21 evaluation and hearings, shall be the same as those for a person
22 requiring treatment provided in Section 5-410 et seq. of Title 43A
23 of the Oklahoma Statutes. Assisted outpatient programs shall be
24

1 ordered as provided in Section 5-416 of Title 43A of the Oklahoma
2 Statutes.

3 SECTION 7. AMENDATORY 43A O.S. 2011, Section 5-416, is
4 amended to read as follows:

5 Section 5-416. A. The court, in considering a commitment
6 petition filed under Section 5-410 ~~or Section 9-102~~ of this title,
7 shall not order hospitalization without a thorough consideration of
8 available treatment alternatives to hospitalization, or without
9 addressing the competency of the consumer to consent to or refuse
10 the treatment that is ordered including, but not limited to, the
11 rights of the consumer:

- 12 1. To be heard concerning the treatment of the consumer; and
- 13 2. To refuse medications.

14 B. 1. If the court, in considering a commitment petition filed
15 under Section 5-410 ~~or Section 9-102~~ of this title, finds that a
16 program other than hospitalization, including an assisted outpatient
17 treatment program, is adequate to meet the treatment needs of the
18 individual and is sufficient to prevent injury to the individual or
19 to others, the court may order the individual to receive whatever
20 treatment other than hospitalization is appropriate for a period set
21 by the court. During this time the court:

- 22 a. shall have continuing jurisdiction over the individual
23 as a person requiring treatment or an assisted
24 outpatient, and

1 b. shall periodically, no less often than annually,
2 review the treatment needs of the individual and
3 determine whether or not to continue, discontinue, or
4 modify the treatment.

5 2. If at any time it comes to the attention of the court from a
6 person competent to file or request the filing of a petition,
7 pursuant to subsection A of Section 5-410 of this title, that the
8 individual ordered to undergo a program of alternative treatment to
9 hospitalization is not complying with the order or that the
10 alternative treatment program has not been sufficient to prevent
11 harm or injury which the individual may be inflicting upon himself
12 or others, the court may order the person to show cause why the
13 court should not:

14 a. implement other alternatives to hospitalization,
15 modify or rescind the original order or direct the
16 individual to undergo another program of alternative
17 treatment, if necessary and appropriate, based on
18 written findings of the court, or

19 b. enter an order of admission pursuant to the provisions
20 of this title, directing that the person be committed
21 to inpatient treatment and, if the individual refuses
22 to comply with this order of inpatient treatment, the
23 court may direct a peace officer to take the
24 individual into protective custody and transport the

1 person to a public or private facility designated by
2 the court.

3 3. The court shall give notice to the person ordered to show
4 cause and hold the hearing within seventy-two (72) hours of the
5 notice. The person ordered to undergo a program of alternative
6 treatment shall not be detained in emergency detention pending the
7 show cause hearing unless, prior to the emergency detention, the
8 person has undergone an initial examination and a determination is
9 made that emergency detention is warranted.

10 4. If an order of alternative treatment will expire without
11 further review by the court and it is believed that the individual
12 continues to require treatment, a person competent to file or
13 request the filing of a petition, pursuant to subsection A of
14 Section 5-410 of this title, may file or request the district
15 attorney file either an application for an extension of the court's
16 previous order or an entirely new petition for a determination that
17 the individual is a person requiring treatment or an assisted
18 outpatient.

19 5. A hearing on the application or petition filed pursuant to
20 paragraph 4 of this subsection shall be held within ten (10) days
21 after the application or petition is filed, unless the court extends
22 the time for good cause. In setting the matter for hearing, the
23 court shall consider whether or not the prior orders of the court
24 will expire during the pendency of the hearing and shall make

1 appropriate orders to protect the interests of the individual who is
2 the subject of the hearing.

3 C. Prior to ordering the inpatient treatment of an individual,
4 the court shall inquire into the adequacy of treatment to be
5 provided to the individual by the facility, and inpatient treatment
6 shall not be ordered unless the facility in which the individual is
7 to be treated can provide such person with treatment which is
8 adequate and appropriate to such person's condition.

9 D. Nothing in this section shall prohibit the Department of
10 Mental Health and Substance Abuse Services or the facility or
11 program providing the alternative treatment from discharging a
12 person admitted pursuant to this section, at a time prior to the
13 expiration of the period of alternative treatment, or any extension
14 thereof. The facility or program providing the alternative
15 treatment shall file a report with the court outlining the
16 disposition of each person admitted pursuant to this section within
17 forty-eight (48) hours after discharge.

18 E. Notice of any proceedings pursuant to this section shall be
19 given to the person, the person's guardian, the person's attorney,
20 and the person filing the petition or application.

