The agency shall file the rule summary and fiscal analysis prepared under section 127.18 of the Revised Code in electronic form along with a proposed rule, amendment, or rescission or proposed rule, amendment, or rescission in revised form that is filed with the secretary of state or the director of the legislative service commission.

The agency shall file the hearing report relating to a proposed rule, amendment, or rescission in electronic form with the secretary of state and the director of the legislative service commission at the same time the agency files the hearing report

with the joint committee on agency rule review. 235

The director of the legislative service commission shall 236
publish in the register of Ohio the full text of the original and 237
each revised version of a proposed rule, amendment, or rescission; 238
the full text of a public notice; the full text of a rule summary 239
and fiscal analysis; and the full text of a hearing report that is 240
filed with the director under this division. 241

(C) When an agency files a proposed rule, amendment, or 242
rescission under division (B) of this section, it also shall file 243
in electronic form with the joint committee on agency rule review 244
the full text of the proposed rule, amendment, or rule to be 245
rescinded in the same form and the public notice required under 246
division (A) of this section. (If in compliance with this division 247
an agency files more than one proposed rule, amendment, or 248
rescission at the same time, and has given a public notice under 249
division (A) of this section that applies to more than one of the 250
proposed rules, amendments, or rescissions, the agency shall file 251
only one notice with the joint committee for all of the proposed 252
rules, amendments, or rescissions to which the notice applies.) 253
The proposed rule, amendment, or rescission is subject to 254
legislative review and invalidation under sections 106.02, 255
106.021, and 106.022 of the Revised Code. If the agency makes a 256
revision in a proposed rule, amendment, or rescission after it is 257
filed with the joint committee, the agency promptly shall file the 258
full text of the proposed rule, amendment, or rescission in its 259
revised form in electronic form with the joint committee. 260

An agency shall file the rule summary and fiscal analysis 261
prepared under section 127.18 of the Revised Code in electronic 262
form along with a proposed rule, amendment, or rescission, and 263
along with a proposed rule, amendment, or rescission in revised 264
form, that is filed under this division. 265

If a proposed rule, amendment, or rescission has an adverse 266

impact on businesses, the agency also shall file the business 267
impact analysis, any recommendations received from the common 268
sense initiative office, and the agency's memorandum of response, 269
if any, in electronic form along with the proposed rule, 270
amendment, or rescission, or along with the proposed rule, 271
amendment, or rescission in revised form, that is filed under this 272
division. 273

The agency shall file the hearing report in electronic form 274
with the joint committee before the joint committee holds its 275
public hearing on the proposed rule, amendment, or rescission. The 276
filing of a hearing report does not constitute a revision of the 277
proposed rule, amendment, or rescission to which the hearing 278
report relates. 279

If the proposed rule, amendment, or rescission requires 280
liability insurance, a bond, or any other financial responsibility 281
instrument as a condition of licensure, the agency shall conduct a 282
diligent search to determine if the liability insurance, bond, or 283
other financial responsibility instrument is readily available in 284
the amounts required as a condition of licensure, and shall 285
certify to the joint committee that the search was conducted. 286

A proposed rule, amendment, or rescission that is subject to 287
legislative review under this division may not be adopted under 288
division (E) of this section or filed in final form under section 289
119.04 of the Revised Code unless the proposed rule, amendment, or 290
rescission has been filed with the joint committee on agency rule 291
review under this division and the time for legislative review of 292
the proposed rule, amendment, or rescission has expired without 293
adoption of a concurrent resolution to invalidate the proposed 294
rule, amendment, or rescission. 295

This division does not apply to: 296

(1) An emergency rule, amendment, or rescission; 297

(2) A proposed rule, amendment, or rescission that must be 298
adopted verbatim by an agency pursuant to federal law or rule, to 299
become effective within sixty days of adoption, in order to 300
continue the operation of a federally reimbursed program in this 301
state, so long as the proposed rule contains both of the 302
following: 303

(a) A statement that it is proposed for the purpose of 304
complying with a federal law or rule; 305

(b) A citation to the federal law or rule that requires 306
verbatim compliance. 307

If a rule or amendment is exempt from legislative review 308
under division (C)(2) of this section, and if the federal law or 309
rule pursuant to which the rule or amendment was adopted expires, 310
is repealed or rescinded, or otherwise terminates, the rule or 311
amendment, or its rescission, is thereafter subject to legislative 312
review under division (C) of this section. 313

(D) On the date and at the time and place designated in the 314
notice, the agency shall conduct a public hearing at which any 315
person affected by the proposed action of the agency may appear 316
and be heard in person, by the person's attorney, or both, may 317
present the person's position, arguments, or contentions, orally 318
or in writing, offer and examine witnesses, and present evidence 319
tending to show that the proposed rule, amendment, or rescission, 320
if adopted or effectuated, will be unreasonable or unlawful. An 321
agency may permit persons affected by the proposed rule, 322
amendment, or rescission to present their positions, arguments, or 323
contentions in writing, not only at the hearing, but also for a 324
reasonable period before, after, or both before and after the 325
hearing. A person who presents a position or arguments or 326
contentions in writing before or after the hearing is not required 327
to appear at the hearing. 328

At the hearing, the testimony shall be recorded. Such record 329
shall be made at the expense of the agency. The agency is required 330
to transcribe a record that is not sight readable only if a person 331
requests transcription of all or part of the record and agrees to 332
reimburse the agency for the costs of the transcription. An agency 333
may require the person to pay in advance all or part of the cost 334
of the transcription. 335

In any hearing under this section the agency may administer 336
oaths or affirmations. 337

The agency shall consider the positions, arguments, or 338
contentions presented at, or before or after, the hearing. The 339
agency shall prepare a hearing summary of the positions, 340
arguments, or contentions, and of the issues raised by the 341
positions, arguments, or contentions. The agency then shall 342
prepare a hearing report explaining, with regard to each issue, 343
how it is reflected in the rule, amendment, or rescission. If an 344
issue is not reflected in the rule, amendment, or rescission, the 345
hearing report shall explain why the issue is not reflected. The 346
agency shall include the hearing summary in the hearing report as 347
an appendix thereto. And, in the hearing report, the agency shall 348
identify the proposed rule, amendment, or rescission to which the 349
hearing report relates. 350

(E) After divisions (A), (B), (C), and (D) of this section 351
have been complied with, and when the time for legislative review 352
under sections 106.02, 106.022, and 106.023 of the Revised Code 353
has expired without adoption of a concurrent resolution to 354
invalidate the proposed rule, amendment, or rescission, the agency 355
may issue an order adopting the proposed rule or the proposed 356
amendment or rescission of the rule, consistent with the synopsis 357
or general statement included in the public notice. At that time 358
the agency shall designate the effective date of the rule, 359
amendment, or rescission, which shall not be earlier than the 360

tenth day after the rule, amendment, or rescission has been filed 361
in its final form as provided in section 119.04 of the Revised 362
Code. 363

(F) Prior to the effective date of a rule, amendment, or 364
rescission, the agency shall make a reasonable effort to inform 365
those affected by the rule, amendment, or rescission and to have 366
available for distribution to those requesting it the full text of 367
the rule as adopted or as amended. 368

(G) If the governor, upon the request of an agency, 369
determines that an emergency requires the immediate adoption, 370
amendment, or rescission of a rule, the governor shall issue an 371
order, the text of which shall be filed in electronic form with 372
the agency, the secretary of state, the director of the 373
legislative service commission, and the joint committee on agency 374
rule review, that the procedure prescribed by this section with 375
respect to the adoption, amendment, or rescission of a specified 376
rule is suspended. The agency may then adopt immediately the 377
emergency rule, amendment, or rescission and it becomes effective 378
on the date the rule, amendment, or rescission, in final form and 379
in compliance with division (A)(2) of section 119.04 of the 380
Revised Code, is filed in electronic form with the secretary of 381
state, the director of the legislative service commission, and the 382
joint committee on agency rule review. The director shall publish 383
the full text of the emergency rule, amendment, or rescission in 384
the register of Ohio. 385

The emergency rule, amendment, or rescission shall become 386
invalid at the end of the one hundred twentieth day it is in 387
effect. Prior to that date the agency may adopt the emergency 388
rule, amendment, or rescission as a nonemergency rule, amendment, 389
or rescission by complying with the procedure prescribed by this 390
section for the adoption, amendment, and rescission of 391
nonemergency rules. The agency shall not use the procedure of this 392

division to readopt the emergency rule, amendment, or rescission 393
so that, upon the emergency rule, amendment, or rescission 394
becoming invalid under this division, the emergency rule, 395
amendment, or rescission will continue in effect without 396
interruption for another one_hundred_twenty-day period, except 397
when section 106.02 of the Revised Code prevents the agency from 398
adopting the emergency rule, amendment, or rescission as a 399
nonemergency rule, amendment, or rescission within the 400
one_hundred_twenty-day period. 401

This division does not apply to the adoption of any emergency 402
rule, amendment, or rescission by the tax commissioner under 403
division (C)(2) of section 5117.02 of the Revised Code. 404

(H) Rules adopted by an authority within the department of 405
job and family services for the administration or enforcement of 406
Chapter 4141. of the Revised Code or of the department of taxation 407
shall be effective without a hearing as provided by this section 408
if the statutes pertaining to such agency specifically give a 409
right of appeal to the board of tax appeals or to a higher 410
authority within the agency or to a court, and also give the 411
appellant a right to a hearing on such appeal. This division does 412
not apply to the adoption of any rule, amendment, or rescission by 413
the tax commissioner under division (C)(1) or (2) of section 414
5117.02 of the Revised Code, or deny the right to file an action 415
for declaratory judgment as provided in Chapter 2721. of the 416
Revised Code from the decision of the board of tax appeals or of 417
the higher authority within such agency. 418

Sec. 121.82. In the course of developing a draft rule that is 419
intended to be proposed under division (D) of section 111.15 or 420
division (C) of section 119.03 of the Revised Code, an agency 421
shall: 422

(A) Evaluate the draft rule against the business impact 423

analysis instrument. If, based on that evaluation, the draft rule 424
will not have an adverse impact on businesses, the agency may 425
proceed with the rule-filing process. If the evaluation determines 426
that the draft rule will have an adverse impact on businesses, the 427
agency shall incorporate features into the draft rule that will 428
eliminate or adequately reduce any adverse impact the draft rule 429
might have on businesses; 430

