1) has given informed consent or, if lacking capacity, is a person for whom legally valid
 12.15 substitute consent has been given; and

12.16 (2) is participating in a medically appropriate course of treatment, including clinically
 12.17 appropriate and lawful use of neuroleptic medication and electroconvulsive therapy. The
 12.18 limitation on commitment in this paragraph does not apply if, based on clinical assessment,
 12.19 the court finds that it is unlikely that the ~~person~~ patient will remain in and cooperate with
 12.20 a medically appropriate course of treatment absent commitment and the standards for
 12.21 commitment are otherwise met. This paragraph does not apply to a person for whom
 12.22 commitment proceedings are initiated pursuant to rule 20.01 or 20.02 of the Rules of Criminal
 12.23 Procedure, or a person found by the court to meet the requirements under section 253B.02,
 12.24 subdivision 17.

12.25 (d) Legally valid substitute consent may be provided by a proxy under a health care
 12.26 directive, a guardian or conservator with authority to consent to mental health treatment,
 12.27 or consent to admission under subdivision 1a or 1b.

12.28 Sec. 26. Minnesota Statutes 2018, section 253B.04, subdivision 1a, is amended to read:

12.29 Subd. 1a. **Voluntary treatment or admission for persons with a mental illness.** (a)
 12.30 A person with a mental illness may seek or voluntarily agree to accept treatment or admission
 12.31 to a state-operated treatment program or treatment facility. If the mental health provider
 12.32 determines that the person lacks the capacity to give informed consent for the treatment or
 12.33 admission, and in the absence of a health care ~~power of attorney~~ directive or power of

13.1 attorney that authorizes consent, the designated agency or its designee may give informed
 13.2 consent for mental health treatment or admission to a treatment facility or state-operated
 13.3 treatment program on behalf of the person.

13.4 (b) The designated agency shall apply the following criteria in determining the person's
 13.5 ability to give informed consent:

13.6 (1) whether the person demonstrates an awareness of the person's illness, and the reasons
 13.7 for treatment, its risks, benefits and alternatives, and the possible consequences of refusing
 13.8 treatment; and

13.9 (2) whether the person communicates verbally or nonverbally a clear choice concerning
 13.10 treatment that is a reasoned one, not based on delusion, even though it may not be in the
 13.11 person's best interests.

13.12 (c) The basis for the designated agency's decision that the person lacks the capacity to
 13.13 give informed consent for treatment or admission, and that the patient has voluntarily
 13.14 accepted treatment or admission, must be documented in writing.

13.15 (d) A ~~mental health provider~~ treatment facility or state-operated treatment program that
 13.16 provides treatment in reliance on the written consent given by the designated agency under
 13.17 this subdivision or by a substitute decision maker appointed by the court is not civilly or
 13.18 criminally liable for performing treatment without consent. This paragraph does not affect
 13.19 any other liability that may result from the manner in which the treatment is performed.

13.20 (e) A ~~person~~ patient who receives treatment or is admitted to a treatment facility or
 13.21 state-operated treatment program under this subdivision or subdivision 1b has the right to
 13.22 refuse treatment at any time or to be released from a treatment facility or state-operated
 13.23 treatment program as provided under subdivision 2. The ~~person~~ patient or any interested
 13.24 person acting on the ~~person's~~ patient's behalf may seek court review within five days for a
 13.25 determination of whether the ~~person's~~ patient's agreement to accept treatment or admission
 13.26 is voluntary. At the time a ~~person~~ patient agrees to treatment or admission to a treatment
 13.27 facility or state-operated treatment program under this subdivision, the designated agency
 13.28 or its designee shall inform the ~~person~~ patient in writing of the ~~person's~~ patient's rights under
 13.29 this paragraph.

13.30 ~~(f) This subdivision does not authorize the administration of neuroleptic medications.~~
 13.31 ~~Neuroleptic medications may be administered only as provided in section 253B.092.~~

14.1 Sec. 27. Minnesota Statutes 2018, section 253B.04, subdivision 2, is amended to read:

14.2 Subd. 2. **Release.** Every patient admitted for mental illness or developmental disability
 14.3 under this section shall be informed in writing at the time of admission that the patient has
 14.4 a right to leave the treatment facility or state-operated treatment program within 12 hours
 14.5 of making a request, unless held under another provision of this chapter. Every patient
 14.6 admitted for chemical dependency under this section shall be informed in writing at the
 14.7 time of admission that the patient has a right to leave the treatment facility or state-operated
 14.8 treatment program within 72 hours, exclusive of Saturdays, Sundays, and legal holidays,
 14.9 of making a request, unless held under another provision of this chapter. The request shall
 14.10 be submitted in writing to the head of the treatment facility or state-operated treatment
 14.11 program or the person's designee.

14.12 Sec. 28. **[253B.041] SERVICES FOR ENGAGEMENT IN TREATMENT.**

14.13 Subdivision 1. Eligibility. (a) The purpose of engagement services is to avoid the need
 14.14 for commitment and to enable the proposed patient to voluntarily engage in needed treatment.
 14.15 An interested person may apply to the county where a proposed patient resides to request
 14.16 engagement services.

14.17 (b) To be eligible for engagement services, the proposed patient must be at least 18 years
 14.18 of age, have a mental illness, and either:

14.19 (1) be exhibiting symptoms of serious mental illness including hallucinations, mania,
 14.20 delusional thoughts, or be unable to obtain necessary food, clothing, shelter, medical care,
 14.21 or provide necessary hygiene due to the patient's mental illness; or

14.22 (2) have a history of failing to adhere to treatment for mental illness, in that:

14.23 (i) the proposed patient's mental illness has been a substantial factor in necessitating
 14.24 hospitalization, or incarceration in a state or local correctional facility, not including any
 14.25 period during which the person was hospitalized or incarcerated immediately preceding
 14.26 filing the application for engagement; or

14.27 (ii) the proposed patient is exhibiting symptoms or behavior that may lead to
 14.28 hospitalization, incarceration, or court-ordered treatment.

14.29 Subd. 2. **Administration.** (a) Upon receipt of a request for engagement services, the
 14.30 county's prepetition screening team shall conduct an investigation to determine whether the
 14.31 proposed patient is eligible. In making this determination, the screening team shall seek any
 14.32 relevant information from an interested person.

15.1 (b) If the screening team determines that the proposed patient is eligible, engagement
15.2 services must begin and include, but are not limited to:

15.3 (1) assertive attempts to engage the patient in voluntary treatment for mental illness for
15.4 at least 90 days. Engagement services must be person-centered and continue even if the
15.5 patient is an inmate in a non-state-operated correctional facility;

15.6 (2) efforts to engage the patient's existing systems of support, including interested persons,
15.7 unless the engagement provider determines that involvement is not helpful to the patient.
15.8 This includes education on restricting means of harm, suicide prevention, and engagement;
15.9 and

15.10 (3) collaboration with the patient to meet immediate needs including access to housing,
15.11 food, income, disability verification, medications, and treatment for medical conditions.

15.12 (c) Engagement services regarding potential treatment options must take into account
15.13 the patient's preferences for services and supports. The county may offer engagement services
15.14 through the designated agency or another agency under contract. Engagement services staff
15.15 must have training in person-centered care. Engagement services staff may include but are
15.16 not limited to mobile crisis teams under section 245.462, certified peer specialists under
15.17 section 256B.0615, community-based treatment programs, and homeless outreach workers.

15.18 (d) If the patient voluntarily consents to receive mental health treatment, the engagement
15.19 services staff must facilitate the referral to an appropriate mental health treatment provider
15.20 including support obtaining health insurance if the proposed patient is currently or may
15.21 become uninsured. If the proposed patient initially consents to treatment, but fails to initiate
15.22 or continue treatment, the engagement services team must continue outreach efforts to the
15.23 patient.

15.24 Subd. 3. **Commitment.** Engagement services for a patient to seek treatment may be
15.25 stopped if the proposed patient is in need of commitment and satisfies the commitment
15.26 criteria under section 253B.09, subdivision 1. In such a case, the engagement services team
15.27 must immediately notify the designated agency, initiate the prepetition screening process
15.28 under section 253B.07, or seek an emergency hold if necessary to ensure the safety of the
15.29 patient or others.

15.30 Subd. 4. **Evaluation.** Counties may, but are not required to, provide engagement services.
15.31 The commissioner may conduct a pilot project evaluating the impact of engagement services
15.32 in decreasing commitments, increasing engagement in treatment, and other measures.

16.1 Sec. 29. Minnesota Statutes 2018, section 253B.045, subdivision 2, is amended to read:

16.2 Subd. 2. **Facilities.** (a) Each county or a group of counties shall maintain or provide by
 16.3 contract a facility for confinement of persons held temporarily for observation, evaluation,
 16.4 diagnosis, treatment, and care. When the temporary confinement is provided at a ~~regional~~
 16.5 state-operated treatment center program, the commissioner shall charge the county of
 16.6 financial responsibility for the costs of confinement of ~~persons~~ patients hospitalized under
 16.7 ~~section 253B.05, subdivisions 1 and 2, sections 253B.051 and section 253B.07, subdivision~~
 16.8 ~~2b~~, except that the commissioner shall bill the responsible health plan first. Any charges
 16.9 not covered, including co-pays and deductibles shall be the responsibility of the county. If
 16.10 the ~~person~~ patient has health plan coverage, but the hospitalization does not meet the criteria
 16.11 in subdivision 6 or section 62M.07, 62Q.53, or 62Q.535, the county is responsible. ~~When~~
 16.12 ~~a person is temporarily confined in a Department of Corrections facility solely under~~
 16.13 ~~subdivision 1a, and not based on any separate correctional authority:~~

16.14 ~~(1) the commissioner of corrections may charge the county of financial responsibility~~
 16.15 ~~for the costs of confinement; and~~

16.16 ~~(2) the Department of Human Services shall use existing appropriations to fund all~~
 16.17 ~~remaining nonconfinement costs. The funds received by the commissioner for the~~
 16.18 ~~confinement and nonconfinement costs are appropriated to the department for these purposes.~~

16.19 (b) For the purposes of this subdivision, "county of financial responsibility" has the
 16.20 meaning specified in section 253B.02, subdivision 4c, or, if the ~~person~~ patient has no
 16.21 residence in this state, the county which initiated the confinement. The charge for
 16.22 confinement in a facility operated by the commissioner ~~of human services~~ shall be based
 16.23 on the commissioner's determination of the cost of care pursuant to section 246.50,
 16.24 subdivision 5. When there is a dispute as to which county is the county of financial
 16.25 responsibility, the county charged for the costs of confinement shall pay for them pending
 16.26 final determination of the dispute over financial responsibility.

16.27 Sec. 30. Minnesota Statutes 2018, section 253B.045, subdivision 3, is amended to read:

16.28 Subd. 3. **Cost of care.** Notwithstanding subdivision 2, a county shall be responsible for
 16.29 the cost of care as specified under section 246.54 for ~~persons~~ a patient hospitalized at a
 16.30 ~~regional~~ state-operated treatment center program in accordance with section 253B.09 and
 16.31 the ~~person's~~ patient's legal status has been changed to a court hold under section 253B.07,
 16.32 subdivision 2b, pending a judicial determination regarding continued commitment pursuant
 16.33 to sections 253B.12 and 253B.13.

17.1 Sec. 31. Minnesota Statutes 2018, section 253B.045, subdivision 5, is amended to read:

17.2 Subd. 5. **Health plan company; definition.** For purposes of this section, "health plan
17.3 company" has the meaning given it in section 62Q.01, subdivision 4, and also includes a
17.4 demonstration provider as defined in section 256B.69, subdivision 2, paragraph (b); and a
17.5 county or group of counties participating in county-based purchasing according to section
17.6 256B.692, ~~and a children's mental health collaborative under contract to provide medical~~
17.7 ~~assistance for individuals enrolled in the prepaid medical assistance and MinnesotaCare~~
17.8 ~~programs according to sections 245.493 to 245.495.~~

17.9 Sec. 32. Minnesota Statutes 2018, section 253B.045, subdivision 6, is amended to read:

17.10 Subd. 6. **Coverage.** (a) For purposes of this section, "mental health services" means all
17.11 covered services that are intended to treat or ameliorate an emotional, behavioral, or
17.12 psychiatric condition and that are covered by the policy, contract, or certificate of coverage
17.13 of the enrollee's health plan company or by law.