21 F. If the petition alleges the person to be an assisted
22 outpatient as provided in Section 6 of this act, the court shall not
23 order assisted outpatient treatment unless a licensed mental health
24 professional, in consultation with an assisted outpatient treatment

1 program, develops and provides to the court a proposed written
2 treatment plan. All service providers included in the treatment
3 plan shall be notified regarding their inclusion in the written
4 treatment plan. Where deemed advisable, the court may make a
5 finding that a person is an assisted outpatient and delay the
6 treatment order until such time as the treatment plan is provided to
7 the court. Such plan shall be provided to the court no later than
8 the date set by the court pursuant to subsection J of this section.

9 G. The licensed mental health professional who develops the
10 written treatment plan shall provide the following persons with an
11 opportunity to actively participate in the development of such plan:

- 12 1. The assisted outpatient;
- 13 2. The treating physician, if any;
- 14 3. The treatment advocate as defined in Section 1-109.1 of this
15 title, if any; and
- 16 4. An individual significant to the assisted outpatient,
17 including any relative, close friend or individual otherwise
18 concerned with the welfare of the assisted outpatient, upon the
19 request of the assisted outpatient.

20 H. The licensed mental health professional shall make a
21 reasonable effort to gather relevant information for the development
22 of the treatment plan from a member of the assisted outpatient's
23 family or significant other. If the assisted outpatient has
24 executed an advance directive for mental health treatment, the

1 physician shall consider any directions included in such advance
2 directive for mental health treatment in developing the written
3 treatment plan.

4 I. The court shall not order assisted outpatient treatment
5 unless a licensed mental health professional testifies to explain
6 the proposed written treatment plan; provided, the parties may
7 stipulate upon mutual consent that such licensed mental health
8 professional need not testify. Such licensed mental health
9 professional shall state facts which establish that such treatment
10 is the least restrictive alternative. If the assisted outpatient
11 has executed an advance directive for mental health treatment, the
12 licensed mental health professional shall state the consideration
13 given to any directions included in such advance directive for
14 mental health treatment in developing the written treatment plan.
15 Such testimony shall be given on the date set by the court pursuant
16 to subsection J of this section.

17 J. If the court has yet to be provided with a written treatment
18 plan at the time of the hearing in which the court finds a person to
19 be an assisted outpatient, the court shall order such treatment plan
20 and testimony no later than the third day, excluding Saturdays,
21 Sundays and holidays, immediately following the date of such hearing
22 and order; provided, the parties may stipulate upon mutual consent
23 that such testimony need not be provided. Upon receiving such plan
24

1 and any required testimony, the court may order assisted outpatient
2 treatment as provided in this section.

3 K. A court may order the patient to self-administer
4 psychotropic drugs or accept the administration of such drugs by
5 authorized personnel as part of an assisted outpatient treatment
6 program. Such order may specify the type and dosage range of such
7 psychotropic drugs and such order shall be effective for the
8 duration of such assisted outpatient treatment.

9 L. A copy of any court order for assisted outpatient treatment
10 shall be served personally, or by mail, facsimile or electronic
11 means, upon the assisted outpatient, the assisted outpatient
12 treatment program and all others entitled to notice under the
13 provisions of subsection D of Section 5-412 of this title.

14 M. The initial order for assisted outpatient treatment shall be
15 for a period of one (1) year. Within thirty (30) days prior to the
16 expiration of the order, any person listed in Section 5-410 of this
17 title as a person who may file a petition may petition to extend the
18 order of outpatient treatment. Notice shall be given in accordance
19 with Section 5-412 of this title. The court shall hear the
20 petition, review the treatment plan and determine if the assisted
21 outpatient continues to meet the criteria for assisted outpatient
22 treatment and such treatment is the least restrictive alternative.
23 If the court finds the assisted outpatient treatment should continue
24 it will make such an order extending the assisted treatment an

1 additional year and order the treatment plan updated as necessary.
2 Subsequent extensions of the order may be obtained in the same
3 manner. If the court's disposition of the motion does not occur
4 prior to the expiration date of the current order, the current order
5 shall remain in effect for up to thirty (30) additional days until
6 such disposition.

7 N. In addition to any other right or remedy available by law
8 with respect to the order for assisted outpatient treatment, the
9 assisted outpatient or anyone acting on the assisted outpatient's
10 behalf may petition the court on notice to the assisted outpatient
11 treatment program, the original petitioner and all others entitled
12 to notice under Section 5-412 of this title to stay, vacate or
13 modify the order.

14 O. The assisted outpatient treatment program shall petition the
15 court for approval before instituting a proposed material change in
16 the assisted outpatient treatment plan, unless such change is
17 authorized by the order of the court. Such petition shall be filed
18 on notice to all parties entitled to notice under Section 5-412 of
19 this title. Not later than five (5) days after receiving such
20 petition, excluding Saturdays, Sundays and holidays, the court shall
21 hold a hearing on the petition; provided, that if the assisted
22 outpatient informs the court that he or she agrees to the proposed
23 material change, the court may approve such change without a
24 hearing. Nonmaterial changes may be instituted by the assisted

1 outpatient program without court approval. For the purposes of this