(B) Prepare a business impact analysis that describes its 431
evaluation of the draft rule against the business impact analysis 432
instrument, that identifies any features that were incorporated 433
into the draft rule as a result of the evaluation, and that 434
explains how those features, if there were any, eliminate or 435
adequately reduce any adverse impact the draft rule might have on 436
businesses; 437

(C) Transmit a copy of the full text of the draft rule and 438
the business impact analysis electronically to the common sense 439
initiative office, which information shall be made available to 440
the public on the office's web site in accordance with section 441
107.62 of the Revised Code; 442

(D) Consider any recommendations made by the common sense 443
initiative office with regard to the draft rule, and either 444
incorporate into the draft rule features the recommendations 445
suggest will eliminate or reduce any adverse impact the draft rule 446
might have on businesses or document, in writing, the reasons 447
those recommendations are not being incorporated into the draft 448
rule; and 449

(E) Prepare a memorandum of response identifying features 450
suggested by any recommendations that were incorporated into the 451
draft rule and features suggested by any recommendations that were 452
not incorporated into the draft rule, explaining how the features 453
that were incorporated into the draft rule eliminate or reduce any 454
adverse impact the draft rule might have on businesses, and 455

explaining why the features that were not incorporated into the 456
draft rule were not incorporated. 457

If the draft rule requires liability insurance, a bond, or 458
any other financial responsibility instrument as a condition of 459
licensure, the agency shall conduct a diligent search to determine 460
if the liability insurance, bond, or other financial 461
responsibility instrument is readily available in the amounts 462
required as a condition of licensure, and, when the agency 463
transmits the draft rule to the common sense initiative office, 464
shall certify to the office that the search was conducted. 465

An agency may not file a proposed rule for legislative review 466
under division (D) of section 111.15 or division (C) of section 467
119.03 of the Revised Code earlier than the sixteenth business day 468
after electronically transmitting the draft rule to the common 469
sense initiative office. 470

Sec. 122.14. There is hereby created in the state treasury 471
the roadwork development fund. The fund shall consist of the 472
investment earnings of the security deposit fund created by 473
section 4509.27 of the Revised Code and revenue transferred to it 474
by the director of budget and management from the highway 475
operating fund created in section ~~5735.291~~ 5735.051 of the Revised 476
Code. The fund shall be used by the development services agency in 477
accordance with Section 5a of Article XII, Ohio Constitution, to 478
make road improvements associated with retaining or attracting 479
business for this state, including the construction, 480
reconstruction, maintenance, or repair of public roads that 481
provide access to a public airport or are located within a public 482
airport. All investment earnings of the fund shall be credited to 483
the fund. 484

portion of the highway operating fund as is determined by the 499
director of budget and management and the director of 500
transportation to be restricted by Section 5a of Article XII, Ohio 501
Constitution. 502

When determining the availability of money in the total 503
operating fund to pay claims chargeable to a fund contained within 504
the total operating fund, the director of budget and management 505
shall use the same procedures and criteria the director employs in 506
determining the availability of money in a fund contained within 507
the total operating fund. The director may establish limits on the 508
negative cash balance of the general revenue fund within the total 509
operating fund, but in no case shall the negative cash balance of 510
the general revenue fund exceed ten per cent of the total revenue 511
of the general revenue fund in the preceding fiscal year. 512

Sec. 127.14. The controlling board may, at the request of any 513
state agency or the director of budget and management, authorize, 514
with respect to the provisions of any appropriation act: 515
516

(G) Transfer or release of all or part of an appropriation to 561
a state agency requiring controlling board approval of such 562

transferred funds for the specified purposes, the state agency or 586
the director of budget and management shall submit a report on the 587
expenditure of such funds to the board. The portion of any 588
appropriation so transferred which is not required to accomplish 589
the purposes designated in the original request to the controlling 590
board shall be returned to the proper appropriation of the 591
controlling board at this time. 592

Notwithstanding any provisions of law providing for the 593
deposit of revenues received by a state agency to the credit of a 594
particular fund in the state treasury, whenever there is a 595
temporary transfer of funds included in the emergency purposes 596
appropriation of the controlling board pursuant to division (H) of 597
this section, revenues received by any state agency receiving such 598
a temporary transfer of funds shall, as directed by the 599

(b) The financial assistance for the project has been 614
properly approved and requested by the district committee of the 615
district which includes the recipient of the loan or grant; 616

(c) The amount of the financial assistance, when added to all 617

allocation of money from the state capital improvements fund for 620
that fiscal year; 621

(d) The district committee has provided such documentation 622
and other evidence as the director may require that the district 623

(e) The portion of a district's annual allocation which the 626
director approves in the form of loans and local debt support and 627

divisions (E) and (F) of this section. 629

(2) Authorize payments to local subdivisions or their 630
contractors for costs incurred for capital improvement projects 631
which have been approved pursuant to this chapter. All requests 632
for payments shall be submitted to the director on forms and in 633
accordance with procedures specified in rules adopted by the 634
director pursuant to division (A)(4) of this section. 635

(3) Retain the services of or employ financial consultants, 636
engineers, accountants, attorneys, and such other employees as the 637
director determines are necessary to carry out the director's 638
duties under this chapter and fix the compensation for their 639
services. From among these employees, the director shall appoint a 640
deputy with the necessary qualifications to act as the director 641

when the director is absent or temporarily unable to carry out the 642
duties of office. 643

(4) Adopt rules establishing the procedures for making 644
applications, reviewing, approving, and rejecting projects for 645

rules shall be adopted under Chapter 119. of the Revised Code. 648

(5) Provide information and other assistance to local 649
subdivisions and district public works integrating committees in 650
developing their requests for financial assistance for capital 651
improvements under this chapter and encourage cooperation and 652
coordination of requests and the development of multisubdivision 653
and multidistrict projects in order to maximize the benefits that 654
may be derived by districts from each year's allocation; 655

(6) Require local subdivisions, to the extent practicable, to 656
use Ohio products, materials, services, and labor in connection 657
with any capital improvement project financed in whole or in part 658
under this chapter; 659

(7) Notify the director of budget and management of all 660
approved projects, and supply all information necessary to track 661
approved projects through the state accounting system; 662

(8) Appoint the administrator of the Ohio small government 663

(9) Do all other acts, enter into contracts, and execute all 665
instruments necessary or appropriate to carry out this chapter; 666

(10) Develop a standardized methodology for evaluating local 667

public works integrating committee to consider, when addressing a 669
subdivision's project application, the subdivision's existing 670
capital improvements, the condition of those improvements, and the 671
subdivision's projected capital improvement needs in that 672

five-year period following the application date. 673

(11) Establish a program to provide local subdivisions with 674
technical assistance in preparing project applications. The 675
program shall be designed to assist local subdivisions that lack 676
the financial or technical resources to prepare project 677
applications on their own. 678

(B) When the director of the Ohio public works commission 679
decides to conditionally approve or disapprove projects, the 680
director's decisions and the reasons for which they are made shall 681
be made in writing. These written decisions shall be conclusive 682
for the purposes of the validity and enforceability of such 683
determinations. 684

(C) Fees, charges, rates of interest, times of payment of 685
interest and principal, and other terms, conditions, and 686
provisions of and security for financial assistance provided 687
pursuant to the provisions of this chapter shall be such as the 688
director determines to be appropriate. If any payments required by 689
a loan agreement entered into pursuant to this chapter are not 690
paid, the funds which would otherwise be apportioned to the local 691
subdivision from the county undivided local government fund, 692
pursuant to sections 5747.51 to 5747.53 of the Revised Code, may, 693
at the direction of the director of the Ohio public works 694
commission, be reduced by the amount payable. The county treasurer 695
shall, at the direction of the director, pay the amount of such 696
reductions to the state capital improvements revolving loan fund. 697
The director may renegotiate a loan repayment schedule with a 698

the suspension issues an order terminating the forfeiture. 1220
However, for a motor vehicle leased in the name of a person named 1221
in a declaration of forfeiture, the registrar shall not implement 1222
the preceding sentence until the registrar adopts procedures for 1223
that implementation under section 4503.39 of the Revised Code. 1224
Upon receipt by the registrar of such an order, the registrar also 1225
shall take the measures necessary to permit the person to register 1226

electronic signature in accordance with rules adopted by the 3455
registrar. Except as provided in division (J) of this section, 3456
applications for registration shall be made on blanks furnished by 3457
the registrar for that purpose, containing the following 3458
information: 3459

registration is the municipal corporation in which that place is 3472
located or, if not located in any municipal corporation, the 3473

owner resides at the time of making the application. 3477

(4) Whether the motor vehicle is a new or used motor vehicle; 3478

(5) The date of purchase of the motor vehicle; 3479

registration year, have been paid. Each application for 3483
registration shall be signed by the owner, either manually or by 3484
electronic signature, or pursuant to obtaining a limited power of 3485
attorney authorized by the registrar for registration, or other 3486
document authorizing such signature. If the owner elects to apply 3487
for or renew the motor vehicle registration with the registrar by 3488

name, the applicant shall present for inspection a physical 3500
certificate of title or memorandum certificate showing title to 3501
the motor vehicle to be registered in the name of the applicant if 3502

a physical certificate of title or memorandum certificate has been 3503
issued by a clerk of a court of common pleas. If, under sections 3504
4505.021, 4505.06, and 4505.08 of the Revised Code, a clerk 3505
instead has issued an electronic certificate of title for the 3506
applicant's motor vehicle, that certificate may be presented for 3507
inspection at the time of first registration in a manner 3508
prescribed by rules adopted by the registrar. An applicant is not 3509
required to present a certificate of title to an electronic motor 3510
vehicle dealer acting as a limited authority deputy registrar in 3511
accordance with rules adopted by the registrar. When a motor 3512
vehicle inspection and maintenance program is in effect under 3513
section 3704.14 of the Revised Code and rules adopted under it, 3514
each application for registration for a vehicle required to be 3515
inspected under that section and those rules shall be accompanied 3516
by an inspection certificate for the motor vehicle issued in 3517
accordance with that section. The application shall be refused if 3518
any of the following applies: 3519

division (D) of section 2935.27, division (A) of section 2937.221, 3522
division (A) of section 4503.13, division (B) of section 4510.22, 3523

