2 involves the unlawful taking or killing of wildlife listed under ORS 496.705 (2), the court shall order  
3 that the defendant pay all or a portion of the fine separately to the clerk of the court for paying  
4 over to the State Fish and Wildlife Commission. The clerk shall pay over to the commission the  
5 amount that the court ordered the defendant to pay separately for that purpose. The amount that  
6 the court orders to be paid separately to the clerk for paying over to the commission shall be the  
7 lesser of:

8        (A) The amount of the fine imposed; or

17 the commission could recover under ORS 496.705 (2) as damages for the unlawful taking or killing  
18 of wildlife, payment of the amount does not prevent the commission from bringing an action under  
19 ORS 496.705 (2) to recover damages for the unlawful taking or killing. However, notwithstanding  
20 ORS 496.705, the amount recoverable under ORS 496.705 (2) by the commission as damages for the  
21 unlawful taking or killing shall be reduced by the amount paid to the commission under this sub-  
22 section from a fine imposed for the unlawful taking or killing.

23        ~~[(13)(a)]~~ **(15)(a)** In addition to any other penalty authorized by law, the court shall order the

32        (b) Notwithstanding ORS 497.415 (5), upon having a license, tag or permit revoked under para-  
33 graph (a)(A)(i) of this subsection for the second time in a 10-year period, a person is prohibited from  
34 applying for or obtaining another such license, tag or permit.

35        ~~[(14)]~~ **(16)** Upon the third conviction within a 10-year period for violation of a provision of the  
36 wildlife laws, or a rule adopted pursuant to the wildlife laws, the court shall order all guns, boats,  
37 vehicles, traps, fishing apparatus, electronic devices and other implements used in committing the  
38 third or subsequent offense to be seized and forfeited to the State of Oregon, to be turned over to  
39 the State Fish and Wildlife Commission for disposal in the manner provided for in ORS 496.680.

40        ~~[(15)]~~ **(17)** As used in this section:

41 addition to and not replace any existing controlled hunt tag program.
