AN ACT relating to criminal justice; revising provisions governing the crime of burglary; revising provisions governing the crime of vagrancy; authorizing the Advisory Commission on the Administration of Justice to apply for and accept certain money; requiring the Commission to study and report on certain issues; authorizing each county to establish a community court pilot project to provide an alternative to sentencing a person who is charged with certain misdemeanors; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that a person who enters certain structures with the intent to commit grand or petit larceny, assault or battery, any felony or to obtain money by false pretenses is guilty of the crime of burglary. (NRS 205.060) Existing law also provides that a person commits the crime of petit larceny if the person intentionally steals, takes and carries, leads or drives away certain goods or property. (NRS 205.240) **Section 1** of this bill removes the crime of petit larceny from the underlying offenses which constitute burglary if the petit larceny was intended to be committed in a commercial establishment during business hours and the person has not: (1) twice previously been convicted of petit larceny within the previous 7 years; or (2) previously been convicted of a felony.

Existing law prohibits a person from lodging in any building, structure or place without certain permission. (NRS 207.030) **Section 1.5** of this bill further prohibits a person from lodging in such a place if the property is the subject of a notice of default and election to sell or is placed on a registry of vacant, abandoned or foreclosed property, unless the person is the owner, tenant or otherwise entitled to possession of the property.

Existing law establishes the Advisory Commission on the Administration of Justice and directs the Commission, among other duties, to identify and study the elements of this State’s system of criminal justice. (NRS 176.0123, 176.0125) **Section 3** of this bill authorizes the Chair of the Commission to apply for grants and accept grants, bequests, devises, donations and gifts. **Section 8** of this bill requires the Commission to include certain items relating to criminal justice on an agenda for discussion and to issue a report.

Existing law provides that a misdemeanor is punishable by a fine of not more than \$1,000 or imprisonment in the county jail for not more than 6 months, or by both a fine and imprisonment. (NRS 193.150) **Section 10** of this bill authorizes each county to establish a community court pilot project within any of its justice courts located in the county to provide an alternative to sentencing a person who is charged with certain misdemeanors. **Section 11** of this bill requires the community court to evaluate each defendant to determine whether services or treatment is likely to assist the defendant to modify behavior or obtain skills that may prevent the defendant from engaging in further criminal activity. The services or treatment that the community court may order the defendant to receive may include, without limitation, treatment for alcohol or substance abuse, health education, treatment for mental health, family counseling, literacy assistance, job training, housing assistance or any other services or treatment that the community court deems

appropriate. **Section 11** provides that if the defendant successfully completes all conditions imposed by the community court, the sentence to which the defendant agreed upon with the justice court must not be executed or recorded. If the defendant does not successfully complete the conditions imposed, the case will be transferred back to the justice court, and the sentence must be carried out.

2.