(3) A certificate of title or memorandum certificate of title 3525
is required but does not accompany the application or, in the case 3526
of an electronic certificate of title, is required but is not 3527
presented in a manner prescribed by the registrar's rules. 3528

(4) All registration and transfer fees for the motor vehicle, 3529
for the preceding year or the preceding period of the current 3530
registration year, have not been paid. 3531

(5) The owner or lessee does not have an inspection 3532
certificate for the motor vehicle as provided in section 3704.14 3533

of the Revised Code, and rules adopted under it, if that section 3534
is applicable. 3535

This section does not require the payment of license or 3536
registration taxes on a motor vehicle for any preceding year, or 3537
for any preceding period of a year, if the motor vehicle was not 3538
taxable for that preceding year or period under sections 4503.02, 3539
4503.04, 4503.11, 4503.12, and 4503.16 or Chapter 4504. of the 3540
Revised Code. When a certificate of registration is issued upon 3541
the first registration of a motor vehicle by or on behalf of the 3542
owner, the official issuing the certificate shall indicate the 3543
issuance with a stamp on the certificate of title or memorandum 3544
certificate or, in the case of an electronic certificate of title, 3545
an electronic stamp or other notation as specified in rules 3546
adopted by the registrar, and with a stamp on the inspection 3547
certificate for the motor vehicle, if any. The official also shall 3548
indicate, by a stamp or by other means the registrar prescribes, 3549
on the registration certificate issued upon the first registration 3550
of a motor vehicle by or on behalf of the owner the odometer 3551
reading of the motor vehicle as shown in the odometer statement 3552
included in or attached to the certificate of title. Upon each 3553
subsequent registration of the motor vehicle by or on behalf of 3554
the same owner, the official also shall so indicate the odometer 3555
reading of the motor vehicle as shown on the immediately preceding 3556
certificate of registration. 3557

The registrar shall include in the permanent registration 3558
record of any vehicle required to be inspected under section 3559
3704.14 of the Revised Code the inspection certificate number from 3560
the inspection certificate that is presented at the time of 3561
registration of the vehicle as required under this division. 3562

~~(C)(1) Except as otherwise provided in division (C)(1) of 3563
this section, for each registration renewal with an expiration 3564
date on or after October 1, 2003, and for each initial application 3565~~

~~for registration received on and after that date, the The~~ 3566
registrar and each deputy registrar shall collect an additional 3567
fee of eleven dollars for each application for registration and 3568
registration renewal received. ~~For, except for~~ vehicles specified 3569
in divisions (A)~~(1) to (21)~~ and (B) of section ~~4503.042~~ 4503.65 of 3570
the Revised Code, ~~commencing with each registration renewal with~~ 3571
~~an expiration date on or after October 1, 2009, and for each~~ 3572
~~initial application received on or after that date, the registrar~~ 3573
~~and deputy registrar shall collect an additional fee of thirty~~ 3574
~~dollars for each application for registration and registration~~ 3575
~~renewal received.~~ The additional fee is for the purpose of 3576
defraying the department of public safety's costs associated with 3577
the administration and enforcement of the motor vehicle and 3578
traffic laws of Ohio. Each deputy registrar shall transmit the 3579
fees collected under division (C)(1) of this section in the time 3580
and manner provided in this section. The registrar shall deposit 3581
all moneys received under division (C)(1) of this section into the 3582
~~state highway safety~~ public safety - highway purposes fund 3583
established in section 4501.06 of the Revised Code. 3584

(2) In addition, a charge of twenty-five cents shall be made 3585
for each reflectorized safety license plate issued, and a single 3586
charge of twenty-five cents shall be made for each county 3587
identification sticker or each set of county identification 3588
stickers issued, as the case may be, to cover the cost of 3589
producing the license plates and stickers, including material, 3590
manufacturing, and administrative costs. Those fees shall be in 3591
addition to the license tax. If the total cost of producing the 3592
plates is less than twenty-five cents per plate, or if the total 3593
cost of producing the stickers is less than twenty-five cents per 3594
sticker or per set issued, any excess moneys accruing from the 3595
fees shall be distributed in the same manner as provided by 3596
section 4501.04 of the Revised Code for the distribution of 3597
license tax moneys. If the total cost of producing the plates 3598

exceeds twenty-five cents per plate, or if the total cost of 3599
producing the stickers exceeds twenty-five cents per sticker or 3600
per set issued, the difference shall be paid from the license tax 3601
moneys collected pursuant to section 4503.02 of the Revised Code. 3602

(D) Each deputy registrar shall be allowed a fee ~~of three~~ 3603
~~dollars and fifty cents~~ equal to the amount established under 3604
section 4503.038 of the Revised Code for each application for 3605
registration and registration renewal notice the deputy registrar 3606
receives, which shall be for the purpose of compensating the 3607
deputy registrar for the deputy registrar's services, and such 3608
office and rental expenses, as may be necessary for the proper 3609
discharge of the deputy registrar's duties in the receiving of 3610
applications and renewal notices and the issuing of registrations. 3611

(E) Upon the certification of the registrar, the county 3612
sheriff or local police officials shall recover license plates 3613
erroneously or fraudulently issued. 3614

(F) Each deputy registrar, upon receipt of any application 3615
for registration or registration renewal notice, together with the 3616
license fee and any local motor vehicle license tax levied 3617
pursuant to Chapter 4504. of the Revised Code, shall transmit that 3618
fee and tax, if any, in the manner provided in this section, 3619
together with the original and duplicate copy of the application, 3620

director of public safety, may deposit the funds collected by 3622
those deputies in a local bank or depository to the credit of the 3623
"state of Ohio, bureau of motor vehicles." Where a local bank or 3624
depository has been designated by the registrar, each deputy 3625
registrar shall deposit all moneys collected by the deputy 3626
registrar into that bank or depository not more than one business 3627
day after their collection and shall make reports to the registrar 3628
of the amounts so deposited, together with any other information, 3629
some of which may be prescribed by the treasurer of state, as the 3630

registrar may require and as prescribed by the registrar by rule. 3631
The registrar, within three days after receipt of notification of 3632
the deposit of funds by a deputy registrar in a local bank or 3633
depository, shall draw on that account in favor of the treasurer 3634
of state. The registrar, subject to the approval of the director 3635
and the treasurer of state, may make reasonable rules necessary 3636
for the prompt transmittal of fees and for safeguarding the 3637
interests of the state and of counties, townships, municipal 3638
corporations, and transportation improvement districts levying 3639
local motor vehicle license taxes. The registrar may pay service 3640
charges usually collected by banks and depositories for such 3641
service. If deputy registrars are located in communities where 3642
banking facilities are not available, they shall transmit the fees 3643
forthwith, by money order or otherwise, as the registrar, by rule 3644
approved by the director and the treasurer of state, may 3645
prescribe. The registrar may pay the usual and customary fees for 3646
such service. 3647

(G) This section does not prevent any person from making an 3648
application for a motor vehicle license directly to the registrar 3649
by mail, by electronic means, or in person at any of the 3650
registrar's offices, upon payment of a service fee ~~of three~~ 3651
~~dollars and fifty cents~~ equal to the amount established under 3652
section 4503.038 of the Revised Code for each application. 3653

(H) No person shall make a false statement as to the district 3654
of registration in an application required by division (A) of this 3655
section. Violation of this division is falsification under section 3656
2921.13 of the Revised Code and punishable as specified in that 3657
section. 3658

(I)(1) Where applicable, the requirements of division (B) of 3659
this section relating to the presentation of an inspection 3660
certificate issued under section 3704.14 of the Revised Code and 3661
rules adopted under it for a motor vehicle, the refusal of a 3662

license for failure to present an inspection certificate, and the 3663
stamping of the inspection certificate by the official issuing the 3664
certificate of registration apply to the registration of and 3665
issuance of license plates for a motor vehicle under sections 3666
4503.102, 4503.12, 4503.14, 4503.15, 4503.16, 4503.171, 4503.172, 3667
4503.19, 4503.40, 4503.41, 4503.42, 4503.43, 4503.44, 4503.46, 3668
4503.47, and 4503.51 of the Revised Code. 3669

(2)(a) The registrar shall adopt rules ensuring that each 3670
owner registering a motor vehicle in a county where a motor 3671
vehicle inspection and maintenance program is in effect under 3672
section 3704.14 of the Revised Code and rules adopted under it 3673
receives information about the requirements established in that 3674
section and those rules and about the need in those counties to 3675
present an inspection certificate with an application for 3676
registration or preregistration. 3677

(b) Upon request, the registrar shall provide the director of 3678
environmental protection, or any person that has been awarded a 3679
contract under section 3704.14 of the Revised Code, an on-line 3680
computer data link to registration information for all passenger 3681
cars, noncommercial motor vehicles, and commercial cars that are 3682
subject to that section. The registrar also shall provide to the 3683
director of environmental protection a magnetic data tape 3684
containing registration information regarding passenger cars, 3685
noncommercial motor vehicles, and commercial cars for which a 3686
multi-year registration is in effect under section 4503.103 of the 3687
Revised Code or rules adopted under it, including, without 3688
limitation, the date of issuance of the multi-year registration, 3689
the registration deadline established under rules adopted under 3690
section 4503.101 of the Revised Code that was applicable in the 3691
year in which the multi-year registration was issued, and the 3692
registration deadline for renewal of the multi-year registration. 3693

(J) Subject to division (K) of this section, application for 3694

registration under the international registration plan, as set 3695
forth in sections 4503.60 to 4503.66 of the Revised Code, shall be 3696
made to the registrar on forms furnished by the registrar. In 3697
accordance with international registration plan guidelines and 3698
pursuant to rules adopted by the registrar, the forms shall 3699
include the following: 3700

(1) A uniform mileage schedule; 3701

(2) The gross vehicle weight of the vehicle or combined gross 3702
vehicle weight of the combination vehicle as declared by the 3703
registrant; 3704

(3) Any other information the registrar requires by rule. 3705

(K) The registrar shall determine the feasibility of 3706
implementing an electronic commercial fleet licensing and 3707
management program that will enable the owners of commercial 3708
tractors, commercial trailers, and commercial semitrailers to 3709
conduct electronic transactions by July 1, 2010, or sooner. If the 3710
registrar determines that implementing such a program is feasible, 3711
the registrar shall adopt new rules under this division or amend 3712
existing rules adopted under this division as necessary in order 3713
to respond to advances in technology. 3714