17.14 (b) All health plan companies that provide coverage for mental health services must
17.15 cover or provide mental health services ordered by a court of competent jurisdiction ~~under~~
17.16 ~~a court order that is issued on the basis of a behavioral care evaluation performed by a~~
17.17 ~~licensed psychiatrist or a doctoral level licensed psychologist, which includes a diagnosis~~
17.18 ~~and an individual treatment plan for care in the most appropriate, least restrictive~~
17.19 ~~environment. The health plan company must be given a copy of the court order and the~~
17.20 ~~behavioral care evaluation. The health plan company shall be financially liable for the~~
17.21 ~~evaluation if performed by a participating provider of the health plan company and shall be~~
17.22 ~~financially liable for the care included in the court-ordered individual treatment plan if the~~
17.23 ~~care is covered by the health plan company and ordered to be provided by a participating~~
17.24 ~~provider or another provider as required by rule or law. This court-ordered coverage must~~
17.25 not be subject to a separate medical necessity determination by a health plan company under
17.26 its utilization procedures.

17.27 Sec. 33. **[253B.051] EMERGENCY ADMISSION.**

17.28 Subdivision 1. **Peace officer or health officer authority.** (a) If a peace officer or health
17.29 officer has reason to believe, either through direct observation of the person's behavior or
17.30 upon reliable information of the person's recent behavior and, if available, knowledge or
17.31 reliable information concerning the person's past behavior or treatment that the person:

17.32 (1) has a mental illness or developmental disability and is in danger of harming self or
17.33 others if the officer does not immediately detain the patient, the peace officer or health

18.1 officer may take the person into custody and transport the person to an examiner or a
18.2 treatment facility, state-operated treatment program, or community-based treatment program;

18.3 (2) is chemically dependent or intoxicated in public and in danger of harming self or
18.4 others if the officer does not immediately detain the patient, the peace officer or health
18.5 officer may take the person into custody and transport the person to a treatment facility,
18.6 state-operated treatment program, or community-based treatment program; or

18.7 (3) is chemically dependent or intoxicated in public and not in danger of harming self,
18.8 others, or property, the peace officer or health officer may take the person into custody and
18.9 transport the person to the person's home.

18.10 (b) An examiner's written statement or a health officer's written statement in compliance
18.11 with the requirements of subdivision 2 is sufficient authority for a peace officer or health
18.12 officer to take the person into custody and transport the person to a treatment facility,
18.13 state-operated treatment program, or community-based treatment program.

18.14 (c) A peace officer or health officer who takes a person into custody and transports the
18.15 person to a treatment facility, state-operated treatment program, or community-based
18.16 treatment program under this subdivision shall make written application for admission of
18.17 the person containing:

18.18 (1) the officer's statement specifying the reasons and circumstances under which the
18.19 person was taken into custody;

18.20 (2) identifying information on specific individuals to the extent practicable, if danger to
18.21 those individuals is a basis for the emergency hold; and

18.22 (3) the officer's name, the agency that employs the officer, and the telephone number or
18.23 other contact information for purposes of receiving notice under subdivision 3.

18.24 (d) A copy of the examiner's written statement and officer's application shall be made
18.25 available to the person taken into custody.

18.26 (e) The officer may provide the transportation personally or may arrange to have the
18.27 person transported by a suitable medical or mental health transportation provider. As far as
18.28 practicable, a peace officer who provides transportation for a person placed in a treatment
18.29 facility, state-operated treatment program, or community-based treatment program under
18.30 this subdivision must not be in uniform and must not use a vehicle visibly marked as a law
18.31 enforcement vehicle.

18.32 Subd. 2. **Emergency hold.** (a) A treatment facility, state-operated treatment program,
18.33 or community-based treatment program, other than a facility operated by the Minnesota sex

19.1 offender program, may admit or hold a patient, including a patient transported under
19.2 subdivision 1, for emergency care and treatment if the head of the facility or program
19.3 consents to holding the patient and an examiner provides a written statement in support of
19.4 holding the patient.

19.5 (b) The written statement must indicate that:

19.6 (1) the examiner examined the patient not more than 15 days prior to admission;

19.7 (2) the examiner interviewed the patient, or if not, the specific reasons why the examiner
19.8 did not interview the patient;

19.9 (3) the examiner has the opinion that the patient has a mental illness or developmental
19.10 disability, or is chemically dependent and is in danger of causing harm to self or others if
19.11 a facility or program does not immediately detain the patient. The statement must include
19.12 observations of the patient's behavior and avoid conclusory language. The statement must
19.13 be specific enough to provide an adequate record for review. If danger to specific individuals
19.14 is a basis for the emergency hold, the statement must identify those individuals to the extent
19.15 practicable; and

19.16 (4) the facility or program cannot obtain a court order in time to prevent the anticipated
19.17 injury.

19.18 (c) Prior to an examiner writing a statement, if another person brought the patient to the
19.19 treatment facility, state-operated treatment program, or community-based treatment program,
19.20 the examiner shall make a good-faith effort to obtain information from that person, which
19.21 the examiner must consider in deciding whether to place the patient on an emergency hold.
19.22 To the extent available, the statement must include direct observations of the patient's
19.23 behaviors, reliable knowledge of the patient's recent and past behavior, and information
19.24 regarding the patient's psychiatric history, past treatment, and current mental health providers.
19.25 The examiner shall also inquire about health care directives under chapter 145C and advance
19.26 psychiatric directives under section 253B.03, subdivision 6d.

19.27 (d) The facility or program must give a copy of the examiner's written statement to the
19.28 patient immediately upon initiating the emergency hold. The treatment facility, state-operated
19.29 treatment program, or community-based treatment program shall maintain a copy of the
19.30 examiner's written statement. The program or facility must inform the patient in writing of
19.31 the right to (1) leave after 72 hours, (2) have a medical examination within 48 hours, and
19.32 (3) request a change to voluntary status. The facility or program shall assist the patient in
19.33 exercising the rights granted in this subdivision.

20.1 (e) The facility or program must not allow the patient nor require the patient's consent
20.2 to participate in a clinical drug trial during an emergency admission or hold under this
20.3 subdivision. If a patient gives consent to participate in a drug trial during a period of an
20.4 emergency admission or hold, it is void and unenforceable. This paragraph does not prohibit
20.5 a patient from continuing participation in a clinical drug trial if the patient was participating
20.6 in the clinical drug trial at the time of the emergency admission or hold.

20.7 Subd. 3. **Duration of hold, release procedures, and change of status.** (a) If a peace
20.8 officer or health officer transports a person to a treatment facility, state-operated treatment
20.9 program, or community-based treatment program under subdivision 1, an examiner at the
20.10 facility or program must examine the patient and make a determination about the need for
20.11 an emergency hold as soon as possible and within 12 hours of the person's arrival. The peace
20.12 officer or health officer hold ends upon whichever occurs first: (1) initiation of an emergency
20.13 hold on the person under subdivision 2; (2) the person's voluntary admission; (3) the
20.14 examiner's decision not to admit the person; or (4) 12 hours after the person's arrival.

20.15 (b) Under this section, the facility or program may hold a patient up to 72 hours, exclusive
20.16 of Saturdays, Sundays, and legal holidays, after the examiner signs the written statement
20.17 for an emergency hold of the patient. The facility or program must release a patient when
20.18 the emergency hold expires unless the facility or program obtains a court order to hold the
20.19 patient. The facility or program may not place the patient on a consecutive emergency hold
20.20 under this section.

20.21 (c) If the interested person files a petition to civilly commit the patient, the court may
20.22 issue a judicial hold order pursuant to section 253B.07, subdivision 2b.

20.23 (d) During the 72-hour hold, a court must not release a patient under this section unless
20.24 the court received a written petition for the patient's release and the court has held a summary
20.25 hearing regarding the patient's release.

20.26 (e) The written petition for the patient's release must include the patient's name, the basis
20.27 for the hold, the location of the hold, and a statement explaining why the hold is improper.
20.28 The petition must also include copies of any written documentation under subdivision 1 or
20.29 2 that support the hold, unless the facility or program holding the patient refuses to supply
20.30 the documentation. Upon receipt of a petition, the court must comply with the following:

20.31 (1) the court must hold the hearing as soon as practicable and the court may conduct the
20.32 hearing by telephone conference call, interactive video conference, or similar method by
20.33 which the participants are able to simultaneously hear each other;

21.1 (2) before deciding to release the patient, the court shall make every reasonable effort
 21.2 to provide notice of the proposed release and reasonable opportunity to be heard to:

21.3 (i) any specific individuals identified in a statement under subdivision 1 or 2 or individuals
 21.4 identified in the record who might be endangered if the person is not held;

21.5 (ii) the examiner whose written statement was the basis for the hold under subdivision
 21.6 2; and

21.7 (iii) the peace officer or health officer who applied for a hold under subdivision 1; and

21.8 (3) if the court decides to release the patient, the court shall direct the patient's release
 21.9 and shall issue written findings supporting the decision. The facility or program must not
 21.10 delay the patient's release pending the written order.

21.11 (f) Notwithstanding section 144.293, subdivisions 2 and 4, if a treatment facility,
 21.12 state-operated treatment program, or community-based treatment program releases or
 21.13 discharges a patient during the 72-hour hold; the examiner refuses to admit the patient; or
 21.14 the patient leaves without the consent of the treating health care provider, the head of the
 21.15 treatment facility, state-operated treatment program, or community-based treatment program
 21.16 shall immediately notify the agency that employs the peace officer or health officer who
 21.17 initiated the transport hold. This paragraph does not apply to the extent that the notice would
 21.18 violate federal law governing the confidentiality of alcohol and drug abuse patient records
 21.19 under Code of Federal Regulations, title 42, part 2.

21.20 (g) If a patient is intoxicated in public and a facility or program holds the patient under
 21.21 this section for detoxification, a treatment facility, state-operated treatment program, or
 21.22 community-based treatment program may release the patient without providing notice under
 21.23 paragraph (f) as soon as the treatment facility, state-operated treatment program, or
 21.24 community-based treatment program determines that the person is no longer in danger of
 21.25 causing harm to self or others. The facility or program must provide notice to the peace
 21.26 officer or health officer who transported the person, or to the appropriate law enforcement
 21.27 agency, if the officer or agency requests notification.

21.28 (h) A treatment facility or state-operated treatment program must change a patient's
 21.29 status to voluntary status as provided in section 253B.04 upon the patient's request in writing
 21.30 if the head of the facility or program consents to the change.

21.31 Sec. 34. Minnesota Statutes 2018, section 253B.06, subdivision 1, is amended to read:

21.32 Subdivision 1. **Persons who are mentally ill or developmentally disabled with mental**
 21.33 **illness or developmental disability.** A physician must examine every patient hospitalized

22.1 ~~as mentally ill or developmentally disabled~~ due to mental illness or developmental disability
 22.2 ~~pursuant to section 253B.04 or 253B.05 must be examined by a physician~~ 253B.051 as soon
 22.3 as possible but no more than 48 hours following the patient's admission. The physician ~~shall~~
 22.4 ~~must~~ be knowledgeable and trained in ~~the diagnosis of~~ diagnosing the ~~alleged disability~~
 22.5 ~~related to the need for~~ patient's mental illness or developmental disability, forming the basis
 22.6 of the patient's admission as a person who is mentally ill or developmentally disabled.

22.7 Sec. 35. Minnesota Statutes 2018, section 253B.06, subdivision 2, is amended to read:

22.8 Subd. 2. **Chemically dependent persons.** ~~Patients hospitalized~~ A treatment facility,
 22.9 state-operated treatment program, or community-based treatment program must examine a
 22.10 patient hospitalized as chemically dependent pursuant to section 253B.04 or ~~253B.05~~ shall
 22.11 ~~also be examined~~ 253B.051 within 48 hours of admission. At a minimum, ~~the examination~~
 22.12 ~~shall consist of a physical evaluation by facility staff~~ the facility or program must physically
 22.13 examine the patient according to procedures established by a physician, ~~and an evaluation~~
 22.14 ~~by staff~~ examining the patient must be knowledgeable and trained in the diagnosis of the
 22.15 alleged disability ~~related to the need for~~ forming the basis of the patient's admission as a
 22.16 chemically dependent person.

