STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2018

A N A C T

RELATING TO EDUCATION

Introduced By: Senators Archambault, Lombardi, and Lynch Prata

Date Introduced: April 05, 2018

Referred To: Senate Education

It is enacted by the General Assembly as follows:

1 SECTION 1. Findings

2 The general assembly finds that the education and nurturing of our youth occurs best in a
3 safe and secure environment, free from the threat of violence from within the school community
4 and the interference of persons who do not belong on school property.

5 That the proliferation of gun violence in schools, across our nation, requires us to take a
6 more thoughtful approach to finding solutions to providing safe schools and to share the burden
7 equitably.

8 That these instances of extreme violence have a profound emotional and economic effect
9 on more than just the community in which they occur, but on society as a whole.

10 Safe schools require not only structurally sound buildings, but the utilization of modern
11 security measures combined with the knowledge and experience already present in our
12 communities.

13 By combining enhanced safety and security measures in our schools, with the
14 employment of persons experienced and trained in law enforcement and threat assessment we can
15 offer our students not only the safe environment in which they can flourish but the opportunity to
16 build a trusting relationship with the police.

17 That the costs of such programs should not be the responsibility wholly of the people but
18 should be borne in part by those persons who have already committed crimes of violence with
19 guns, contributed to the drug problem facing our society, participated in organized corruption or

1 otherwise wish to avail themselves to the opportunity to gain a fresh start.

2 Each city or town shall be entitled to determine how to best integrate the state
3 requirements for the needs of its community.

4 SECTION 2. Title 16 of the General Laws entitled "EDUCATION" is hereby amended
5 by adding thereto the following chapter:

6 CHAPTER 21.7

26 state of Rhode Island. There is established within the general treasury of the state a special fund

27 to be known as the asset forfeiture fund in which shall be deposited all proceeds of any

28 forfeitures. Where the forfeited property is a vessel, vehicle, aircraft, or other personal property

29 the use of which reasonably relates to law enforcement duties, title to the property may be

30 transferred to the law enforcement agency which seized it. Where the forfeited property is

31 personal property the use of which is not reasonably related to law enforcement duties and where

32 the forfeited property is real estate or an interest in real estate, it shall be sold under the direction

33 of the general treasurer and the proceeds of the sale deposited in the asset forfeiture fund. Where

34 the forfeited property consists of negotiable instruments, securities, or other intangible property, it

1 shall be maintained by the general treasurer as part of the asset forfeiture fund and may be sold at
2 his or her discretion and the proceeds deposited in the fund. Where the forfeited property consists
3 of money, both coin and currency, it shall be deposited in the asset forfeiture fund.

4 (b) The fund shall be utilized for the following purposes:

5 (1) The payment of reasonable expenses required for the seizure, management and
6 liquidation of forfeited property and for the reimbursement of federal, state, or local law
7 enforcement agencies for any reasonable expenditures made by them in the performance of the
8 preceding functions;

9 (2) The payment of awards for information or assistance leading to a civil or criminal
10 proceeding under this chapter, provided that any payment or combination of payments to any one
11 individual or group of individuals in excess of twenty five hundred dollars (\$2500) from the fund
12 must be approved by the presiding justice of the superior court or an associate justice of the court
13 designated by him or her;

14 (3) The compromise and payment of claims against property forfeited pursuant to the
15 chapter, provided that any payment in settlement of a claim which is in excess of twenty five
16 hundred dollars (\$2500) from the fund must be approved by the presiding justice of the superior
17 court or an associate justice of the court designated by him or her;

18 (4) The payment of twenty five percent (25%) of the net proceeds of a forfeiture to the
19 Rhode Island law enforcement agency or agencies which accomplished the seizure to be used
20 only for the purposes of future investigations of racketeering activity as defined in these
21 provisions. No law enforcement agency of the state is entitled to keep more than fifty thousand
22 dollars (\$50,000) per calendar year under this section. No law enforcement agency of a city or
23 town with a population in excess of twenty thousand (20,000) is entitled to keep more than thirty
24 five thousand dollars (\$35,000) per calendar year under this section. No law enforcement agency
25 of a city or town with a population of twenty thousand (20,000) or less is entitled to keep more
26 than fifteen thousand dollars (\$15,000) per calendar year under this section.

27 (5) The remainder of any proceeds not dispersed under the provisions of this subsection
28 shall be remitted to the safe school program fund established pursuant to § 16-21.7-11 for the

31 treasurer within thirty (30) days of the issuance of the judgment of forfeiture by the court.

32 (d) Upon the application of any law enforcement agency of the state of Rhode Island
33 when a special need exists concerning the enforcement of the provisions of this chapter, the
34 attorney general may apply to the presiding justice of the superior court for the release from the

1 general treasury of sums of money not to exceed fifty thousand dollars (\$50,000) per
2 investigation. When the presiding justice, upon consideration of the reasons set forth by the
3 agency, deems the funds to be reasonable and necessary to the accomplishment of a goal within
4 the powers and duties of the law enforcement agency, he or she may issue an order ex parte
5 providing for the release of the funds.