If international registration plan guidelines and provisions 3715
allow member jurisdictions to permit applications for 3716
registrations under the international registration plan to be made 3717
via the internet, the rules the registrar adopts under this 3718
division shall permit such action. 3719

Sec. 4503.101. (A) The registrar of motor vehicles shall 3720
adopt rules to establish a system of motor vehicle registration 3721
based upon the type of vehicle to be registered, the type of 3722
ownership of the vehicle, the class of license plate to be issued, 3723
and any other factor the registrar determines to be relevant. 3724

Except for commercial cars, buses, trailers, and semitrailers 3725
taxed under section ~~4503.042~~ 4503.65 of the Revised Code; except 3726
for rental vehicles owned by motor vehicle renting dealers; and 3727
except as otherwise provided by rule, motor vehicles owned by an 3728
individual shall be registered based upon the motor vehicle 3729
owner's date of birth. Beginning with the 2004 registration year, 3730
the registrar shall assign motor vehicles to the registration 3731
periods established by rules adopted under this section. 3732

(B) The registrar shall adopt rules to permit motor vehicle 3733
owners residing together at one address to select the date of 3734
birth of any one of the owners as the date to register any or all 3735
of the vehicles at that residence address, as shown in the records 3736
of the bureau of motor vehicles. 3737

(C) The registrar shall adopt rules to assign and reassign 3738
all commercial cars, trailers, and semitrailers registered in this 3739
state and taxed under section ~~4503.042~~ 4503.65 of the Revised Code 3740
and all rental vehicles owned by motor vehicle renting dealers to 3741
a system of registration so that the registrations of 3742
approximately one-twelfth of all such vehicles expire on the last 3743
day of each month of a calendar year. ~~To effect a reassignment~~ 3744
~~from the registration period in effect on June 30, 2003, to the~~ 3745
~~new registration periods established by the rules adopted under~~ 3746
~~this section as amended, the rules may require the motor vehicle~~ 3747
~~to be registered for more or less than a twelve month period at~~ 3748
~~the time the motor vehicle's registration is subject to its~~ 3749
~~initial renewal following the effective date of such rules. If~~ 3750
~~necessary to effect an efficient transition, the rules may provide~~ 3751
~~that the registration reassignments take place over two~~ 3752
~~consecutive registration periods. The registration taxes to be~~ 3753
~~charged shall be determined by the registrar on the basis of the~~ 3754
~~annual tax otherwise due on the motor vehicle, prorated in~~ 3755
~~accordance with the number of months for which the motor vehicle~~ 3756

~~is registered, except that the fee established by division (C)(1) 3757
of section 4503.10 of the Revised Code shall be collected in full 3758
for each renewal that occurs during the transition period and 3759
shall not be prorated. 3760~~

(D) The registrar shall adopt rules to permit any commercial 3761
motor vehicle owner or motor vehicle renting dealer who owns two 3762
or more motor vehicles to request the registrar to permit the 3763
owner to separate the owner's fleet into up to four divisions for 3764
assignment to separate dates upon which to register the vehicles, 3765
provided that the registrar may disapprove any such request 3766
whenever the registrar has reason to believe that an uneven 3767
distribution of registrations throughout the calendar year has 3768
developed or is likely to develop. 3769

(E) Every owner or lessee of a motor vehicle holding a 3770
certificate of registration shall notify the registrar of any 3771
change of the owner's or lessee's correct address within ten days 3772
after the change occurs. The notification shall be in writing on a 3773
form provided by the registrar or by electronic means approved by 3774

section 3704.14 of the Revised Code, if that section is 3858

motor vehicle owner from the responsibility to renew the 3867
registration for the motor vehicle. Any person who has a motor 3868
vehicle registered in this state and who does not receive a 3869
renewal notice as provided in division (B) of this section prior 3870

registration renewal application to the registrar by electronic 3883

means and the registrar is prohibited from accepting the 3884

notify the owner of this fact and deny the application and return 3886
the payment or give a credit on the financial transaction device 3887

(2) The rules adopted under division (H)(1) of this section 3918
shall require a deputy registrar to accept payments by means of a 3919

deputy registrar location. 3929

The bureau and deputy registrars are not required to pay any 3930
costs that result from accepting payment by means of a financial 3931
transaction device. A deputy registrar may charge a person who 3932
tenders payment for a department transaction by means of a 3933
financial transaction device any cost the deputy registrar incurs 3934
from accepting payment by the financial transaction device, but 3935
the deputy registrar shall not require the person to pay any 3936
additional fee of any kind in connection with the use by the 3937

transaction device, including credit cards and debit cards, for 3943
all department transactions conducted at the office of the county 3944

for the convenience or service provided. Any fee or fees 3956
established under this division are in addition to any other 3957
vehicle registration fee or tax required by law. 3958

(J) For persons who reside in counties where tailpipe 3959
emissions inspections are required under the motor vehicle 3960
inspection and maintenance program, the notice required by 3961
division (B) of this section shall also include the toll-free 3962

all annual taxes and fees shall be paid for each year for which 3983
the person is registering, provided that the annual taxes due, 3984
regardless of the number of years for which the person is 3985
registering, shall not exceed two hundred dollars. A person who 3986
registers a vehicle under division (A)(2) of this section shall 3987
pay for each year of registration the additional fee established 3988

(1) If a statutory merger or consolidation results in the 4112
transfer of ownership of a motor vehicle from a constituent 4113
corporation to the surviving corporation, or if the incorporation 4114
of a proprietorship or partnership results in the transfer of 4115
ownership of a motor vehicle from the proprietorship or 4116
partnership to the corporation, the registration shall be 4117
continued upon the filing by the surviving or new corporation, 4118
within thirty days of such transfer, of an application for an 4119
amended certificate of registration. Upon a proper filing, the 4120
registrar of motor vehicles shall issue an amended certificate of 4121
registration in the name of the new owner. 4122

(2) If the death of the owner of a motor vehicle results in 4123
the transfer of ownership of the motor vehicle to the surviving 4124
spouse of the owner or if a motor vehicle is owned by two persons 4125
under joint ownership with right of survivorship established under 4126
section 2131.12 of the Revised Code and one of those persons dies, 4127
the registration shall be continued upon the filing by the 4128
survivor of an application for an amended certificate of 4129

application shall be accompanied by a copy of the certificate of 4133
title that specifies that the vehicle is owned under joint 4134

ownership with right of survivorship. Upon a proper filing, the registrar shall issue an amended certificate of registration in the name of the survivor.

The application shall be accompanied by a copy of the certificate of title that specifies that the owner of the motor vehicle has designated the motor vehicle in beneficiary form under section 2131.13 of the Revised Code. The transfer of the registration and, where applicable, the license plates from the motor vehicle for which they originally were issued to a succeeding motor vehicle purchased by the same person in whose name the original registration and license plates were issued shall be done within a period not to exceed thirty days. During that thirty-day period, the license plates from the motor vehicle for which they originally were issued may be displayed on the succeeding motor vehicle, and the succeeding motor vehicle may be operated on the public roads and highways in this state.

At the time of application for transfer, the registrar shall compute and collect the amount of tax due on the succeeding motor

vehicle, based upon the amount that would be due on a new 4167
registration as of the date on which the transfer is made less a 4168
credit for the unused portion of the original registration 4169
beginning on that date. If the credit exceeds the amount of tax 4170
due on the new registration, no refund shall be made. In computing 4171
the amount of tax due and credits to be allowed under this 4172
division, the provisions of division (B)(1)(a) and (b) of section 4173
4503.11 of the Revised Code shall apply. As to passenger cars, 4174
noncommercial vehicles, motor homes, and motorcycles, transfers 4175
within or between these classes of motor vehicles only shall be 4176
allowed. If the succeeding motor vehicle is of a different class 4177
than the motor vehicle for which the registration originally was 4178
issued, new license plates also shall be issued upon the surrender 4179
of the license plates originally issued and payment of the fees 4180
provided in divisions (C) and (D) of section 4503.10 of the 4181
Revised Code. 4182

(5) The owner of a commercial car having a gross vehicle 4183
weight or combined gross vehicle weight of more than ten thousand 4184
pounds may transfer the registration of that commercial car to 4185
another commercial car the owner owns without transferring 4186
ownership of the first commercial car. At any time during the 4187
remainder of the registration period for which the first 4188
commercial car was registered, the owner may file an application 4189
for the transfer of the registration and, where applicable, the 4190
license plates, accompanied by the certificate of registration of 4191
the first commercial car. The amount of any tax due or credit to 4192

in this state until after the transfer of registration is 4198

completed in accordance with this division. 4199

a person who owns or leases a motor vehicle may transfer special 4201
license plates assigned to that vehicle to any other vehicle that 4202
the person owns or leases or that is owned or leased by the 4203
person's spouse. As appropriate, the application also shall be 4204
accompanied by a power of attorney for the registration of a 4205
leased vehicle and a written statement releasing the special 4206
plates to the applicant. Upon a proper filing, the registrar or 4207
deputy registrar shall assign the special license plates to the 4208
motor vehicle owned or leased by the applicant and issue a new 4209
certificate of registration for that motor vehicle. 4210

(7) If a corporation transfers the ownership of a motor 4211
vehicle to an affiliated corporation, the affiliated corporation 4212
may apply to the registrar for the transfer of the registration 4213
and any license plates. The registrar may require the applicant to 4214
submit documentation of the corporate relationship and shall 4215
determine whether the application for registration transfer is 4216
made in good faith and not for the purposes of circumventing the 4217
provisions of this chapter. Upon a proper filing, the registrar 4218

fund shall be paid out to the law enforcement agency to reimburse 4650
the agency for the costs it incurs in obtaining immobilization 4651
equipment and, if required, in sending an officer or other person 4652
to search for and locate the vehicle specified in the 4653
immobilization order and to immobilize the vehicle. 4654

In addition to the immobilization fee required to be paid 4655
under division (A)(3) of this section, the offender may be charged 4656
expenses or charges incurred in the removal and storage of the 4657
immobilized vehicle. 4658