22.17 Sec. 36. Minnesota Statutes 2018, section 253B.06, subdivision 3, is amended to read:

22.18 Subd. 3. **Discharge.** At the end of a 48-hour period, ~~any~~ the facility or program shall
 22.19 discharge a patient admitted pursuant to section ~~253B.05~~ shall be discharged 253B.051 if
 22.20 an examination has not been held or if the examiner or evaluation staff person fails to notify
 22.21 the head of the ~~treatment~~ facility or program in writing that in the examiner's or staff person's
 22.22 opinion the patient is ~~apparently~~ in need of care, treatment, and evaluation as a ~~mentally ill,~~
 22.23 ~~developmentally disabled, or chemically dependent person who has a mental illness,~~
 22.24 developmental disability, or chemical dependency.

22.25 Sec. 37. Minnesota Statutes 2018, section 253B.07, subdivision 1, is amended to read:

22.26 Subdivision 1. **Prepetition screening.** (a) Prior to filing a petition for commitment of
 22.27 ~~or early intervention for~~ a proposed patient, an interested person shall apply to the designated
 22.28 agency in the county of financial responsibility or the county where the proposed patient is
 22.29 present for conduct of a preliminary investigation as provided in section 253B.23, subdivision
 22.30 1b, except when the proposed patient has been acquitted of a crime under section 611.026
 22.31 and the county attorney is required to file a petition for commitment. The designated agency
 22.32 shall appoint a screening team to conduct an investigation. The petitioner may not be a
 22.33 member of the screening team. The investigation must include:

23.1 (1) ~~a person~~ an interview with the proposed patient and other individuals who appear
23.2 to have knowledge of the condition of the proposed patient, if practicable. In-person
23.3 interviews with the proposed patient are preferred. If the proposed patient is not interviewed,
23.4 specific reasons must be documented;

23.5 (2) identification and investigation of specific alleged conduct which is the basis for
23.6 application;

23.7 (3) identification, exploration, and listing of the specific reasons for rejecting or
23.8 recommending alternatives to involuntary placement;

23.9 (4) in the case of a commitment based on mental illness, ~~the following~~ information, ~~if~~
23.10 ~~it is known or available~~, that may be relevant to the administration of neuroleptic medications,
23.11 including the existence of a declaration under section 253B.03, subdivision 6d, or a health
23.12 care directive under chapter 145C or a guardian, conservator, proxy, or agent with authority
23.13 to make health care decisions for the proposed patient; information regarding the capacity
23.14 of the proposed patient to make decisions regarding administration of neuroleptic medication;
23.15 and whether the proposed patient is likely to consent or refuse consent to administration of
23.16 the medication;

23.17 (5) seeking input from the proposed patient's health plan company to provide the court
23.18 with information about ~~services the enrollee needs and the least restrictive alternatives~~ the
23.19 patient's relevant treatment history and current treatment providers; and

23.20 (6) in the case of a commitment based on mental illness, information listed in clause (4)
23.21 for other purposes relevant to treatment.

23.22 (b) In conducting the investigation required by this subdivision, the screening team shall
23.23 have access to all relevant medical records of proposed patients currently in treatment
23.24 facilities, state-operated treatment programs, or community-based treatment programs. The
23.25 interviewer shall inform the proposed patient that any information provided by the proposed
23.26 patient may be included in the prepetition screening report and may be considered in the
23.27 commitment proceedings. Data collected pursuant to this clause shall be considered private
23.28 data on individuals. The prepetition screening report is not admissible as evidence except
23.29 by agreement of counsel or as permitted by this chapter or the rules of court and is not
23.30 admissible in any court proceedings unrelated to the commitment proceedings.

23.31 (c) The prepetition screening team shall provide a notice, written in easily understood
23.32 language, to the proposed patient, the petitioner, persons named in a declaration under
23.33 chapter 145C or section 253B.03, subdivision 6d, and, with the proposed patient's consent,
23.34 other interested parties. The team shall ask the patient if the patient wants the notice read

24.1 and shall read the notice to the patient upon request. The notice must contain information
24.2 regarding the process, purpose, and legal effects of civil commitment ~~and early intervention~~.
24.3 The notice must inform the proposed patient that:

24.4 (1) if a petition is filed, the patient has certain rights, including the right to a
24.5 court-appointed attorney, the right to request a second court examiner, the right to attend
24.6 hearings, and the right to oppose the proceeding and to present and contest evidence; and

24.7 (2) if the proposed patient is committed to a ~~state regional treatment center or group~~
24.8 ~~home~~ state-operated treatment program, the patient may be billed for the cost of care and
24.9 the state has the right to make a claim against the patient's estate for this cost.

24.10 The ombudsman for mental health and developmental disabilities shall develop a form
24.11 for the notice which includes the requirements of this paragraph.

24.12 (d) When the prepetition screening team recommends commitment, a written report
24.13 shall be sent to the county attorney for the county in which the petition is to be filed. The
24.14 statement of facts contained in the written report must meet the requirements of subdivision
24.15 2, paragraph (b).

24.16 (e) The prepetition screening team shall refuse to support a petition if the investigation
24.17 does not disclose evidence sufficient to support commitment. Notice of the prepetition
24.18 screening team's decision shall be provided to the prospective petitioner, any specific
24.19 individuals identified in the examiner's statement, and to the proposed patient.

24.20 (f) If the interested person wishes to proceed with a petition contrary to the
24.21 recommendation of the prepetition screening team, application may be made directly to the
24.22 county attorney, who shall determine whether or not to proceed with the petition. Notice of
24.23 the county attorney's determination shall be provided to the interested party.

24.24 (g) If the proposed patient has been acquitted of a crime under section 611.026, the
24.25 county attorney shall apply to the designated county agency in the county in which the
24.26 acquittal took place for a preliminary investigation unless substantially the same information
24.27 relevant to the proposed patient's current mental condition, as could be obtained by a
24.28 preliminary investigation, is part of the court record in the criminal proceeding or is contained
24.29 in the report of a mental examination conducted in connection with the criminal proceeding.
24.30 If a court petitions for commitment pursuant to the Rules of Criminal or Juvenile Procedure
24.31 or a county attorney petitions pursuant to acquittal of a criminal charge under section 611.026,
24.32 the prepetition investigation, if required by this section, shall be completed within seven
24.33 days after the filing of the petition.

25.1 Sec. 38. Minnesota Statutes 2018, section 253B.07, subdivision 2, is amended to read:

25.2 Subd. 2. **The petition.** (a) Any interested person, except a member of the prepetition
25.3 screening team, may file a petition for commitment in the district court of the county of
25.4 financial responsibility or the county where the proposed patient is present. If the head of
25.5 the treatment facility, state-operated treatment program, or community-based treatment
25.6 program believes that commitment is required and no petition has been filed, ~~the head of~~
25.7 ~~the treatment facility~~ that person shall petition for the commitment of the person proposed
25.8 patient.

25.9 (b) The petition shall set forth the name and address of the proposed patient, the name
25.10 and address of the patient's nearest relatives, and the reasons for the petition. The petition
25.11 must contain factual descriptions of the proposed patient's recent behavior, including a
25.12 description of the behavior, where it occurred, and the time period over which it occurred.
25.13 Each factual allegation must be supported by observations of witnesses named in the petition.
25.14 Petitions shall be stated in behavioral terms and shall not contain judgmental or conclusory
25.15 statements.

25.16 (c) The petition shall be accompanied by a written statement by an examiner stating that
25.17 the examiner has examined the proposed patient within the 15 days preceding the filing of
25.18 the petition and is of the opinion that the proposed patient ~~is suffering~~ has a designated
25.19 disability and should be committed to a treatment facility, state-operated treatment program,
25.20 or community-based treatment program. The statement shall include the reasons for the
25.21 opinion. In the case of a commitment based on mental illness, the petition and the examiner's
25.22 statement shall include, ~~to the extent this information is available,~~ a statement and opinion
25.23 regarding the proposed patient's need for treatment with neuroleptic medication and the
25.24 patient's capacity to make decisions regarding the administration of neuroleptic medications,
25.25 and the reasons for the opinion. If use of neuroleptic medications is recommended by the
25.26 ~~treating physician~~ medical practitioner or other qualified medical provider, the petition for
25.27 commitment must, if applicable, include or be accompanied by a request for proceedings
25.28 under section 253B.092. Failure to include the required information regarding neuroleptic
25.29 medications in the examiner's statement, or to include a request for an order regarding
25.30 neuroleptic medications with the commitment petition, is not a basis for dismissing the
25.31 commitment petition. If a petitioner has been unable to secure a statement from an examiner,
25.32 the petition shall include documentation that a reasonable effort has been made to secure
25.33 the supporting statement.

26.1 Sec. 39. Minnesota Statutes 2018, section 253B.07, subdivision 2a, is amended to read:

26.2 Subd. 2a. **Petition originating from criminal proceedings.** (a) If criminal charges are
 26.3 pending against a defendant, the court shall order simultaneous competency and civil
 26.4 commitment examinations in accordance with Minnesota Rules of Criminal Procedure, rule
 26.5 20.04, when the following conditions are met:

26.6 (1) the prosecutor or defense counsel doubts the defendant's competency and a motion
 26.7 is made challenging competency, or the court on its initiative raises the issue under rule
 26.8 20.01; and

26.9 (2) the prosecutor and defense counsel agree simultaneous examinations are appropriate.

26.10 No additional examination under subdivision 3 is required in a subsequent civil commitment
 26.11 proceeding unless a second examination is requested by defense counsel appointed following
 26.12 the filing of any petition for commitment.

26.13 (b) Only a court examiner may conduct an assessment as described in Minnesota Rules
 26.14 of Criminal Procedure, rules 20.01, subdivision 4, and 20.02, subdivision 2.

26.15 (c) Where a county is ordered to consider civil commitment following a determination
 26.16 of incompetency under Minnesota Rules of Criminal Procedure, rule 20.01, the county in
 26.17 which the criminal matter is pending is responsible to conduct prepetition screening and, if
 26.18 statutory conditions for commitment are satisfied, to file the commitment petition in that
 26.19 county. By agreement between county attorneys, prepetition screening and filing the petition
 26.20 may be handled in the county of financial responsibility or the county where the proposed
 26.21 patient is present.

26.22 ~~(b)~~ (d) Following an acquittal of a person of a criminal charge under section 611.026,
 26.23 the petition shall be filed by the county attorney of the county in which the acquittal took
 26.24 place and the petition shall be filed with the court in which the acquittal took place, and that
 26.25 court shall be the committing court for purposes of this chapter. When a petition is filed
 26.26 pursuant to subdivision 2 with the court in which acquittal of a criminal charge took place,
 26.27 the court shall assign the judge before whom the acquittal took place to hear the commitment
 26.28 proceedings unless that judge is unavailable.

26.29 Sec. 40. Minnesota Statutes 2018, section 253B.07, subdivision 2b, is amended to read:

26.30 Subd. 2b. **Apprehend and hold orders.** (a) The court may order the treatment facility
 26.31 or state-operated treatment program to hold the ~~person in a treatment facility~~ proposed
 26.32 patient or direct a health officer, peace officer, or other person to take the proposed patient
 26.33 into custody and transport the proposed patient to a treatment facility or state-operated

27.1 treatment program for observation, evaluation, diagnosis, care, treatment, and, if necessary,
27.2 confinement, when:

27.3 (1) there has been a particularized showing by the petitioner that serious physical harm
27.4 to the proposed patient or others is likely unless the proposed patient is immediately
27.5 apprehended;

27.6 (2) the proposed patient has not voluntarily appeared for the examination or the
27.7 commitment hearing pursuant to the summons; or

27.8 (3) a person is held pursuant to section ~~253B.05~~ 253B.051 and a request for a petition
27.9 for commitment has been filed.