6 (e) The attorney general and the general treasurer shall transmit to the General Assembly
7 no later than February 1st of each year, a detailed report on the nature and value of the assets
8 forfeited and their disposition, on the amounts deposited in the fund, and a detailed description of
9 withdrawals from the fund and the uses of the withdrawals, during the previous calendar year, but
10 shall not make any disclosure which would compromise any investigation or prosecution.

11 SECTION 4. Section 8-2-15.1 of the General Laws in Chapter 8-2 entitled "Superior
12 Court" is hereby amended to read as follows:

13 **8-2-15.1. Gun court calendar.**

14 (a) Findings and declarations. The General Assembly finds that:

15 (1) There has been significant growth in the use of firearms in the commission of violent
16 crimes.

17 (2) Many of the shootings are drug or gang related and endanger law abiding citizens.

18 (3) Many of the gun offenses are committed while individuals are free on bail for other
19 offenses.

20 (4) The growing number of gun related offenses constitutes a burden upon the state of
21 Rhode Island and threatens the domestic tranquility of the state and its people, especially
22 residents of the urban areas where these crimes are most prevalent.

23 (5) In order to deter the use of firearms in the commission of violent crime, and to protect
24 the law abiding public, there must be swift disposition of gun related offenses in our courts, and
25 there must be the certain prospect of prison terms for those who are convicted of such crimes.

26 (b) Declaration of policy. It is hereby declared to be the policy of the state of Rhode
27 Island to provide maximum safety and security to its people from unlawful gun related violence
28 and intrusion upon their persons and property by expediting the processing and disposition of
29 such cases and, unless otherwise provided, imposing prison terms that must be served.

30 (c) Establishment. To accomplish this purpose in an effort to minimize delay in the
31 processing of criminal cases in the superior court for the counties of Providence and Bristol
32 relating to the illegal possession and use of guns and other dangerous weapons, there shall be
33 established a separate calendar within the jurisdiction of the superior court for the counties of
34 Providence and Bristol for hearing trial and disposition of actions brought pursuant to §§ 11-47-3,

1 11-47-5, 11-47-5.1, 11-47-8, 11-47-24, 12-13-1.2, and 12-19-21.

2 (d) Gun court calendar. (1) The presiding justice of the superior court shall create a gun
3 court calendar in the superior court for the counties of Providence and Bristol and shall assign
4 personnel to the extent warranted to exclusively hear and decide all criminal actions involving
5 offenses committed in Providence and Bristol counties and brought pursuant to violations of the
6 provisions of §§ 11-47-5, 11-47-5.1, 11-47-8, and 11-47-24 set forth in subsection (c), and it shall
7 be referred to as the "gun court calendar" of the superior court for the counties of Providence and
8 Bristol.

9 (2) The "gun court calendar" of the superior court for the counties of Providence and
10 Bristol shall also have concurrent jurisdiction with any other calendar of the superior court for the
11 counties of Providence and Bristol to hear and decide all criminal actions involving offenses
12 brought pursuant to violations of the provisions of §§ 11-47-3, 12-13-1.2, and 12-19-21, so long
13 as the criminal action involves the possession, threatened use, or use of a firearm.

14 (e) Time for trial. All trials in the superior court for the counties of Providence and
15 Bristol involving offenses brought pursuant to the sections as set forth in subsection (c) shall be
16 scheduled for trial on the "gun court calendar" in the superior court for the counties of Providence
17 and Bristol within sixty (60) days of the completion of discovery. No continuances or
18 postponements shall be granted except for good cause shown. Such continuances as are necessary
19 shall be granted for the shortest practicable time.

20 (f) Use of section. Under no circumstances shall the defendant(s) be permitted to use this
21 section as a basis for a dismissal of an action, as this section is enacted for the benefit and
22 convenience of the superior court for the counties of Providence and Bristol in the assignment of
23 its actions for trial.

24 (g) A surcharge of fifty dollars (\$50.00) shall be assessed as a cost against the defendant
25 and remitted to the safe school program fund established pursuant to § 16-21.7-11 fund in cases
26 in which there is a finding or plea of guilty, a plea of nolo contendere or the entry of a deferred
27 sentence for each case placed on the gun court calendar pursuant to § 8-2-15.1 or any other
28 violation of actions brought pursuant to §§ 11-47-3, 11-47-5, 11-47-5.1, 11-47-8, 11-47-24, 12-
29 13-1.2, and 12-19-21 that if not for the jurisdiction in which the crime occurred would have been
30 placed on the gun court calendar.

31 SECTION 5. Section 11-47-9 of the General Laws in Chapter 11-47 entitled "Weapons"
32 is hereby amended to read as follows:

33 **11-47-9. Persons exempt from restrictions.**

15 with the order shall be according to the terms specified by the court.

16 (d) The defendant shall be advised at the hearing that any and all bail money relating to a
17 case that remains on deposit and is not claimed at the time of expungement shall be escheated to
18 the state's general treasury in accordance with chapter 12 of title 8.