(B) If a court issues an immobilization order under division 4659
(A)(1) of this section, the person or agency designated by the 4660
court to execute the immobilization order promptly shall 4661
immobilize or continue the immobilization of the vehicle at the 4662
place specified by the court in the order. The registrar shall not 4663
authorize the release of the vehicle or authorize the issuance of 4664
new identification license plates for the vehicle at the end of 4665
the immobilization period until the immobilization fee has been 4666
paid. 4667

(C) Upon receipt of the license plates for a vehicle under 4668
this section, the registrar shall destroy the license plates. At 4669
the end of the immobilization period and upon the payment of the 4670
immobilization fee that must be paid under this section, the 4671
registrar shall authorize the release of the vehicle and authorize 4672
the issuance, upon the payment of the same fee as is required for 4673
the replacement of lost, mutilated, or destroyed license plates 4674
and certificates of registration, of new license plates and, if 4675
necessary, a new certificate of registration to the offender for 4676
the vehicle in question. 4677

(D)(1) If a court issues an immobilization order under 4678
division (A) of this section, the immobilization period commences 4679
on the day on which the vehicle in question is immobilized. If the 4680
vehicle in question had been seized under section 4510.41 or 4681
4511.195 of the Revised Code, the time between the seizure and the 4682
beginning of the immobilization period shall be credited against 4683
the immobilization period specified in the immobilization order 4684
issued under division (A) of this section. No vehicle that is 4685
immobilized under this section is eligible to have restricted 4686
license plates under section 4503.231 of the Revised Code issued 4687
for that vehicle. 4688

(2) If a court issues an immobilization order under division 4689
(A) of this section, if the vehicle subject to the order is 4690
immobilized under the order, and if the vehicle is found being 4691
operated upon any street or highway of this state during the 4692
immobilization period, it shall be seized, removed from the street 4693
or highway, and criminally forfeited, and disposed of pursuant to 4694
section 4503.234 of the Revised Code. No vehicle that is forfeited 4695
under this provision shall be considered contraband for purposes 4696
of Chapter 2981. of the Revised Code, but shall be held by the law 4697
enforcement agency that employs the officer who seized it for 4698
disposal in accordance with section 4503.234 of the Revised Code. 4699

(3) If a court issues an immobilization order under division 4700
(A) of this section, and if the vehicle is not claimed within 4701
seven days after the end of the period of immobilization or if the 4702
offender has not paid the immobilization fee, the person or agency 4703
that immobilized the vehicle shall send a written notice to the 4704
offender at the offender's last known address informing the 4705
offender of the date on which the period of immobilization ended, 4706
that the offender has twenty days after the date of the notice to 4707
pay the immobilization fee and obtain the release of the vehicle, 4708
and that if the offender does not pay the fee and obtain the 4709
release of the vehicle within that twenty-day period, the vehicle 4710
will be forfeited under section 4503.234 of the Revised Code to 4711
the entity that is entitled to the immobilization fee. 4712

(4) An offender whose motor vehicle is subject to an 4713
immobilization order issued under division (A) of this section 4714
shall not sell the motor vehicle without approval of the court 4715
that issued the order. If such an offender wishes to sell the 4716
motor vehicle during the immobilization period, the offender shall 4717
apply to the court that issued the immobilization order for 4718
permission to assign the title to the vehicle. If the court is 4719
satisfied that the sale will be in good faith and not for the 4720
purpose of circumventing the provisions of division (A)(1) of this 4721
section, it may certify its consent to the offender and to the 4722
registrar. Upon receipt of the court's consent, the registrar 4723
shall enter the court's notice in the offender's vehicle license 4724
plate registration record. 4725

If, during a period of immobilization under an immobilization 4726
order issued under division (A) of this section, the title to the 4727
immobilized motor vehicle is transferred by the foreclosure of a 4728
chattel mortgage, a sale upon execution, the cancellation of a 4729
conditional sales contract, or an order of a court, the involved 4730
court shall notify the registrar of the action, and the registrar 4731

shall enter the court's notice in the offender's vehicle license 4732
plate registration record. 4733

Nothing in this section shall be construed as requiring the 4734
registrar or the clerk of the court of common pleas to note upon 4735
the certificate of title records any prohibition regarding the 4736
sale of a motor vehicle. 4737

(5) If the title to a motor vehicle that is subject to an 4738
immobilization order under division (A) of this section is 4739
assigned or transferred without court approval between the time of 4740
arrest of the offender who committed the offense for which such an 4741
order is to be issued and the time of the actual immobilization of 4742
the vehicle, the court shall order that, for a period of two years 4743
from the date of the order, neither the registrar nor any deputy 4744
registrar shall accept an application for the registration of any 4745
motor vehicle in the name of the offender whose vehicle was 4746
assigned or transferred without court approval. The court shall 4747
notify the registrar of the order on a form prescribed by the 4748
registrar for that purpose. 4749

(6) If the title to a motor vehicle that is subject to an 4750
immobilization order under division (A) of this section is 4751
assigned or transferred without court approval in violation of 4752
division (D)(4) of this section, then, in addition to or 4753
independent of any other penalty established by law, the court may 4754
fine the offender the value of the vehicle as determined by 4755
publications of the national auto dealers association. The 4756
proceeds from any fine so imposed shall be distributed in the same 4757
manner as the proceeds of the sale of a forfeited vehicle are 4758
distributed pursuant to division (C)(2) of section 4503.234 of the 4759
Revised Code. 4760

(E)(1) The court with jurisdiction over the case, after 4761
notice to all interested parties including lienholders, and after 4762
an opportunity for them to be heard, if the offender fails to 4763

appear in person, without good cause, or if the court finds that 4764
the offender does not intend to seek release of the vehicle at the 4765
end of the period of immobilization or that the offender is not or 4766
will not be able to pay the expenses and charges incurred in its 4767
removal and storage, may order that title to the vehicle be 4768
transferred, in order of priority, first into the name of the 4769
entity entitled to the immobilization fee under division (A)(5) of 4770
this section, next into the name of a lienholder, or lastly, into 4771
the name of the owner of the place of storage. 4772

A lienholder that receives title under a court order shall do 4773
so on the condition that it pay any expenses or charges incurred 4774
in the vehicle's removal and storage. If the entity that receives 4775
title to the vehicle is the entity that is entitled to the 4776
immobilization fee under division (A)(5) of this section, it shall 4777
receive title on the condition that it pay any lien on the 4778
vehicle. The court shall not order that title be transferred to 4779
any person or entity other than the owner of the place of storage 4780
if the person or entity refuses to receive the title. Any person 4781
or entity that receives title may either keep title to the vehicle 4782
or may dispose of the vehicle in any legal manner that it 4783
considers appropriate, including assignment of the certificate of 4784
title to the motor vehicle to a salvage dealer or a scrap metal 4785
processing facility. The person or entity shall not transfer the 4786
vehicle to the person who is the vehicle's immediate previous 4787
owner. 4788

If the person or entity assigns the motor vehicle to a 4789
salvage dealer or scrap metal processing facility, the person or 4790
entity shall send the assigned certificate of title to the motor 4791
vehicle to the clerk of the court of common pleas of the county in 4792
which the salvage dealer or scrap metal processing facility is 4793
located. The person or entity shall mark the face of the 4794
certificate of title with the words "FOR DESTRUCTION" and shall 4795

deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(2) Whenever a court issues an order under division (E)(1) of this section, the court also shall order removal of the license plates from the vehicle and cause them to be sent to the registrar if they have not already been sent to the registrar. Thereafter, no further proceedings shall take place under this section, but the offender remains liable for payment of the immobilization fee described in division (A)(3) of this section if an immobilization order previously had been issued by the court.

(3) Prior to initiating a proceeding under division (E)(1) of this section, and upon payment of the fee under division (B) of section 4505.14 of the Revised Code, any interested party may cause a search to be made of the public records of the bureau of motor vehicles or the clerk of the court of common pleas, to ascertain the identity of any lienholder of the vehicle. The initiating party shall furnish this information to the clerk of the court with jurisdiction over the case, and the clerk shall provide notice to the vehicle owner, the defendant, any lienholder, and any other interested parties listed by the initiating party, at the last known address supplied by the initiating party, by certified mail or, at the option of the initiating party, by personal service or ordinary mail.

As used in this section, "interested party" includes the offender, all lienholders, the owner of the place of storage, the person or entity that caused the vehicle to be removed, and the person or entity, if any, entitled to the immobilization fee under division (A)(5) of this section.

revoked, but in no case shall such a placard be valid for a period 5328
of less than sixty days. The registrar shall provide the 5329
application form and shall determine the information to be 5330

included on it, provided that the registrar shall not require a 5331

of title also shall be accompanied by that certificate of title 11035
duly assigned, unless otherwise provided in this chapter. If a 11036
certificate of title previously has not been issued for the motor 11037

application for a certificate of title is filed electronically by 11061
an electronic motor vehicle dealer on behalf of the purchaser of a 11062
motor vehicle, the clerk shall retain the completed electronic 11063
record to which the dealer converted the certificate of title 11064
application and other required documents. The registrar, after 11065
consultation with the attorney general, shall adopt rules that 11066
govern the location at which, and the manner in which, are stored 11067
the actual application and all other documents relating to the 11068

the registrar shall ~~enable~~ arrange for a service that enables all 11072

~~registrar and not through a third party~~ from the computer systems 11076
of the dealers to the clerk. 11077

The clerk shall use reasonable diligence in ascertaining 11078
whether or not the facts in the application for a certificate of 11079
title are true by checking the application and documents 11080
accompanying it or the electronic record to which a dealer 11081
converted the application and accompanying documents with the 11082
records of motor vehicles in the clerk's office. If the clerk is 11083
satisfied that the applicant is the owner of the motor vehicle and 11084
that the application is in the proper form, the clerk, within five 11085
business days after the application is filed and except as 11086
provided in section 4505.021 of the Revised Code, shall issue a 11087

sealed with the clerk's seal, unless the applicant specifically 11089
requests the clerk not to issue a physical certificate of title 11090
and instead to issue an electronic certificate of title. For 11091
purposes of the transfer of a certificate of title, if the clerk 11092
is satisfied that the secured party has duly discharged a lien 11093

notation but has not canceled the lien notation with a clerk, the 11094

completed, within five business days after the application for 11109
title is filed with the clerk. If the buyer of the motor vehicle 11110
previously leased the motor vehicle and is buying the motor 11111
vehicle at the end of the lease pursuant to that lease, the 11112
certificate of title shall be obtained in the name of the buyer by 11113
the motor vehicle leasing dealer who previously leased the motor 11114
vehicle to the buyer or by the motor vehicle leasing dealer who 11115
subleased the motor vehicle to the buyer under a sublease 11116
agreement. 11117