27.10 (b) The order of the court may be executed on any day and at any time by the use of all
27.11 necessary means including the imposition of necessary restraint upon the proposed patient.
27.12 Where possible, a peace officer taking the proposed patient into custody pursuant to this
27.13 subdivision shall not be in uniform and shall not use a ~~motor~~ vehicle visibly marked as a
27.14 ~~police~~ law enforcement vehicle. Except as provided in section 253D.10, subdivision 2, in
27.15 the case of an individual on a judicial hold due to a petition for civil commitment under
27.16 chapter 253D, assignment of custody during the hold is to the commissioner ~~of human~~
27.17 ~~services~~. The commissioner is responsible for determining the appropriate placement within
27.18 a secure treatment facility under the authority of the commissioner.

27.19 (c) A proposed patient must not be allowed or required to consent to nor participate in
27.20 a clinical drug trial while an order is in effect under this subdivision. A consent given while
27.21 an order is in effect is void and unenforceable. This paragraph does not prohibit a patient
27.22 from continuing participation in a clinical drug trial if the patient was participating in the
27.23 clinical drug trial at the time the order was issued under this subdivision.

27.24 Sec. 41. Minnesota Statutes 2018, section 253B.07, subdivision 2d, is amended to read:

27.25 Subd. 2d. **Change of venue.** Either party may move to have the venue of the petition
27.26 changed to the district court of the Minnesota county where the person currently lives,
27.27 whether independently or pursuant to a placement. The county attorney of the proposed
27.28 county of venue must be notified of the motion and provided the opportunity to respond
27.29 before the court rules on the motion. The court shall grant the motion if it determines that
27.30 the transfer is appropriate and is in the interests of justice. If the petition has been filed
27.31 pursuant to the Rules of Criminal or Juvenile Procedure, venue may not be changed without
27.32 the agreement of the county attorney of the proposed county of venue and the approval of
27.33 the court in which the juvenile or criminal proceedings are pending.

28.1 Sec. 42. Minnesota Statutes 2018, section 253B.07, subdivision 3, is amended to read:

28.2 Subd. 3. **Court-appointed examiners.** After a petition has been filed, the court shall
28.3 appoint ~~an~~ a court examiner. Prior to the hearing, the court shall inform the proposed patient
28.4 of the right to an independent second examination. At the proposed patient's request, the
28.5 court shall appoint a second court examiner of the patient's choosing to be paid for by the
28.6 county at a rate of compensation fixed by the court.

28.7 Sec. 43. Minnesota Statutes 2018, section 253B.07, subdivision 5, is amended to read:

28.8 Subd. 5. **Prehearing examination; report.** The examination shall be held at a treatment
28.9 facility or other suitable place the court determines is not likely to harm the health of the
28.10 proposed patient. The county attorney and the patient's attorney may be present during the
28.11 examination. Either party may waive this right. Unless otherwise agreed by the parties, a
28.12 ~~court-appointed~~ court examiner shall file the report with the court not less than 48 hours
28.13 prior to the commitment hearing. The court shall ensure that copies of the court examiner's
28.14 report are provided to the county attorney, the proposed patient, and the patient's counsel.

28.15 Sec. 44. Minnesota Statutes 2018, section 253B.07, subdivision 7, is amended to read:

28.16 Subd. 7. **Preliminary hearing.** (a) No proposed patient may be held in a treatment
28.17 facility or state-operated treatment program under a judicial hold pursuant to subdivision
28.18 2b longer than 72 hours, exclusive of Saturdays, Sundays, and legal holidays, unless the
28.19 court holds a preliminary hearing and determines that the standard is met to hold the ~~person~~
28.20 proposed patient.

28.21 (b) The proposed patient, patient's counsel, the petitioner, the county attorney, and any
28.22 other persons as the court directs shall be given at least 24 hours written notice of the
28.23 preliminary hearing. The notice shall include the alleged grounds for confinement. The
28.24 proposed patient shall be represented at the preliminary hearing by counsel. The court may
28.25 admit reliable hearsay evidence, including written reports, for the purpose of the preliminary
28.26 hearing.

28.27 (c) The court, on its motion or on the motion of any party, may exclude or excuse a
28.28 proposed patient who is seriously disruptive or who is incapable of comprehending and
28.29 participating in the proceedings. In such instances, the court shall, with specificity on the
28.30 record, state the behavior of the proposed patient or other circumstances which justify
28.31 proceeding in the absence of the proposed patient.

29.1 (d) The court may continue the judicial hold of the proposed patient if it finds, by a
29.2 preponderance of the evidence, that serious physical harm to the proposed patient or others
29.3 is likely if the proposed patient is not immediately confined. If a proposed patient was
29.4 acquitted of a crime against the person under section 611.026 immediately preceding the
29.5 filing of the petition, the court may presume that serious physical harm to the patient or
29.6 others is likely if the proposed patient is not immediately confined.

29.7 (e) Upon a showing that a ~~person~~ proposed patient subject to a petition for commitment
29.8 may need treatment with neuroleptic medications and that the ~~person~~ proposed patient may
29.9 lack capacity to make decisions regarding that treatment, the court may appoint a substitute
29.10 decision-maker as provided in section 253B.092, subdivision 6. The substitute decision-maker
29.11 shall meet with the proposed patient and provider and make a report to the court at the
29.12 hearing under section 253B.08 regarding whether the administration of neuroleptic
29.13 medications is appropriate under the criteria of section 253B.092, subdivision 7. If the
29.14 substitute decision-maker consents to treatment with neuroleptic medications and the
29.15 proposed patient does not refuse the medication, neuroleptic medication may be administered
29.16 to the proposed patient. If the substitute decision-maker does not consent or the proposed
29.17 patient refuses, neuroleptic medication may not be administered without a court order, or
29.18 in an emergency as set forth in section 253B.092, subdivision 3.

29.19 Sec. 45. Minnesota Statutes 2018, section 253B.08, subdivision 1, is amended to read:

29.20 Subdivision 1. **Time for commitment hearing.** (a) The hearing on the commitment
29.21 petition shall be held within 14 days from the date of the filing of the petition, except that
29.22 the hearing on a commitment petition pursuant to section 253D.07 shall be held within 90
29.23 days from the date of the filing of the petition. For good cause shown, the court may extend
29.24 the time of hearing up to an additional 30 days. The proceeding shall be dismissed if the
29.25 proposed patient has not had a hearing on a commitment petition within the allowed time.

29.26 (b) The proposed patient, or the head of the treatment facility or state-operated treatment
29.27 program in which the ~~person~~ patient is held, may demand in writing at any time that the
29.28 hearing be held immediately. Unless the hearing is held within five days of the date of the
29.29 demand, exclusive of Saturdays, Sundays, and legal holidays, the petition shall be
29.30 automatically dismissed if the patient is being held in a treatment facility or state-operated
29.31 treatment program pursuant to court order. For good cause shown, the court may extend
29.32 the time of hearing on the demand for an additional ten days. This paragraph does not apply
29.33 to a commitment petition brought under section 253B.18 or chapter 253D.

30.1 Sec. 46. Minnesota Statutes 2018, section 253B.08, subdivision 2a, is amended to read:

30.2 Subd. 2a. **Place of hearing.** The hearing shall be conducted in a manner consistent with
 30.3 orderly procedure. The hearing shall be held at a courtroom meeting standards prescribed
 30.4 by local court rule which may be at a treatment facility or state-operated treatment program.
 30.5 The hearing may be conducted by interactive video conference under General Rules of
 30.6 Practice, rule 131, and Minnesota Rules of Civil Commitment, rule 14.

30.7 Sec. 47. Minnesota Statutes 2018, section 253B.08, subdivision 5, is amended to read:

30.8 Subd. 5. **Absence permitted.** (a) The court may permit the proposed patient to waive
 30.9 the right to attend the hearing if it determines that the waiver is freely given. At the time of
 30.10 the hearing, the proposed patient shall not be so under the influence of drugs, medication,
 30.11 or other treatment so as to be hampered in participating in the proceedings. When the ~~licensed~~
 30.12 ~~physician or licensed psychologist attending the patient~~ professional responsible for the
 30.13 proposed patient's treatment is of the opinion that the discontinuance of ~~drugs,~~ medication,
 30.14 or other treatment is not in the best interest of the proposed patient, the court, at the time of
 30.15 the hearing, shall be presented a record of all ~~drugs,~~ medication or other treatment which
 30.16 the proposed patient has received during the 48 hours immediately prior to the hearing.

30.17 (b) The court, on its own motion or on the motion of any party, may exclude or excuse
 30.18 a proposed patient who is seriously disruptive or who is incapable of comprehending and
 30.19 participating in the proceedings. In such instances, the court shall, with specificity on the
 30.20 record, state the behavior of the proposed patient or other circumstances justifying proceeding
 30.21 in the absence of the proposed patient.

30.22 Sec. 48. Minnesota Statutes 2018, section 253B.08, subdivision 5a, is amended to read:

30.23 Subd. 5a. **Witnesses.** The proposed patient or the patient's counsel and the county attorney
 30.24 may present and cross-examine witnesses, including court examiners, at the hearing. The
 30.25 court may in its discretion receive the testimony of any other person. Opinions of
 30.26 ~~court-appointed~~ court examiners may not be admitted into evidence unless the court examiner
 30.27 is present to testify, except by agreement of the parties.

30.28 Sec. 49. Minnesota Statutes 2018, section 253B.09, subdivision 1, is amended to read:

30.29 Subdivision 1. **Standard of proof.** (a) If the court finds by clear and convincing evidence
 30.30 that the proposed patient is a person ~~who is mentally ill, developmentally disabled, or~~
 30.31 ~~chemically dependent~~ who poses a risk of harm due to mental illness, or is a person who
 30.32 has a developmental disability or chemical dependency, and after careful consideration of

31.1 reasonable alternative dispositions, including but not limited to, dismissal of petition;
 31.2 voluntary outpatient care;2 voluntary admission to a treatment facility, state-operated
 31.3 treatment program, or community-based treatment program; appointment of a guardian or
 31.4 conservator;2 or release before commitment as provided for in subdivision 4, it finds that
 31.5 there is no suitable alternative to judicial commitment, the court shall commit the patient
 31.6 to the least restrictive treatment program or alternative programs which can meet the patient's
 31.7 treatment needs consistent with section 253B.03, subdivision 7.

31.8 (b) In deciding on the least restrictive program, the court shall consider a range of
 31.9 treatment alternatives including, but not limited to, community-based nonresidential
 31.10 treatment, community residential treatment, partial hospitalization, acute care hospital,
 31.11 assertive community treatment teams, and regional state-operated treatment center services
 31.12 programs. The court shall also consider the proposed patient's treatment preferences and
 31.13 willingness to participate voluntarily in the treatment ordered. The court may not commit
 31.14 a patient to a facility or program that is not capable of meeting the patient's needs.

31.15 (c) If, after careful consideration of reasonable alternative dispositions, the court finds
 31.16 no suitable alternative to judicial commitment and the court finds that the least restrictive
 31.17 alternative as determined in paragraph (a) is a treatment facility or community-based
 31.18 treatment program that is less restrictive or more community based than a state-operated
 31.19 treatment program, and there is a treatment facility or a community-based treatment program
 31.20 willing to accept the civilly committed patient, the court may commit the patient to both
 31.21 the treatment facility or community-based treatment program and to the commissioner, in
 31.22 the event that treatment in a state-operated treatment program becomes the least restrictive
 31.23 alternative. If there is a change in the patient's level of care, then:

31.24 (1) if the patient needs a higher level of care requiring admission to a state-operated
 31.25 treatment program, custody of the patient and authority and responsibility for the commitment
 31.26 may be transferred to the commissioner for as long as the patient needs a higher level of
 31.27 care; and

31.28 (2) when the patient no longer needs treatment in a state-operated treatment program,
 31.29 the program may provisionally discharge the patient to an appropriate placement or release
 31.30 the patient to the treatment facility or community-based treatment program if the program
 31.31 continues to be willing and able to readmit the patient, in which case the commitment, its
 31.32 authority, and responsibilities revert to the non-state-operated treatment program. Both
 31.33 agencies accepting commitment shall coordinate admission and discharge planning to
 31.34 facilitate timely access to the other's services to meet the patient's needs and shall coordinate
 31.35 treatment planning consistent with section 253B.03, subdivision 7.

32.1 ~~(e)~~ (d) If the commitment as mentally ill, chemically dependent, or developmentally
 32.2 disabled is to a service facility provided by the commissioner of human services a person
 32.3 is committed to a state-operated treatment program as a person who poses a risk of harm
 32.4 due to mental illness or as a person who has a developmental disability or chemical
 32.5 dependency, the court shall order the commitment to the commissioner. The commissioner
 32.6 shall designate the placement of the person to the court.

32.7 ~~(d)~~ (e) If the court finds a proposed patient to be a person who ~~is mentally ill~~ poses a
 32.8 risk of harm due to mental illness under section 253B.02, subdivision 13, ~~paragraph (a),~~
 32.9 ~~clause (2) or (4)~~, the court shall commit the patient to a treatment facility or community-based
 32.10 treatment program that meets the proposed patient's needs. For purposes of this paragraph,
 32.11 ~~a community-based program may include inpatient mental health services at a community~~
 32.12 ~~hospital.~~

32.13 Sec. 50. Minnesota Statutes 2018, section 253B.09, subdivision 2, is amended to read:

32.14 Subd. 2. **Findings.** (a) The court shall find the facts specifically, and separately state its
 32.15 conclusions of law. Where commitment is ordered, the findings of fact and conclusions of
 32.16 law shall specifically state the proposed patient's conduct which is a basis for determining
 32.17 that each of the requisites for commitment is met.

32.18 (b) If commitment is ordered, the findings shall also identify less restrictive alternatives
 32.19 considered and rejected by the court and the reasons for rejecting each alternative.

32.20 (c) If the proceedings are dismissed, the court may direct that the person be transported
 32.21 back to a suitable location including to the person's home.

32.22 Sec. 51. Minnesota Statutes 2018, section 253B.09, subdivision 3a, is amended to read:

32.23 Subd. 3a. **Reporting judicial commitments; private treatment program or**
 32.24 **facility.** Notwithstanding section 253B.23, subdivision 9, when a court commits a patient
 32.25 to a non-state-operated treatment facility or program ~~or facility other than a state-operated~~
 32.26 ~~program or facility~~, the court shall report the commitment to the commissioner through the
 32.27 supreme court information system for purposes of providing commitment information for
 32.28 firearm background checks under section 245.041. If the patient is committed to a
 32.29 state-operated treatment program, the court shall send a copy of the commitment order to
 32.30 the commissioner.

33.1 Sec. 52. Minnesota Statutes 2018, section 253B.09, subdivision 5, is amended to read:

33.2 Subd. 5. **Initial commitment period.** The initial commitment begins on the date that
 33.3 the court issues its order or warrant under section 253B.10, subdivision 1. For ~~persons~~ a
 33.4 person committed as ~~mentally ill, developmentally disabled,~~ a person who poses a risk of
 33.5 harm due to mental illness, a developmental disability, or chemically dependent chemical
 33.6 dependency, the initial commitment shall not exceed six months.

33.7 Sec. 53. Minnesota Statutes 2018, section 253B.092, is amended to read:

33.8 **253B.092 ADMINISTRATION OF NEUROLEPTIC MEDICATION.**

33.9 Subdivision 1. **General.** Neuroleptic medications may be administered, only as provided
 33.10 in this section, to patients subject to ~~early intervention or~~ civil commitment as ~~mentally ill,~~
 33.11 ~~mentally ill and dangerous, a sexually dangerous person, or a person with a sexual~~
 33.12 ~~psychopathic personality~~ under this chapter or chapter 253D. For purposes of this section,
 33.13 "patient" includes a proposed patient who is the subject of a petition for ~~early intervention~~
 33.14 ~~or~~ commitment and a committed person as defined in section 253D.02, subdivision 4.

33.15 Subd. 2. **Administration without judicial review.** (a) Neuroleptic medications may be
 33.16 administered without judicial review in the following circumstances:

33.17 (1) the patient has the capacity to make an informed decision under subdivision 4;

33.18 (2) the patient does not have the present capacity to consent to the administration of
 33.19 neuroleptic medication, but prepared a power of attorney, a health care directive under
 33.20 chapter 145C₂, or a declaration under section 253B.03, subdivision 6d, requesting treatment
 33.21 or authorizing an agent or proxy to request treatment, and the agent or proxy has requested
 33.22 the treatment;

33.23 (3) the patient has been prescribed neuroleptic medication prior to admission to a
 33.24 treatment facility, but lacks the present capacity to consent to the administration of that
 33.25 neuroleptic medication; continued administration of the medication is in the patient's best
 33.26 interest; and the patient does not refuse administration of the medication. In this situation,
 33.27 the previously prescribed neuroleptic medication may be continued for up to 14 days while
 33.28 the treating ~~physician~~ medical practitioner:

33.29 (i) is obtaining a substitute decision-maker appointed by the court under subdivision 6;
 33.30 or

33.31 (ii) is requesting a court order authorizing administering neuroleptic medication or
 33.32 amendment to a current court order authorizing administration of neuroleptic medication;

34.1 (4) a substitute decision-maker appointed by the court consents to the administration of
 34.2 the neuroleptic medication and the patient does not refuse administration of the medication;
 34.3 or

34.4 (5) the substitute decision-maker does not consent or the patient is refusing medication,
 34.5 and the patient is in an emergency situation.

34.6 (b) For the purposes of paragraph (a), clause (3), if a person requests a substitute
 34.7 decision-maker or requests a court order administering neuroleptic medication within 14
 34.8 days, the treating medical practitioner may continue administering the medication to the
 34.9 patient through the hearing date or until the court otherwise issues an order.

34.10 Subd. 3. **Emergency administration.** A treating ~~physician~~ medical practitioner may
 34.11 administer neuroleptic medication to a patient who does not have capacity to make a decision
 34.12 regarding administration of the medication if the patient is in an emergency situation.
 34.13 Medication may be administered for so long as the emergency continues to exist, up to 14
 34.14 days, if the treating ~~physician~~ medical practitioner determines that the medication is necessary
 34.15 to prevent serious, immediate physical harm to the patient or to others. If a request for
 34.16 authorization to administer medication is made to the court within the 14 days, the treating
 34.17 ~~physician~~ medical practitioner may continue the medication through the date of the first
 34.18 court hearing, if the emergency continues to exist. If the request for authorization to
 34.19 administer medication is made to the court in conjunction with a petition for commitment
 34.20 ~~or early intervention~~ and the court makes a determination at the preliminary hearing under
 34.21 section 253B.07, subdivision 7, that there is sufficient cause to continue the ~~physician's~~
 34.22 medical practitioner's order until the hearing under section 253B.08, the treating ~~physician~~
 34.23 medical practitioner may continue the medication until that hearing, if the emergency
 34.24 continues to exist. The treatment facility, state-operated treatment program, or
 34.25 community-based treatment program shall document the emergency in the patient's medical
 34.26 record in specific behavioral terms.

34.27 Subd. 4. **Patients with capacity to make informed decision.** A patient who has the
 34.28 capacity to make an informed decision regarding the administration of neuroleptic medication
 34.29 may consent or refuse consent to administration of the medication. The informed consent
 34.30 of a patient must be in writing.

34.31 Subd. 5. **Determination of capacity.** (a) There is a rebuttable presumption that a patient
 34.32 ~~is presumed to have~~ has the capacity to make decisions regarding administration of
 34.33 neuroleptic medication.

35.1 (b) ~~In determining~~ A ~~person's~~ patient has the capacity to make decisions regarding the
35.2 administration of neuroleptic medication, ~~the court shall consider~~ if the patient:

35.3 (1) ~~whether the person demonstrates~~ has an awareness of the nature of the ~~person's~~
35.4 patient's situation, including the reasons for hospitalization, and the possible consequences
35.5 of refusing treatment with neuroleptic medications;

35.6 (2) ~~whether the person demonstrates~~ has an understanding of treatment with neuroleptic
35.7 medications and the risks, benefits, and alternatives; and

35.8 (3) ~~whether the person~~ communicates verbally or nonverbally a clear choice regarding
35.9 treatment with neuroleptic medications that is a reasoned one not based on ~~delusion~~ a
35.10 symptom of the patient's mental illness, even though it may not be in the ~~person's~~ patient's
35.11 best interests.

35.12 (c) Disagreement with the ~~physician's~~ medical practitioner's recommendation alone is
35.13 not evidence of an unreasonable decision.

35.14 Subd. 6. **Patients without capacity to make informed decision; substitute**
35.15 **decision-maker.** (a) Upon request of any person, and upon a showing that administration
35.16 of neuroleptic medications may be recommended and that the ~~person~~ patient may lack
35.17 capacity to make decisions regarding the administration of neuroleptic medication, the court
35.18 shall appoint a substitute decision-maker with authority to consent to the administration of
35.19 neuroleptic medication as provided in this section. A hearing is not required for an
35.20 appointment under this paragraph. The substitute decision-maker must be an individual or
35.21 a community or institutional multidisciplinary panel designated by the local mental health
35.22 authority. In appointing a substitute decision-maker, the court shall give preference to a
35.23 guardian ~~or conservator~~, proxy, or health care agent with authority to make health care
35.24 decisions for the patient. The court may provide for the payment of a reasonable fee to the
35.25 substitute decision-maker for services under this section or may appoint a volunteer.

35.26 (b) If the ~~person's treating physician~~ patient's treating medical practitioner recommends
35.27 treatment with neuroleptic medication, the substitute decision-maker may give or withhold
35.28 consent to the administration of the medication, based on the standards under subdivision
35.29 7. If the substitute decision-maker gives informed consent to the treatment and the ~~person~~
35.30 patient does not refuse, the substitute decision-maker shall provide written consent to the
35.31 treating ~~physician~~ medical practitioner and the medication may be administered. The
35.32 substitute decision-maker shall also notify the court that consent has been given. If the
35.33 substitute decision-maker refuses or withdraws consent or the ~~person~~ patient refuses the

36.1 medication, neuroleptic medication ~~may~~ must not be administered to the ~~person without~~
 36.2 patient except with a court order or in an emergency.

36.3 (c) A substitute decision-maker appointed under this section has access to the relevant
 36.4 sections of the patient's health records on the past or present administration of medication.
 36.5 The designated agency or a person involved in the patient's physical or mental health care
 36.6 may disclose information to the substitute decision-maker for the sole purpose of performing
 36.7 the responsibilities under this section. The substitute decision-maker may not disclose health
 36.8 records obtained under this paragraph except to the extent necessary to carry out the duties
 36.9 under this section.

36.10 (d) At a hearing under section 253B.08, the petitioner has the burden of proving incapacity
 36.11 by a preponderance of the evidence. If a substitute decision-maker has been appointed by
 36.12 the court, the court shall make findings regarding the patient's capacity to make decisions
 36.13 regarding the administration of neuroleptic medications and affirm or reverse its appointment
 36.14 of a substitute decision-maker. If the court affirms the appointment of the substitute
 36.15 decision-maker, and if the substitute decision-maker has consented to the administration of
 36.16 the medication and the patient has not refused, the court shall make findings that the substitute
 36.17 decision-maker has consented and the treatment is authorized. If a substitute decision-maker
 36.18 has not yet been appointed, upon request the court shall make findings regarding the patient's
 36.19 capacity and appoint a substitute decision-maker if appropriate.

36.20 (e) If an order for civil commitment ~~or early intervention~~ did not provide for the
 36.21 appointment of a substitute decision-maker or for the administration of neuroleptic
 36.22 medication, ~~the~~ a treatment facility, state-operated treatment program, or community-based
 36.23 treatment program may later request the appointment of a substitute decision-maker upon
 36.24 a showing that administration of neuroleptic medications is recommended and that the
 36.25 ~~person~~ patient lacks capacity to make decisions regarding the administration of neuroleptic
 36.26 medications. A hearing is not required in order to administer the neuroleptic medication
 36.27 unless requested under subdivision 10 or if the substitute decision-maker withholds or
 36.28 refuses consent or the ~~person~~ patient refuses the medication.

36.29 (f) The substitute decision-maker's authority to consent to treatment lasts for the duration
 36.30 of the court's order of appointment or until modified by the court.

36.31 ~~If the substitute decision-maker withdraws consent or the patient refuses consent,~~
 36.32 ~~neuroleptic medication may not be administered without a court order.~~

36.33 (g) If there is no hearing after the preliminary hearing, then the court shall, upon the
 36.34 request of any interested party, review the reasonableness of the substitute decision-maker's

37.1 decision based on the standards under subdivision 7. The court shall enter an order upholding
37.2 or reversing the decision within seven days.