In all other cases, except as provided in section 4505.032 11118
and division (D)(2) of section 4505.11 of the Revised Code, such 11119

certificate, or certificate of title issued in the name of the 11146
dealer or leasing dealer, for the motor vehicle and, from then on, 11147

for certificate of title shall be filed within thirty days after 11152
the assignment or delivery of the motor vehicle. 11153

(c) An application for a certificate of title for a new 11154
manufactured home shall be filed within thirty days after the 11155

the appropriate legal authority. 11159

(d) An application for a certificate of title for a used 11160
manufactured home or a used mobile home shall be filed as follows: 11161

(i) If a certificate of title for the used manufactured home 11162
or used mobile home was issued to the motor vehicle dealer prior 11163
to the sale of the manufactured or mobile home to the purchaser, 11164
the application for certificate of title shall be filed within 11165
thirty days after the date on which an occupancy permit for the 11166

transferred by the secured party to the motor vehicle dealer, and 11173
the dealer has complied with the requirements of division (A) of 11174
section 4505.181 of the Revised Code, the application for 11175
certificate of title shall be filed within thirty days after the 11176
date on which the motor vehicle dealer obtains the certificate of 11177
title for the home from the secured party or the date on which an 11178
occupancy permit for the manufactured or mobile home is delivered 11179
to the purchaser by the appropriate legal authority, whichever 11180
occurs later. 11181

(6) If an application for a certificate of title is not filed 11182
within the period specified in division (A)(5)(b), (c), or (d) of 11183
this section, the clerk shall collect a fee of five dollars for 11184
the issuance of the certificate, except that no such fee shall be 11185
required from a motor vehicle salvage dealer, as defined in 11186
division (A) of section 4738.01 of the Revised Code, who 11187
immediately surrenders the certificate of title for cancellation. 11188
The fee shall be in addition to all other fees established by this 11189

chapter, and shall be retained by the clerk. The registrar shall 11190
provide, on the certificate of title form prescribed by section 11191
4505.07 of the Revised Code, language necessary to give evidence 11192
of the date on which the assignment or delivery of the motor 11193
vehicle was made. 11194

(7) As used in division (A) of this section, "lease 11195
agreement," "lessee," and "sublease agreement" have the same 11196
meanings as in section 4505.04 of the Revised Code and "new 11197
manufactured home," "used manufactured home," and "used mobile 11198
home" have the same meanings as in section 5739.0210 of the 11199

(B)(1) The clerk, except as provided in this section, shall 11201
refuse to accept for filing any application for a certificate of 11202
title and shall refuse to issue a certificate of title unless the 11203
dealer or the applicant, in cases in which the certificate shall 11204
be obtained by the buyer, submits with the application payment of 11205
the tax levied by or pursuant to Chapters 5739. and 5741. of the 11206
Revised Code based on the purchaser's county of residence. Upon 11207
payment of the tax in accordance with division (E) of this 11208
section, the clerk shall issue a receipt prescribed by the 11209
registrar and agreed upon by the tax commissioner showing payment 11210
of the tax or a receipt issued by the commissioner showing the 11211
payment of the tax. When submitting payment of the tax to the 11212
clerk, a dealer shall retain any discount to which the dealer is 11213
entitled under section 5739.12 of the Revised Code. 11214

(2) For receiving and disbursing such taxes paid to the clerk 11215
by a resident of the clerk's county, the clerk may retain a 11216
poundage fee of one and one one-hundredth per cent, and the clerk 11217
shall pay the poundage fee into the certificate of title 11218
administration fund created by section 325.33 of the Revised Code. 11219
The clerk shall not retain a poundage fee from payments of taxes 11220
by persons who do not reside in the clerk's county. 11221

A clerk, however, may retain from the taxes paid to the clerk 11222
an amount equal to the poundage fees associated with certificates 11223
of title issued by other clerks of courts of common pleas to 11224
applicants who reside in the first clerk's county. The registrar, 11225
in consultation with the tax commissioner and the clerks of the 11226
courts of common pleas, shall develop a report from the automated 11227
title processing system that informs each clerk of the amount of 11228
the poundage fees that the clerk is permitted to retain from those 11229
taxes because of certificates of title issued by the clerks of 11230
other counties to applicants who reside in the first clerk's 11231
county. 11232

(3) In the case of casual sales of motor vehicles, as defined 11233
in section 4517.01 of the Revised Code, the price for the purpose 11234
of determining the tax shall be the purchase price on the assigned 11235
certificate of title executed by the seller and filed with the 11236
clerk by the buyer on a form to be prescribed by the registrar, 11237
which shall be prima-facie evidence of the amount for the 11238
determination of the tax. 11239

(4) Each county clerk shall forward to the treasurer of state 11240
all sales and use tax collections resulting from sales of motor 11241
vehicles, off-highway motorcycles, and all-purpose vehicles during 11242
a calendar week on or before the Friday following the close of 11243
that week. If, on any Friday, the offices of the clerk of courts 11244
or the state are not open for business, the tax shall be forwarded 11245
to the treasurer of state on or before the next day on which the 11246
offices are open. Every remittance of tax under division (B)(4) of 11247
this section shall be accompanied by a remittance report in such 11248
form as the tax commissioner prescribes. Upon receipt of a tax 11249
remittance and remittance report, the treasurer of state shall 11250
date stamp the report and forward it to the tax commissioner. If 11251
the tax due for any week is not remitted by a clerk of courts as 11252
required under division (B)(4) of this section, the commissioner 11253

may require the clerk to forfeit the poundage fees for the sales 11254
made during that week. The treasurer of state may require the 11255
clerks of courts to transmit tax collections and remittance 11256
reports electronically. 11257

(C)(1) If the transferor indicates on the certificate of 11258
title that the odometer reflects mileage in excess of the designed 11259
mechanical limit of the odometer, the clerk shall enter the phrase 11260
"exceeds mechanical limits" following the mileage designation. If 11261
the transferor indicates on the certificate of title that the 11262
odometer reading is not the actual mileage, the clerk shall enter 11263
the phrase "nonactual: warning - odometer discrepancy" following 11264
the mileage designation. The clerk shall use reasonable care in 11265
transferring the information supplied by the transferor, but is 11266
not liable for any errors or omissions of the clerk or those of 11267
the clerk's deputies in the performance of the clerk's duties 11268
created by this chapter. 11269

The registrar shall prescribe an affidavit in which the 11270
transferor shall swear to the true selling price and, except as 11271
provided in this division, the true odometer reading of the motor 11272
vehicle. The registrar may prescribe an affidavit in which the 11273
seller and buyer provide information pertaining to the odometer 11274
reading of the motor vehicle in addition to that required by this 11275
section, as such information may be required by the United States 11276
secretary of transportation by rule prescribed under authority of 11277
subchapter IV of the "Motor Vehicle Information and Cost Savings 11278
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 11279

(2) Division (C)(1) of this section does not require the 11280
giving of information concerning the odometer and odometer reading 11281
of a motor vehicle when ownership of a motor vehicle is being 11282
transferred as a result of a bequest, under the laws of intestate 11283
succession, to a survivor pursuant to section 2106.18, 2131.12, or 11284
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 11285

beneficiaries pursuant to section 2131.13 of the Revised Code, in 11286
connection with the creation of a security interest or for a 11287
vehicle with a gross vehicle weight rating of more than sixteen 11288
thousand pounds. 11289

(D) When the transfer to the applicant was made in some other 11290
state or in interstate commerce, the clerk, except as provided in 11291
this section, shall refuse to issue any certificate of title 11292
unless the tax imposed by or pursuant to Chapter 5741. of the 11293
Revised Code based on the purchaser's county of residence has been 11294
paid as evidenced by a receipt issued by the tax commissioner, or 11295
unless the applicant submits with the application payment of the 11296
tax. Upon payment of the tax in accordance with division (E) of 11297
this section, the clerk shall issue a receipt prescribed by the 11298
registrar and agreed upon by the tax commissioner, showing payment 11299
of the tax. 11300

For receiving and disbursing such taxes paid to the clerk by 11301
a resident of the clerk's county, the clerk may retain a poundage 11302
fee of one and one one-hundredth per cent. The clerk shall not 11303
retain a poundage fee from payments of taxes by persons who do not 11304
reside in the clerk's county. 11305

A clerk, however, may retain from the taxes paid to the clerk 11306
an amount equal to the poundage fees associated with certificates 11307
of title issued by other clerks of courts of common pleas to 11308
applicants who reside in the first clerk's county. The registrar, 11309
in consultation with the tax commissioner and the clerks of the 11310
courts of common pleas, shall develop a report from the automated 11311
title processing system that informs each clerk of the amount of 11312
the poundage fees that the clerk is permitted to retain from those 11313
taxes because of certificates of title issued by the clerks of 11314
other counties to applicants who reside in the first clerk's 11315
county. 11316

When the vendor is not regularly engaged in the business of 11317

selling motor vehicles, the vendor shall not be required to 11318
purchase a vendor's license or make reports concerning those 11319
sales. 11320

(E) The clerk shall accept any payment of a tax in cash, or 11321
by cashier's check, certified check, draft, money order, or teller 11322
check issued by any insured financial institution payable to the 11323
clerk and submitted with an application for a certificate of title 11324
under division (B) or (D) of this section. The clerk also may 11325
accept payment of the tax by corporate, business, or personal 11326
check, credit card, electronic transfer or wire transfer, debit 11327
card, or any other accepted form of payment made payable to the 11328
clerk. The clerk may require bonds, guarantees, or letters of 11329
credit to ensure the collection of corporate, business, or 11330
personal checks. Any service fee charged by a third party to a 11331
clerk for the use of any form of payment may be paid by the clerk 11332
from the certificate of title administration fund created in 11333
section 325.33 of the Revised Code, or may be assessed by the 11334
clerk upon the applicant as an additional fee. Upon collection, 11335
the additional fees shall be paid by the clerk into that 11336
certificate of title administration fund. 11337