37.3 Subd. 7. **When person patient lacks capacity to make decisions about medication.** (a)
37.4 When a person patient lacks capacity to make decisions regarding the administration of
37.5 neuroleptic medication, the substitute decision-maker or the court shall use the standards
37.6 in this subdivision in making a decision regarding administration of the medication.

37.7 (b) If the person patient clearly stated what the person patient would choose to do in this
37.8 situation when the person patient had the capacity to make a reasoned decision, the person's
37.9 patient's wishes must be followed. Evidence of the person's patient's wishes may include
37.10 written instruments, including a durable power of attorney for health care under chapter
37.11 145C or a declaration under section 253B.03, subdivision 6d.

37.12 (c) If evidence of the person's patient's wishes regarding the administration of neuroleptic
37.13 medications is conflicting or lacking, the decision must be based on what a reasonable
37.14 person would do, taking into consideration:

37.15 (1) the person's patient's family, community, moral, religious, and social values;

37.16 (2) the medical risks, benefits, and alternatives to the proposed treatment;

37.17 (3) past efficacy and any extenuating circumstances of past use of neuroleptic
37.18 medications; and

37.19 (4) any other relevant factors.

37.20 Subd. 8. **Procedure when patient refuses neuroleptic medication.** (a) If the substitute
37.21 decision-maker or the patient refuses to consent to treatment with neuroleptic medications,
37.22 and absent an emergency as set forth in subdivision 3, neuroleptic medications may not be
37.23 administered without a court order. Upon receiving a written request for a hearing, the court
37.24 shall schedule the hearing within 14 days of the request. The matter may be heard as part
37.25 of any other district court proceeding under this chapter. By agreement of the parties or for
37.26 good cause shown, the court may extend the time of hearing an additional 30 days.

37.27 (b) The patient must be examined by a court examiner prior to the hearing. If the patient
37.28 refuses to participate in an examination, the court examiner may rely on the patient's medical
37.29 records to reach an opinion as to the appropriateness of neuroleptic medication. The patient
37.30 is entitled to counsel and a second court examiner, if requested by the patient or patient's
37.31 counsel.

37.32 (c) The court may base its decision on relevant and admissible evidence, including the
37.33 testimony of a treating physician medical practitioner or other qualified physician, a member

38.1 of the patient's treatment team, a ~~court-appointed~~ court examiner, witness testimony, or the
38.2 patient's medical records.

38.3 (d) If the court finds that the patient has the capacity to decide whether to take neuroleptic
38.4 medication or that the patient lacks capacity to decide and the standards for making a decision
38.5 to administer the medications under subdivision 7 are not met, the ~~treating~~ treatment facility,
38.6 state-operated treatment program, or community-based treatment program may not administer
38.7 medication without the patient's informed written consent or without the declaration of an
38.8 emergency, or until further review by the court.

38.9 (e) If the court finds that the patient lacks capacity to decide whether to take neuroleptic
38.10 medication and has applied the standards set forth in subdivision 7, the court may authorize
38.11 the ~~treating~~ treatment facility, state-operated treatment program, or community-based
38.12 treatment program and any other ~~community or treatment~~ facility or program to which the
38.13 patient may be transferred or provisionally discharged, to involuntarily administer the
38.14 medication to the patient. A copy of the order must be given to the patient, the patient's
38.15 attorney, the county attorney, and the treatment facility, state-operated treatment program,
38.16 or community-based treatment program. The treatment facility, state-operated treatment
38.17 program, or community-based treatment program may not begin administration of the
38.18 neuroleptic medication until it notifies the patient of the court's order authorizing the
38.19 treatment.

38.20 (f) A finding of lack of capacity under this section must not be construed to determine
38.21 the patient's competence for any other purpose.

38.22 (g) The court may authorize the administration of neuroleptic medication until the
38.23 termination of a determinate commitment. If the patient is committed for an indeterminate
38.24 period, the court may authorize treatment of neuroleptic medication for not more than two
38.25 years, subject to the patient's right to petition the court for review of the order. The treatment
38.26 facility, state-operated treatment program, or community-based treatment program must
38.27 submit annual reports to the court, which shall provide copies to the patient and the respective
38.28 attorneys.

38.29 (h) The court may limit the maximum dosage of neuroleptic medication that may be
38.30 administered.

38.31 (i) If physical force is required to administer the neuroleptic medication, the facility or
38.32 program may only use injectable medications. If physical force is needed to administer the
38.33 medication, medication may only take place be administered in a treatment facility or
38.34 therapeutic setting where the person's condition can be reassessed and appropriate medical

39.1 staff personnel qualified to administer medication are available, including in the community,
 39.2 a county jail, or a correctional facility. The facility or program may not use a nasogastric
 39.3 tube to administer neuroleptic medication involuntarily.

39.4 Subd. 9. **Immunity.** A substitute decision-maker who consents to treatment is not civilly
 39.5 or criminally liable for the performance of or the manner of performing the treatment. A
 39.6 person is not liable for performing treatment without consent if the substitute decision-maker
 39.7 has given written consent. This provision does not affect any other liability that may result
 39.8 from the manner in which the treatment is performed.

39.9 Subd. 10. **Review.** A patient or other person may petition the court under section 253B.17
 39.10 for review of any determination under this section or for a decision regarding the
 39.11 administration of neuroleptic medications, appointment of a substitute decision-maker, or
 39.12 the patient's capacity to make decisions regarding administration of neuroleptic medications.

39.13 Sec. 54. Minnesota Statutes 2018, section 253B.0921, is amended to read:

39.14 **253B.0921 ACCESS TO MEDICAL RECORDS.**

39.15 A treating ~~physician~~ medical practitioner who makes medical decisions regarding the
 39.16 prescription and administration of medication for treatment of a mental illness has access
 39.17 to the relevant sections of a patient's health records on past administration of medication at
 39.18 any ~~treatment~~ facility, program, or treatment provider, if the patient lacks the capacity to
 39.19 authorize the release of records. Upon request of a treating ~~physician~~ medical practitioner
 39.20 under this section, a ~~treatment~~ facility, program, or treatment provider shall supply complete
 39.21 information relating to the past records on administration of medication of a patient subject
 39.22 to this chapter. A patient who has the capacity to authorize the release of data retains the
 39.23 right to make decisions regarding access to medical records as provided by sections 144.291
 39.24 to 144.298.

39.25 Sec. 55. Minnesota Statutes 2018, section 253B.095, subdivision 3, is amended to read:

39.26 Subd. 3. **Duration.** The maximum duration of a stayed order under this section is six
 39.27 months. The court may continue the order for a maximum of an additional 12 months if,
 39.28 after notice and hearing, under sections 253B.08 and 253B.09 the court finds that (1) the
 39.29 person continues to ~~be mentally ill, chemically dependent, or developmentally disabled,~~
 39.30 have a mental illness, developmental disability, or chemical dependency, and (2) an order
 39.31 is needed ~~to protect the patient or others~~ because the person is likely to attempt to physically
 39.32 harm self or others or fail to obtain necessary food, clothing, shelter, or medical care unless
 39.33 the person is under the supervision of a stayed commitment.

40.1 Sec. 56. Minnesota Statutes 2018, section 253B.097, subdivision 1, is amended to read:

40.6 (2) a finding that the proposed treatment is available and accessible to the patient and
40.7 that public or private financial resources are available to pay for the proposed treatment;

40.8 (3) conditions the patient must meet in order to obtain an early release from commitment
40.9 or to avoid a hearing for further commitment; and

40.10 (4) consequences of the patient's failure to follow the commitment order. Consequences
40.11 may include commitment to another setting for treatment.

49.31 agency shall provide copies of the report to the patient, the patient's attorney, the county

50.1 attorney, and the treatment facility or program from which the patient was provisionally

50.9 the patient into a ~~treatment~~ facility or program from which the patient was provisionally
50.10 discharged, another treatment facility, state-operated treatment program, or community-based
50.11 treatment program that consents to receive the patient, or more intensive community

50.14 of proof is on the designated agency to show that no genuine issue exists as to the propriety
50.15 of the revocation. If the court finds that no genuine issue exists as to the propriety of the

50.20 three days after the patient files the petition. The court may continue the review hearing for
50.21 an additional five days upon any party's showing of good cause. At the hearing, the burden
50.22 of proof is on the designated agency to show a factual basis for the revocation. At the
50.23 conclusion of the hearing, the court shall make specific findings of fact. The court shall
50.24 affirm the revocation if it finds:

50.25 (1) a factual basis for revocation due to:

50.26 (i) a violation of the material conditions of the provisional discharge that creates a need
50.27 for the patient to return to a more restrictive setting or more intensive community services;
50.28 or

50.29 (ii) a probable danger of harm to the patient or others if the provisional discharge is not
50.30 revoked; and

50.31 (2) that revocation is the least restrictive alternative available.

51.1 (b) If the court does not affirm the revocation, the court shall order the patient returned
51.2 to provisional discharge status.

51.3 Sec. 75. Minnesota Statutes 2018, section 253B.15, subdivision 5, is amended to read:

51.9 court may order the patient returned to a facility or program prior to a review hearing only
51.10 upon finding that immediate return ~~to a facility~~ is necessary because there is a serious
51.11 likelihood that the safety of the patient or others will be jeopardized, in that (1) the patient's

57.1 Sec. 84. Minnesota Statutes 2018, section 253B.18, subdivision 3, is amended to read:

57.2 Subd. 3. **Indeterminate commitment.** If the court finds at the final determination hearing
 57.3 held pursuant to subdivision 2 that the patient continues to be a person who ~~is mentally ill~~
 57.4 ~~and~~ has a mental illness and is dangerous to the public, then the court shall order commitment
 57.5 of the proposed patient for an indeterminate period of time. After a final determination that

63.9 (b) Revocation shall be commenced by a notice of intent to revoke provisional discharge,
 63.10 which shall be served upon the patient, patient's counsel, and the designated agency. The
 63.11 notice shall set forth the grounds upon which the intention to revoke is based, and shall
 63.12 inform the patient of the rights of a patient under this chapter.

63.13 (c) In all nonemergency situations, prior to revoking a provisional discharge, the head
 63.14 of the ~~treatment~~ facility or program shall obtain a revocation report from the designated

71.4 law; to each examiner a reasonable sum for services and for travel; to persons conveying
71.5 the patient to the place of detention, disbursements for the travel, board, and lodging of the
71.6 patient and of themselves and their authorized assistants; and to the patient's counsel, when
71.7 appointed by the court, a reasonable sum for travel and for the time spent in court or in
71.8 preparing for the hearing. Upon the court's order, the county auditor shall issue a warrant
71.9 on the county treasurer for payment of the amounts allowed, excluding the costs of the court
71.10 examiner, which must be paid by the state courts.

71.11 (b) Whenever venue of a proceeding has been transferred under this chapter, the costs
71.12 of the proceedings shall be reimbursed to the county where the proceedings were conducted
71.13 by the county of financial responsibility.

71.14 Sec. 116. Minnesota Statutes 2018, section 253B.23, subdivision 1b, is amended to read:

71.15 Subd. 1b. **Responsibility for conducting prepetition screening and filing commitment**
71.16 **and early intervention petitions.** (a) The county of financial responsibility is responsible
71.17 to conduct prepetition screening pursuant to section 253B.07, subdivision 1, and, if statutory
71.18 conditions for ~~early intervention or~~ commitment are satisfied, to file a petition pursuant to
71.19 section ~~253B.064, subdivision 1, paragraph (a);~~ 253B.07, subdivision 1, paragraph (a);² or
71.20 253D.07.

71.21 (b) Except in cases under chapter 253D, if the county of financial responsibility refuses
71.22 or fails to conduct prepetition screening or file a petition, or if it is unclear which county is
71.23 the county of financial responsibility, the county where the proposed patient is present is
71.24 responsible to conduct the prepetition screening and, if statutory conditions for ~~early~~
71.25 ~~intervention or~~ commitment are satisfied, file the petition.

71.26 (c) In cases under chapter 253D, if the county of financial responsibility refuses or fails
71.27 to file a petition, or if it is unclear which county is the county of financial responsibility,
71.28 then (1) the county where the conviction for which the person is incarcerated was entered,
71.29 or (2) the county where the proposed patient is present, if the person is not currently
71.30 incarcerated based on conviction, is responsible to file the petition if statutory conditions
71.31 for commitment are satisfied.

71.32 (d) When a proposed patient is an inmate confined to an adult correctional facility under
71.33 the control of the commissioner of corrections and commitment proceedings are initiated

72.1 or proposed to be initiated pursuant to section 241.69, the county where the correctional
72.2 facility is located may agree to perform the responsibilities specified in paragraph (a).

72.3 (e) Any dispute concerning financial responsibility for the costs of the proceedings and
72.4 treatment will be resolved pursuant to chapter 256G.

72.5 (f) This subdivision and the sections of law cited in this subdivision address venue only.
72.6 Nothing in this chapter is intended to limit the statewide jurisdiction of district courts over
72.7 civil commitment matters.

72.8 Sec. 117. Minnesota Statutes 2018, section 253B.23, subdivision 2, is amended to read:

72.9 Subd. 2. **Legal results of commitment status.** (a) Except as otherwise provided in this
72.10 chapter and in sections 246.15 and 246.16, no person by reason of commitment or treatment
72.11 pursuant to this chapter shall be deprived of any legal right, including but not limited to the
72.12 right to dispose of property, sue and be sued, execute instruments, make purchases, enter
72.13 into contractual relationships, vote, and hold a driver's license. Commitment or treatment
72.14 of any patient pursuant to this chapter is not a judicial determination of legal incompetency
72.15 except to the extent provided in section 253B.03, subdivision 6.

72.16 (b) Proceedings for determination of legal incompetency and the appointment of a
72.17 guardian for a person subject to commitment under this chapter may be commenced before,
72.18 during, or after commitment proceedings have been instituted and may be conducted jointly
72.19 with the commitment proceedings. The court shall notify the head of the ~~treatment~~ facility
72.20 or program to which the patient is committed of a finding that the patient is incompetent.

72.21 (c) Where the person to be committed is a minor or owns property of value and it appears
72.22 to the court that the person is not competent to manage a personal estate, the court shall
72.23 appoint a general conservator of the person's estate as provided by law.

72.24 Sec. 118. Minnesota Statutes 2018, section 253B.24, is amended to read:

72.25 **253B.24 TRANSMITTAL OF DATA TO NATIONAL INSTANT CRIMINAL**
72.26 **BACKGROUND CHECK SYSTEM.**

72.27 When a court:

72.28 (1) commits a person under this chapter ~~as being mentally ill, developmentally disabled,~~
72.29 ~~mentally ill and dangerous, or chemically dependent~~ due to mental illness, developmental
72.30 disability, or chemical dependency, or as a person who has a mental illness and is dangerous
72.31 to the public;

73.1 (2) determines in a criminal case that a person is incompetent to stand trial or not guilty
73.2 by reason of mental illness; or

73.3 (3) restores a person's ability to possess a firearm under section 609.165, subdivision
73.4 1d, or 624.713, subdivision 4,
73.5 the court shall ensure that this information is electronically transmitted within three business
73.6 days to the National Instant Criminal Background Check System.

73.7 Sec. 119. Minnesota Statutes 2018, section 253D.02, subdivision 6, is amended to read:

73.8 Subd. 6. **Court examiner.** "Court examiner" has the meaning given in section 253B.02,
73.9 subdivision ~~7~~ 7a.

73.10 Sec. 120. Minnesota Statutes 2018, section 253D.07, subdivision 2, is amended to read:

73.11 Subd. 2. **Petition.** Upon the filing of a petition alleging that a proposed respondent is a
73.12 sexually dangerous person or a person with a sexual psychopathic personality, ~~the court~~
73.13 ~~shall hear the petition as provided~~ all of the applicable procedures contained in sections
73.14 253B.07 and 253B.08 apply to the commitment proceeding.

73.15 Sec. 121. Minnesota Statutes 2018, section 253D.10, subdivision 2, is amended to read:

73.16 Subd. 2. **Correctional facilities.** (a) A person who is being petitioned for commitment
73.17 under this chapter and who is placed under a judicial hold order under section 253B.07,
73.18 subdivision 2b or 7, may be confined at a Department of Corrections or a county correctional
73.19 or detention facility, rather than a secure treatment facility, until a determination of the
73.20 commitment petition as specified in this subdivision.

73.21 (b) A court may order that a person who is being petitioned for commitment under this
73.22 chapter be confined in a Department of Corrections facility pursuant to the judicial hold
73.23 order under the following circumstances and conditions:

73.24 (1) The person is currently serving a sentence in a Department of Corrections facility
73.25 and the court determines that the person has made a knowing and voluntary (i) waiver of
73.26 the right to be held in a secure treatment facility and (ii) election to be held in a Department
73.27 of Corrections facility. The order confining the person in the Department of Corrections
73.28 facility shall remain in effect until the court vacates the order or the person's criminal sentence
73.29 and conditional release term expire.

74.1 In no case may the person be held in a Department of Corrections facility pursuant only
74.2 to this subdivision, and not pursuant to any separate correctional authority, for more than
74.3 210 days.

74.4 (2) A person who has elected to be confined in a Department of Corrections facility
74.5 under this subdivision may revoke the election by filing a written notice of intent to revoke
74.6 the election with the court and serving the notice upon the Department of Corrections and
74.7 the county attorney. The court shall order the person transferred to a secure treatment facility
74.8 within 15 days of the date that the notice of revocation was filed with the court, except that,
74.9 if the person has additional time to serve in prison at the end of the 15-day period, the person
74.10 shall not be transferred to a secure treatment facility until the person's prison term expires.
74.11 After a person has revoked an election to remain in a Department of Corrections facility
74.12 under this subdivision, the court may not adopt another election to remain in a Department
74.13 of Corrections facility without the agreement of both parties and the Department of
74.14 Corrections.

74.15 (3) Upon petition by the commissioner of corrections, after notice to the parties and
74.16 opportunity for hearing and for good cause shown, the court may order that the person's
74.17 place of confinement be changed from the Department of Corrections to a secure treatment
74.18 facility.

74.19 (4) While at a Department of Corrections facility pursuant to this subdivision, the person
74.20 shall remain subject to all rules and practices applicable to correctional inmates in the facility
74.21 in which the person is placed including, but not limited to, the powers and duties of the
74.22 commissioner of corrections under section 241.01, powers relating to use of force under
74.23 section 243.52, and the right of the commissioner of corrections to determine the place of
74.24 confinement in a prison, reformatory, or other facility.

74.25 (5) A person may not be confined in a Department of Corrections facility under this
74.26 provision beyond the end of the person's executed sentence or the end of any applicable
74.27 conditional release period, whichever is later. If a person confined in a Department of
74.28 Corrections facility pursuant to this provision reaches the person's supervised release date
74.29 and is subject to a period of conditional release, the period of conditional release shall
74.30 commence on the supervised release date even though the person remains in the Department
74.31 of Corrections facility pursuant to this provision. At the end of the later of the executed
74.32 sentence or any applicable conditional release period, the person shall be transferred to a
74.33 secure treatment facility.

75.1 (6) Nothing in this section may be construed to establish a right of an inmate in a state
 75.2 correctional facility to participate in sex offender treatment. This section must be construed
 75.3 in a manner consistent with the provisions of section 244.03.

75.4 (c) When a person is temporarily confined in a Department of Corrections facility solely
 75.5 under this subdivision and not based on any separate correctional authority, the commissioner
 75.6 of corrections may charge the county of financial responsibility for the costs of confinement,
 75.7 and the Department of Human Services shall use existing appropriations to fund all remaining
 75.8 nonconfinement costs. The funds received by the commissioner for the confinement and
 75.9 nonconfinement costs are appropriated to the department for these purposes.

75.10 ~~(e)~~ (d) The committing county may offer a person who is being petitioned for commitment
 75.11 under this chapter and who is placed under a judicial hold order under section 253B.07,
 75.12 subdivision 2b or 7, the option to be held in a county correctional or detention facility rather
 75.13 than a secure treatment facility, under such terms as may be agreed to by the county, the
 75.14 commitment petitioner, and the commitment respondent. If a person makes such an election
 75.15 under this paragraph, the court hold order shall specify the terms of the agreement, including
 75.16 the conditions for revoking the election.

75.17 Sec. 122. Minnesota Statutes 2018, section 253D.28, subdivision 2, is amended to read:

75.18 Subd. 2. **Procedure.** (a) The supreme court shall refer a petition for rehearing and
 75.19 reconsideration to the chief judge of the judicial appeal panel. The chief judge shall notify
 75.20 the committed person, the county attorneys of the county of commitment and county of
 75.21 financial responsibility, the commissioner, the executive director, any interested person,
 75.22 and other persons the chief judge designates, of the time and place of the hearing on the
 75.23 petition. The notice shall be given at least 14 days prior to the date of the hearing. The
 75.24 hearing may be conducted by interactive video conference under General Rules of Practice,
 75.25 rule 131, and Minnesota Rules of Civil Commitment, rule 14.

75.26 (b) Any person may oppose the petition. The committed person, the committed person's
 75.27 counsel, the county attorneys of the committing county and county of financial responsibility,
 75.28 and the commissioner shall participate as parties to the proceeding pending before the
 75.29 judicial appeal panel and shall, no later than 20 days before the hearing on the petition,
 75.30 inform the judicial appeal panel and the opposing party in writing whether they support or
 75.31 oppose the petition and provide a summary of facts in support of their position.

75.32 (c) The judicial appeal panel may appoint court examiners and may adjourn the hearing
 75.33 from time to time. It shall hear and receive all relevant testimony and evidence and make
 75.34 a record of all proceedings. The committed person, the committed person's counsel, and the

76.1 county attorney of the committing county or the county of financial responsibility have the
76.2 right to be present and may present and cross-examine all witnesses and offer a factual and
76.3 legal basis in support of their positions.

76.4 (d) The petitioning party seeking discharge or provisional discharge bears the burden
76.5 of going forward with the evidence, which means presenting a prima facie case with
76.6 competent evidence to show that the person is entitled to the requested relief. If the petitioning
76.7 party has met this burden, the party opposing discharge or provisional discharge bears the
76.8 burden of proof by clear and convincing evidence that the discharge or provisional discharge
76.9 should be denied.

76.10 (e) A party seeking transfer under section 253D.29 must establish by a preponderance
76.11 of the evidence that the transfer is appropriate.

76.12 Sec. 123. **REVISOR INSTRUCTION.**

76.13 The revisor of statutes shall renumber Minnesota Statutes, section 253B.02, so that the
76.14 subdivisions are alphabetical. The revisor shall correct any cross-references that arise as a
76.15 result of the renumbering.

76.16 Sec. 124. **REPEALER.**

76.17 Minnesota Statutes 2018, sections 253B.02, subdivisions 6 and 12a; 253B.05, subdivisions
76.18 1, 2, 2b, 3, and 4; 253B.064; 253B.065; 253B.066; 253B.09, subdivision 3; 253B.12,
76.19 subdivision 2; 253B.15, subdivision 11; and 253B.20, subdivision 7, are repealed.

253B.02 DEFINITIONS.

Subd. 6. **Emergency treatment.** "Emergency treatment" means the treatment of a patient pursuant to section 253B.05 which is necessary to protect the patient or others from immediate harm.

Subd. 12a. **Mental illness.** "Mental illness" has the meaning given in section 245.462, subdivision 20.

253B.05 EMERGENCY ADMISSION.

Subdivision 1. **Emergency hold.** (a) Any person may be admitted or held for emergency care and treatment in a treatment facility, except to a facility operated by the Minnesota sex offender program, with the consent of the head of the treatment facility upon a written statement by an examiner that:

(1) the examiner has examined the person not more than 15 days prior to admission;

(2) the examiner is of the opinion, for stated reasons, that the person is mentally ill, developmentally disabled, or chemically dependent, and is in danger of causing injury to self or others if not immediately detained; and

(3) an order of the court cannot be obtained in time to prevent the anticipated injury.