The clerk shall make a good faith effort to collect any 11338
payment of taxes due but not made because the payment was returned 11339
or dishonored, but the clerk is not personally liable for the 11340
payment of uncollected taxes or uncollected fees. The clerk shall 11341
notify the tax commissioner of any such payment of taxes that is 11342
due but not made and shall furnish the information to the 11343
commissioner that the commissioner requires. The clerk shall 11344
deduct the amount of taxes due but not paid from the clerk's 11345
periodic remittance of tax payments, in accordance with procedures 11346
agreed upon by the tax commissioner. The commissioner may collect 11347
taxes due by assessment in the manner provided in section 5739.13 11348
of the Revised Code. 11349

Any person who presents payment that is returned or 11350
dishonored for any reason is liable to the clerk for payment of a 11351
penalty over and above the amount of the taxes due. The clerk 11352
shall determine the amount of the penalty, and the penalty shall 11353
be no greater than that amount necessary to compensate the clerk 11354
for banking charges, legal fees, or other expenses incurred by the 11355
clerk in collecting the returned or dishonored payment. The 11356
remedies and procedures provided in this section are in addition 11357
to any other available civil or criminal remedies. Subsequently 11358
collected penalties, poundage fees, and title fees, less any title 11359
fee due the state, from returned or dishonored payments collected 11360
by the clerk shall be paid into the certificate of title 11361
administration fund. Subsequently collected taxes, less poundage 11362
fees, shall be sent by the clerk to the treasurer of state at the 11363
next scheduled periodic remittance of tax payments, with 11364
information as the commissioner may require. The clerk may abate 11365
all or any part of any penalty assessed under this division. 11366

(F) In the following cases, the clerk shall accept for filing 11367
an application and shall issue a certificate of title without 11368
requiring payment or evidence of payment of the tax: 11369

(d) Send written notification to every person to whom the 13023

by the order, within ten days after the issuance of the order, may 13033
request an administrative hearing before the registrar, who shall 13034
provide the person with an opportunity for a hearing in accordance 13035
with this paragraph. A request for a hearing does not operate as a 13036

the cost of the hearing before the registrar, if the registrar's 13047
order of suspension or impoundment is upheld. 13048

(C) Any order of suspension or impoundment issued under this 13049
section or division (B) of section 4509.37 of the Revised Code may 13050

showing of proof of financial responsibility that the operator or 13052
owner of the motor vehicle was in compliance with division (A)(1) 13053
of this section at the time of the traffic offense, motor vehicle 13054
inspection, or accident that resulted in the order against the 13055
person. A determination may be made without a hearing. This 13056
division does not apply unless the person shows good cause for the 13057
person's failure to present satisfactory proof of financial 13058
responsibility to the registrar prior to the issuance of the 13059
order. 13060

(D)(1) For the purpose of enforcing this section, every peace 13061

circumstances as failure to respond to a financial responsibility 13080
random verification. 13081

(2) A peace officer shall request the owner or operator of a 13082
motor vehicle to produce proof of financial responsibility in a 13083
manner described in division (G) of this section at the time the 13084

whether the person receiving the traffic ticket produced proof of 13089
the maintenance of financial responsibility in response to the 13090
officer's request under division (D)(2) of this section. The peace 13091
officer shall inform every person who receives a traffic ticket 13092
and who has failed to produce proof of the maintenance of 13093
financial responsibility that the person must submit proof to the 13094
traffic violations bureau with any payment of a fine and costs for 13095

the ticketed violation or, if the person is to appear in court for 13096
the violation, the person must submit proof to the court. 13097

(4)(a) If a person who has failed to produce proof of the 13098
maintenance of financial responsibility appears in court for a 13099
ticketed violation, the court may permit the defendant to present 13100
evidence of proof of financial responsibility to the court at such 13101
time and in such manner as the court determines to be necessary or 13102
appropriate. In a manner prescribed by the registrar, the clerk of 13103
courts shall provide the registrar with the identity of any person 13104
who fails to submit proof of the maintenance of financial 13105
responsibility pursuant to division (D)(3) of this section. 13106

(b) If a person who has failed to produce proof of the 13107
maintenance of financial responsibility also fails to submit that 13108
proof to the traffic violations bureau with payment of a fine and 13109
costs for the ticketed violation, the traffic violations bureau, 13110
in a manner prescribed by the registrar, shall notify the 13111
registrar of the identity of that person. 13112

(5)(a) Upon receiving notice from a clerk of courts or 13113
traffic violations bureau pursuant to division (D)(4) of this 13114
section, the registrar shall order the suspension of the license 13115
of the person required under division (A)(2)(a), (b), or (c) of 13116
this section and the impoundment of the person's certificate of 13117
registration and license plates required under division (A)(2)(d) 13118
of this section, effective thirty days after the date of the 13119
mailing of notification. The registrar also shall notify the 13120
person that the person must present the registrar with proof of 13121
financial responsibility in accordance with this section, 13122
surrender to the registrar the person's certificate of 13123
registration, license plates, and license, or submit a statement 13124
subject to section 2921.13 of the Revised Code that the person did 13125
not operate or permit the operation of the motor vehicle at the 13126
time of the offense. Notification shall be in writing and shall be 13127

sent to the person at the person's last known address as shown on 13128
the records of the bureau of motor vehicles. The person, within 13129
fifteen days after the date of the mailing of notification, shall 13130
present proof of financial responsibility, surrender the 13131
certificate of registration, license plates, and license to the 13132
registrar in a manner set forth in division (A)(4) of this 13133

not surrender the certificate of registration, license plates, and 13137
license, in accordance with this division, the registrar shall 13138
permit the order for the suspension of the license of the person 13139
and the impoundment of the person's certificate of registration 13140
and license plates to take effect. 13141

(b) In the case of a person who presents, within the 13142
fifteen-day period, proof of financial responsibility, the 13143
registrar shall terminate the order of suspension and the 13144

registrar under division (D)(5)(a) or (b) of this section, within 13150
ten days after the issuance of the order, may request an 13151
administrative hearing before the registrar, who shall provide the 13152
person with an opportunity for a hearing in accordance with this 13153
paragraph. A request for a hearing does not operate as a 13154
suspension of the order. The scope of the hearing shall be limited 13155
to whether, at the time of the hearing, the person presents proof 13156
of financial responsibility covering the vehicle and whether the 13157
person is eligible for an exemption in accordance with this 13158

designate as the place of hearing the county seat of the county in 13164
which the person resides or a place within fifty miles of the 13165
person's residence. Such person shall pay the cost of the hearing 13166
before the registrar, if the registrar's order of suspension or 13167
impoundment under division (D)(5)(a) or (b) of this section is 13168

officer's request under division (D)(2) of this section, if a 13174
check of the owner or operator's driving record indicates that the 13175
owner or operator, at the time of the operation of the motor 13176
vehicle, is required to file and maintain proof of financial 13177
responsibility under section 4509.45 of the Revised Code for a 13178

peace officer, or political subdivision or governmental agency 13184

to pay a judgment for injuries or damages resulting from such 13286
operation, the registrar, notwithstanding any previous contrary 13287
finding, shall forthwith suspend the operating privileges and 13288
registration rights of the person against whom the judgment was 13289
rendered as provided in division (A)(2) of this section. 13290

(H) In order for any document or display of text or images on 13291

the name of the insurer or surety company, and the effective and 13296
expiration dates of the financial responsibility, and designate by 13297

(I) For purposes of this section, "owner" does not include a 13301
licensed motor vehicle leasing dealer as defined in section 13302
4517.01 of the Revised Code, but does include a motor vehicle 13303
renting dealer as defined in section 4549.65 of the Revised Code. 13304
Nothing in this section or in section 4509.51 of the Revised Code 13305
shall be construed to prohibit a motor vehicle renting dealer from 13306
entering into a contractual agreement with a person whereby the 13307
person renting the motor vehicle agrees to be solely responsible 13308
for maintaining proof of financial responsibility, in accordance 13309
with this section, with respect to the operation, maintenance, or 13310
use of the motor vehicle during the period of the motor vehicle's 13311
rental. 13312

(J) The purpose of this section is to require the maintenance 13313
of proof of financial responsibility with respect to the operation 13314
of motor vehicles on the highways of this state, so as to minimize 13315

those situations in which persons are not compensated for injuries 13316
and damages sustained in motor vehicle accidents. The general 13317
assembly finds that this section contains reasonable civil 13318
penalties and procedures for achieving this purpose. 13319

(K) Nothing in this section shall be construed to be subject 13320
to section 4509.78 of the Revised Code. 13321

(L)(1) The registrar may terminate any suspension imposed 13322
under this section and not require the owner to comply with 13323
divisions (A)(5)(a), (b), and (c) of this section if the registrar 13324
with or without a hearing determines that the owner of the vehicle 13325

responsibility. 13329

(b) Proof of financial responsibility was not in effect for 13330
the vehicle on the date in question for one of the following 13331
reasons: 13332

(i) The vehicle was inoperable. 13333

(ii) The vehicle is operated only seasonally, and the date in 13334
question was outside the season of operation. 13335

(iii) A person other than the vehicle owner or driver was at 13336
fault for the lapse of proof of financial responsibility through 13337
no fault of the owner or driver. 13338

(iv) The lapse of proof of financial responsibility was 13339
caused by excusable neglect under circumstances that are not 13340
likely to recur and do not suggest a purpose to evade the 13341
requirements of this chapter. 13342

(2) The registrar may grant an owner or driver relief for a 13343
reason specified in division (L)(1)(b)(i) or (ii) of this section 13344
whenever the owner or driver is randomly selected to verify the 13345

existence of proof of financial responsibility for such a vehicle. 13346
However, the registrar may grant an owner or driver relief for a 13347
reason specified in division (L)(1)(b)(iii) or (iv) of this 13348
section only if the owner or driver has not previously been 13349
granted relief under division (L)(1)(b)(iii) or (iv) of this 13350
section. 13351

(M) The registrar shall adopt rules in accordance with 13352
Chapter 119. of the Revised Code that are necessary to administer 13353
and enforce this section. The rules shall include procedures for 13354
the surrender of license plates upon failure to maintain proof of 13355
financial responsibility and provisions relating to reinstatement 13356
of registration rights, acceptable forms of proof of financial 13357
responsibility, the use of an electronic wireless communications 13358
device to present proof of financial responsibility, and 13359
verification of the existence of financial responsibility during 13360
the period of registration. 13361

(N)(1) When a person utilizes an electronic wireless 13362
communications device to present proof of financial 13363
responsibility, only the evidence of financial responsibility 13364
displayed on the device shall be viewed by the registrar, peace 13365
officer, employee or official of the traffic violations bureau, or 13366
the court. No other content of the device shall be viewed for 13367
purposes of obtaining proof of financial responsibility. 13368

(2) When a person provides an electronic wireless 13369
communications device to the registrar, a peace officer, an 13370
employee or official of a traffic violations bureau, or the court, 13371
the person assumes the risk of any resulting damage to the device 13372
unless the registrar, peace officer, employee, or official, or 13373
court personnel purposely, knowingly, or recklessly commits an 13374
action that results in damage to the device. 13375

Sec. 4509.81. (A) Upon receipt of a notification of violation 13376

The notification shall be in writing and sent to the owner at the owner's last known address as shown in the records of the bureau of motor vehicles. Proceedings under this section are deemed special, summary statutory proceedings.