(b) If the proposed patient has been brought to the treatment facility by another person, the examiner shall make a good faith effort to obtain a statement of information that is available from that person, which must be taken into consideration in deciding whether to place the proposed patient on an emergency hold. The statement of information must include, to the extent available, direct observations of the proposed patient's behaviors, reliable knowledge of recent and past behavior, and information regarding psychiatric history, past treatment, and current mental health providers. The examiner shall also inquire into the existence of health care directives under chapter 145, and advance psychiatric directives under section 253B.03, subdivision 6d.

(c) The examiner's statement shall be: (1) sufficient authority for a peace or health officer to transport a patient to a treatment facility, (2) stated in behavioral terms and not in conclusory language, and (3) of sufficient specificity to provide an adequate record for review. If danger to specific individuals is a basis for the emergency hold, the statement must identify those individuals, to the extent practicable. A copy of the examiner's statement shall be personally served on the person immediately upon admission and a copy shall be maintained by the treatment facility.

(d) A patient must not be allowed or required to consent to nor participate in a clinical drug trial during an emergency admission or hold under this subdivision or subdivision 2. A consent given during a period of an emergency admission or hold is void and unenforceable. This paragraph does not prohibit a patient from continuing participation in a clinical drug trial if the patient was participating in the drug trial at the time of the emergency admission or hold.

Subd. 2. **Peace or health officer authority.** (a) A peace or health officer may take a person into custody and transport the person to a licensed physician or treatment facility if the officer has reason to believe, either through direct observation of the person's behavior, or upon reliable information of the person's recent behavior and knowledge of the person's past behavior or psychiatric treatment, that the person is mentally ill or developmentally disabled and in danger of injuring self or others if not immediately detained. A peace or health officer or a person working under such officer's supervision, may take a person who is believed to be chemically dependent or is intoxicated in public into custody and transport the person to a treatment facility. If the person is intoxicated in public or is believed to be chemically dependent and is not in danger of causing self-harm or harm to any person or property, the peace or health officer may transport the person home. The peace or health officer shall make written application for admission of the person to the treatment facility. The application shall contain the peace or health officer's statement specifying the reasons for and circumstances under which the person was taken into custody. If danger to specific individuals is a basis for the emergency hold, the statement must include identifying information on those individuals, to the extent practicable. A copy of the statement shall be made available to the person taken into custody. The peace or health officer who makes the application shall provide the officer's name, the agency that employs the officer, and the telephone number or other contact information for purposes of receiving notice under subdivision 3, paragraph (d).

(b) As far as is practicable, a peace officer who provides transportation for a person placed in a facility under this subdivision may not be in uniform and may not use a vehicle visibly marked as a law enforcement vehicle.

APPENDIX
Repealed Minnesota Statutes: S2902-1

(c) A person may be admitted to a treatment facility for emergency care and treatment under this subdivision with the consent of the head of the facility under the following circumstances: (1) a written statement shall only be made by the following individuals who are knowledgeable, trained, and practicing in the diagnosis and treatment of mental illness or developmental disability; the medical officer, or the officer's designee on duty at the facility, including a licensed physician, a licensed physician assistant, or an advanced practice registered nurse who after preliminary examination has determined that the person has symptoms of mental illness or developmental disability and appears to be in danger of harming self or others if not immediately detained; or (2) a written statement is made by the institution program director or the director's designee on duty at the facility after preliminary examination that the person has symptoms of chemical dependency and appears to be in danger of harming self or others if not immediately detained or is intoxicated in public.

Subd. 2b. **Notice.** Every person held pursuant to this section must be informed in writing at the time of admission of the right to leave after 72 hours, to a medical examination within 48 hours, and to request a change to voluntary status. The treatment facility shall, upon request, assist the person in exercising the rights granted in this subdivision.

Subd. 3. **Duration of hold.** (a) Any person held pursuant to this section may be held up to 72 hours, exclusive of Saturdays, Sundays, and legal holidays after admission. If a petition for the commitment of the person is filed in the district court in the county of financial responsibility or of the county in which the treatment facility is located, the court may issue a judicial hold order pursuant to section 253B.07, subdivision 2b.

(b) During the 72-hour hold period, a court may not release a person held under this section unless the court has received a written petition for release and held a summary hearing regarding the release. The petition must include the name of the person being held, the basis for and location of the hold, and a statement as to why the hold is improper. The petition also must include copies of any written documentation under subdivision 1 or 2 in support of the hold, unless the person holding the petitioner refuses to supply the documentation. The hearing must be held as soon as practicable and may be conducted by means of a telephone conference call or similar method by which the participants are able to simultaneously hear each other. If the court decides to release the person, the court shall direct the release and shall issue written findings supporting the decision. The release may not be delayed pending the written order. Before deciding to release the person, the court shall make every reasonable effort to provide notice of the proposed release to:

- (1) any specific individuals identified in a statement under subdivision 1 or 2 or individuals identified in the record who might be endangered if the person was not held;
- (2) the examiner whose written statement was a basis for a hold under subdivision 1; and
- (3) the peace or health officer who applied for a hold under subdivision 2.

(c) If a person is intoxicated in public and held under this section for detoxification, a treatment facility may release the person without providing notice under paragraph (d) as soon as the treatment facility determines the person is no longer a danger to themselves or others. Notice must be provided to the peace officer or health officer who transported the person, or the appropriate law enforcement agency, if the officer or agency requests notification.

(d) Notwithstanding section 144.293, subdivisions 2 and 4, if a treatment facility releases or discharges a person during the 72-hour hold period or if the person leaves the facility without the consent of the treating health care provider, the head of the treatment facility shall immediately notify the agency which employs the peace or health officer who transported the person to the treatment facility under this section.

(e) A person held under a 72-hour emergency hold must be released by the facility within 72 hours unless a court order to hold the person is obtained. A consecutive emergency hold order under this section may not be issued.

Subd. 4. **Change of status.** Any person admitted pursuant to this section shall be changed to voluntary status provided by section 253B.04 upon the person's request in writing and with the consent of the head of the treatment facility.

253B.064 COURT-ORDERED EARLY INTERVENTION; PRELIMINARY PROCEDURES.

Subdivision 1. **General.** (a) An interested person may apply to the designated agency for early intervention of a proposed patient in the county of financial responsibility or the county where the

APPENDIX
Repealed Minnesota Statutes: S2902-1

patient is present. If the designated agency determines that early intervention may be appropriate, a prepetition screening report must be prepared pursuant to section 253B.07, subdivision 1. The county attorney may file a petition for early intervention following the procedures of section 253B.07, subdivision 2.

(b) The proposed patient is entitled to representation by counsel, pursuant to section 253B.07, subdivision 2c. The proposed patient shall be examined by an examiner, and has the right to a second independent examiner, pursuant to section 253B.07, subdivisions 3 and 5.

Subd. 2. **Prehearing examination; failure to appear.** If a proposed patient fails to appear for the examination, the court may:

(1) reschedule the examination; or

(2) deem the failure to appear as a waiver of the proposed patient's right to an examination and consider the failure to appear when deciding the merits of the petition for early intervention.

Subd. 3. **County option.** Nothing in sections 253B.064 to 253B.066 requires a county to use early intervention procedures.

253B.065 COURT-ORDERED EARLY INTERVENTION; HEARING PROCEDURES.

Subdivision 1. **Time for early intervention hearing.** The hearing on the petition for early intervention shall be held within 14 days from the date of the filing of the petition. For good cause shown, the court may extend the time of hearing up to an additional 30 days. When any proposed patient has not had a hearing on a petition filed for early intervention within the allowed time, the proceedings shall be dismissed.

Subd. 2. **Notice of hearing.** The proposed patient, the patient's counsel, the petitioner, the county attorney, and any other persons as the court directs shall be given at least five days' notice that a hearing will be held and at least two days' notice of the time and date of the hearing, except that any person may waive notice. Notice to the proposed patient may be waived by patient's counsel.

Subd. 3. **Failure to appear.** If a proposed patient fails to appear at the hearing, the court may reschedule the hearing within five days and direct a health officer, peace officer, or other person to take the proposed patient to an appropriate treatment facility designated by the court and transport the person to the hearing.

Subd. 4. **Procedures.** The hearing must be conducted pursuant to section 253B.08, subdivisions 3 to 8.

Subd. 5. **Early intervention criteria.** (a) A court shall order early intervention treatment of a proposed patient who meets the criteria under paragraph (b) or (c). The early intervention treatment must be less intrusive than long-term inpatient commitment and must be the least restrictive treatment program available that can meet the patient's treatment needs.

(b) The court shall order early intervention treatment if the court finds all of the elements of the following factors by clear and convincing evidence:

(1) the proposed patient is mentally ill;

(2) the proposed patient refuses to accept appropriate mental health treatment; and

(3) the proposed patient's mental illness is manifested by instances of grossly disturbed behavior or faulty perceptions and either:

(i) the grossly disturbed behavior or faulty perceptions significantly interfere with the proposed patient's ability to care for self and the proposed patient, when competent, would have chosen substantially similar treatment under the same circumstances; or

(ii) due to the mental illness, the proposed patient received court-ordered inpatient treatment under section 253B.09 at least two times in the previous three years; the patient is exhibiting symptoms or behavior substantially similar to those that precipitated one or more of the court-ordered treatments; and the patient is reasonably expected to physically or mentally deteriorate to the point of meeting the criteria for commitment under section 253B.09 unless treated.

For purposes of this paragraph, a proposed patient who was released under section 253B.095 and whose release was not revoked is not considered to have received court-ordered inpatient treatment under section 253B.09.

APPENDIX
Repealed Minnesota Statutes: S2902-1

(c) The court may order early intervention treatment if the court finds by clear and convincing evidence that a pregnant woman is a chemically dependent person. A chemically dependent person for purposes of this section is a woman who has during pregnancy engaged in excessive use, for a nonmedical purpose, of controlled substances or their derivatives, alcohol, or inhalants that will pose a substantial risk of damage to the brain or physical development of the fetus.

(d) For purposes of paragraphs (b) and (c), none of the following constitute a refusal to accept appropriate mental health treatment:

(1) a willingness to take medication but a reasonable disagreement about type or dosage;

(2) a good faith effort to follow a reasonable alternative treatment plan, including treatment as specified in a valid advance directive under chapter 145C or section 253B.03, subdivision 6d;

(3) an inability to obtain access to appropriate treatment because of inadequate health care coverage or an insurer's refusal or delay in providing coverage for the treatment; or

(4) an inability to obtain access to needed mental health services because the provider will only accept patients who are under a court order or because the provider gives persons under a court order a priority over voluntary patients in obtaining treatment and services.

253B.066 COURT-ORDERED EARLY INTERVENTION; DECISION; TREATMENT ALTERNATIVES; DURATION.

Subdivision 1. **Treatment alternatives.** If the court orders early intervention under section 253B.065, subdivision 5, the court may include in its order a variety of treatment alternatives including, but not limited to, day treatment, medication compliance monitoring, assertive community treatment, crisis assessment and stabilization, partial hospitalization, and short-term hospitalization not to exceed 21 days.

If the court orders short-term hospitalization and the proposed patient will not go voluntarily, the court may direct a health officer, peace officer, or other person to take the person into custody and transport the person to the hospital.

Subd. 2. **Findings.** The court shall find the facts specifically and separately state its conclusions of law in its order. Where early intervention is ordered, the findings of fact and conclusions of law shall specifically state the proposed patient's conduct which is a basis for determining that each of the requisites for early intervention is met.

The court shall also determine the nature and extent of the property of the patient and of the persons who are liable for the patient's care.

Subd. 3. **Duration.** The order for early intervention shall not exceed 90 days.

253B.09 DECISION; STANDARD OF PROOF; DURATION.

Subd. 3. **Financial determination.** The court shall determine the nature and extent of the property of the patient and of the persons who are liable for the patient's care. If the patient is committed to a regional treatment center, the court shall send a copy of the commitment order to the commissioner.

253B.12 TREATMENT REPORT; REVIEW; HEARING.

Subd. 2. **Basis for discharge.** If no written report is filed within the required time or if the written statement describes the patient as not in need of further institutional care and treatment, the proceedings shall be terminated by the committing court, and the patient shall be discharged from the treatment facility.

253B.15 PROVISIONAL DISCHARGE; PARTIAL INSTITUTIONALIZATION.