(B) The order of suspension and impoundment of a registration shall state the date on or before which the owner of the chauffeured limousine involved is required to surrender the certificate of registration and registration plates to the registrar. The owner shall be deemed to have surrendered the certificate of registration and registration plates if the owner causes the items to be delivered to the registrar on or before the date specified in the order or mails the items to the registrar in an envelope or container bearing a postmark showing a date no later than the date specified in the order.

(C) The registrar shall not restore any registration rights suspended under this section, return any certificate of registration or registration plates impounded under this section,

(D) Any owner adversely affected by the order of the registrar under this section may, within ten days after the issuance of the order, request an administrative hearing before the registrar, who shall provide the owner with an opportunity for a hearing in accordance with this division. A request for a hearing does not operate as a suspension of the order unless the owner establishes to the satisfaction of the registrar that the operation of the owner's chauffeured limousine will be covered by proof of financial responsibility during the pendency of the appeal. The scope of the hearing shall be limited to whether the owner in fact demonstrated to the registrar proof of financial responsibility in accordance with section 4509.80 of the Revised Code. The registrar shall determine the date, time, and place of any hearing, provided that the hearing shall be held and an order issued or findings made within thirty days after the registrar

the cost of the hearing before the registrar, if the registrar's 13445
order of suspension or impoundment is upheld. 13446

(E) Any order of suspension or impoundment issued under this 13447
section may be terminated at any time if the registrar determines 13448

of the limousine was in compliance with section 4509.80 of the 13450

be necessary to ensure that neither the registrar nor any deputy 13936
registrar accepts any application for the registration or transfer 13937

named in the declaration of forfeiture. However, for a motor 13939
vehicle leased by a person named in a declaration of forfeiture, 13940

forfeiture be terminated. Upon receipt by the registrar of an 13946
order terminating the forfeiture, the registrar also shall take 13947
any measures that may be necessary to permit the person to 13948
register a motor vehicle owned or leased by the person or to 13949
transfer the registration of such a motor vehicle, if the person 13950
later makes application to take such action and otherwise is 13951
eligible to register the motor vehicle or to transfer its 13952
registration. 13953

The registrar shall not be required to give effect to any 13954
declaration of forfeiture or order terminating a forfeiture 13955
provided by a court under this section unless the information 13956
contained in the declaration or order is transmitted to the 13957
registrar by means of an electronic transfer system. The registrar 13958
shall not restore the person's driving or vehicle registration 13959

in this section. 13961

The period of denial relating to the issuance or transfer of 13962
a certificate of registration for a motor vehicle imposed pursuant 13963
to this division remains in effect until the person pays any fine 13964
imposed by the court relative to the offense. 13965

(F)(1) Subject to division (F)(2) of this section, the 14990
failure of a person to wear all of the available elements of a 14991
properly adjusted occupant restraining device in violation of 14992
division (B)(1) or (3) of this section or the failure of a person 14993

being operated by that person is wearing all of the available 14995
elements of a properly adjusted occupant restraining device in 14996
violation of division (B)(2) of this section shall not be 14997
considered or used by the trier of fact in a tort action as 14998

could have been recovered but for the plaintiff's failure to wear 15005

restraining device. Evidence of that failure shall not be used as 15007
a basis for a criminal prosecution of the person other than a 15008

admissible as evidence in a criminal action involving the person 15010
other than a prosecution for a violation of this section. 15011

available occupant restraining device, was not wearing all of the 15015
available elements of such a device, or was not wearing such a 15016

device as properly adjusted, then, consistent with the Rules of Evidence, the fact that the occupant was not wearing the available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted is admissible in evidence in relation to any claim for relief in a tort action to the extent that the claim for relief satisfies all of the following:

(b) The defendant in question is the manufacturer, designer, distributor, or seller of the passenger car.

(c) The claim for relief against the defendant in question is that the injury or death sustained by the occupant was enhanced or aggravated by some design defect in the passenger car or that the passenger car was not crashworthy.

(2) Whoever violates division (B)(3) of this section shall be fined twenty dollars.

the amount billed by the towing service, or storage facility, the 15070
complaint shall include the amount of the bill that is undisputed 15071
and the reasons the insurance company objects to the remainder of 15072
the bill. The insurance company shall file, along with the 15073
complaint, a copy of the bill and any evidence supporting the 15074
assertion that the billed amount is unreasonable. If the insurance 15075

a representative of the insurance company that filed the 15084
complaint. If the towing service or storage facility fails to 15085
release the vehicle as required under this division, the court may 15086

amount charged by the towing service or storage facility is 15093
unreasonable. If the court determines that the amount is 15094
reasonable, the court shall order the insurance company to pay the 15095
amount billed minus the undisputed amount that the insurance 15096
company paid to the towing service or storage facility under 15097
division (B) of this section if a payment was made under that 15098
division. If the court determines that the amount charged was 15099
unreasonable, the court shall determine a reasonable amount and 15100
order the insurance company to pay that amount minus the 15101
undisputed amount that the insurance company paid to the towing 15102
service or storage facility under division (B) of this section if 15103
a payment was made under that division. The court also may require 15104

registration. 15345

Each deputy registrar, upon receipt of any application for 15346
registration, together with the registration fee, shall transmit 15347
the fee, together with the original and duplicate copy of the 15348

registrar of the cancellation. Upon the cancellation of a 15365
certificate of title in the manner prescribed by this division, 15366
the clerk and the registrar may cancel and destroy all 15367

shall be identified as such, upon application and the payment of a 15393
fee of one dollar. 15394

(E) The registrar and each deputy registrar may collect and 15395

business address of a regional water and sewer district shall be 16365
forwarded to the director once each year during any year in which 16366
the board wishes the notification to be given. The notice required 16367
by this division may be given by the most economical means 16368
considered to be effective. If after seven days following mailing 16369
or other issuance of the director's notice, no county, municipal 16370
corporation, township, regional water and sewer district, 16371
educational service center, or school district has notified the 16372

materials to counties, municipal corporations, school districts, 16386
or other political subdivisions without advertising for bids and 16387
upon mutually agreed upon terms. The director may transfer the 16388
structure or structural materials to a nonprofit corporation upon 16389
being furnished a copy of a contract between the nonprofit 16390
corporation and a county, municipal corporation, or other 16391
political subdivision to which the structure is to be moved 16392
pursuant to which the nonprofit corporation must make the 16393
structure or structural materials available for rent or sale 16394
within a period of three months after becoming available for 16395
occupancy to an individual or family which has been displaced by 16396
governmental action or which occupies substandard housing as 16397
certified by such political subdivision, without advertising for 16398
bids. Any such transfers shall be for such consideration as shall 16399
be determined by the director to be fair and reasonable, and shall 16400
be upon such terms and specifications with respect to performance 16401
and indemnity as shall be determined necessary by the director. 16402

When, in carrying out an improvement that replaces any 16403
structure or structural materials, it is advantageous to dispose 16404

of the structure or structural materials by providing in the 16405
contract for the improvement that the structure or structural 16406
materials, or any part thereof, shall become the property of the 16407
contractor, the director may so proceed. 16408

proceedings of such sale shall be conducted in the same manner as 16413
provided for sales by the director. The director may establish a 16414
minimum price for any item to be sold and may establish any other 16415
terms, conditions, and manner for the sale of a particular item, 16416
which may be on any basis the director determines to be most 16417
advantageous to the department. The director may reject any offer 16418
or bid for an item. The director may remove any item from a sale 16419
if it develops that a public authority has a use for the item. In 16420
any notice of a sale, the director shall include a brief 16421
description of the item to be sold, the terms and conditions of 16422
the sale, and a statement of the time, place, and manner of the 16423
sale. 16424

less than ten days, on the official web site of the department. If 16428

ten days before the sale, the director also shall publish one 16431
notice of the sale in a periodical or newspaper of general 16432
circulation in the region in which the items are located. A sale 16433
under division (C)(2)(a) of this section shall be made to the 16434
highest responsible bidder. 16435

(b) If, in the opinion of the director, any item to be sold 16436

has an estimated fair market value of one thousand dollars or 16437
less, the director is not required to advertise the proposed sale 16438
except by notice posted on the official web site of the 16439
department. The notice shall be posted for at least five working 16440
days. A sale under division (C)(2)(b) of this section shall be 16441
made to the highest responsible bidder. 16442

(D) Proceeds of any sale described in this section shall be 16443
paid into the state treasury to the credit of the highway 16444
operating fund or any other fund of the department as determined 16445
by the director. 16446

~~gallon of qualified fuel included in the total gallonage of motor~~ 18010
~~fuel upon which the refund is computed.~~ 18011

(E) The right to receive any refund under this section or 18012
section 5703.70 of the Revised Code is not assignable. The payment 18013
of this refund shall not be made to any person other than the 18014

refund for any tax paid on motor fuel that is sold by the 18055
district, service center, or county board. The application shall 18056
be accompanied by the statement described in section 5735.15 of 18057
the Revised Code showing the purchase, together with evidence of 18058