19 SECTION 7. Section 16-7.2-6 of the General Laws in Chapter 16-7.2 entitled "The
20 Education Equity and Property Tax Relief Act" is hereby amended to read as follows:

21 **16-7.2-6. Categorical programs, state funded expenses.**

22 In addition to the foundation education aid provided pursuant to § 16-7.2-3, the
23 permanent foundation education-aid program shall provide direct state funding for:

24 (a) Excess costs associated with special education students. Excess costs are defined
25 when an individual special education student's cost shall be deemed to be "extraordinary".
26 Extraordinary costs are those educational costs that exceed the state-approved threshold based on
27 an amount above five times the core foundation amount (total of core-instruction amount plus
28 student success amount). The department of elementary and secondary education shall prorate the
29 funds available for distribution among those eligible school districts if the total approved costs for
30 which school districts are seeking reimbursement exceed the amount of funding appropriated in
31 any fiscal year; and the department of elementary and secondary education shall also collect data
32 on those educational costs that exceed the state-approved threshold based on an amount above
33 two (2), three (3), and four (4) times the core-foundation amount;

34 (b) Career and technical education costs to help meet initial investment requirements

1 needed to transform existing, or create new, comprehensive, career and technical education
2 programs and career pathways in critical and emerging industries and to help offset the higher-
3 than-average costs associated with facilities, equipment maintenance and repair, and supplies
4 necessary for maintaining the quality of highly specialized programs that are a priority for the
5 state. The department shall develop criteria for the purpose of allocating any and all career and
6 technical education funds as may be determined by the general assembly on an annual basis. The
7 department of elementary and secondary education shall prorate the funds available for
8 distribution among those eligible school districts if the total approved costs for which school
9 districts are seeking reimbursement exceed the amount of funding available in any fiscal year;

10 (c) Programs to increase access to voluntary, free, high-quality pre-kindergarten
11 programs. The department shall recommend criteria for the purpose of allocating any and all early
12 childhood program funds as may be determined by the general assembly;

13 (d) Central Falls, Davies, and the Met Center Stabilization Fund is established to ensure
14 that appropriate funding is available to support their students. Additional support for Central Falls
15 is needed due to concerns regarding the city's capacity to meet the local share of education costs.
16 This fund requires that education aid calculated pursuant to § 16-7.2-3 and funding for costs
17 outside the permanent foundation education-aid formula, including, but not limited to,
18 transportation, facility maintenance, and retiree health benefits shall be shared between the state
19 and the city of Central Falls. The fund shall be annually reviewed to determine the amount of the
20 state and city appropriation. The state's share of this fund may be supported through a reallocation
21 of current state appropriations to the Central Falls school district. At the end of the transition
22 period defined in § 16-7.2-7, the municipality will continue its contribution pursuant to § 16-7-24.
23 Additional support for the Davies and the Met Center is needed due to the costs associated with
24 running a stand-alone high school offering both academic and career and technical coursework.
25 The department shall recommend criteria for the purpose of allocating any and all stabilization
26 funds as may be determined by the general assembly;

27 (e) Excess costs associated with transporting students to out-of-district non-public
28 schools. This fund will provide state funding for the costs associated with transporting students to
29 out-of-district non-public schools, pursuant to chapter 21.1 of title 16. The state will assume the
30 costs of non-public out-of-district transportation for those districts participating in the statewide
31 system. The department of elementary and secondary education shall prorate the funds available
32 for distribution among those eligible school districts if the total approved costs for which school
33 districts are seeking reimbursement exceed the amount of funding available in any fiscal year;

34 (f) Excess costs associated with transporting students within regional school districts.

1 This fund will provide direct state funding for the excess costs associated with transporting
2 students within regional school districts, established pursuant to chapter 3 of title 16. This fund
3 requires that the state and regional school district share equally the student transportation costs
4 net any federal sources of revenue for these expenditures. The department of elementary and
5 secondary education shall prorate the funds available for distribution among those eligible school
6 districts if the total approved costs for which school districts are seeking reimbursement exceed
7 the amount of funding available in any fiscal year;

8 (g) Public school districts that are regionalized shall be eligible for a regionalization
9 bonus as set forth below:

10 (1) As used herein, the term "regionalized" shall be deemed to refer to a regional school
11 district established under the provisions of chapter 3 of title 16, including the Chariho Regional
12 School district;

13 (2) For those districts that are regionalized as of July 1, 2010, the regionalization bonus
14 shall commence in FY 2012. For those districts that regionalize after July 1, 2010, the
15 regionalization bonus shall commence in the first fiscal year following the establishment of a
16 regionalized school district as set forth in chapter 3 of title 16, including the Chariho Regional
17 School District;

18 (3) The regionalization bonus in the first fiscal year shall be two percent (2.0%) of the
19 state's share of the foundation education aid for the regionalized district as calculated pursuant to
20 §§ 16-7.2-3 and 16-7.2-4 in that fiscal year;

21 (4) The regionalization bonus in the second fiscal year shall be one percent (1.0%) of the
22 state's share of the foundation education aid for the regionalized district as calculated pursuant to
23 §§ 16-7.2-3 and 16-7.2-4 in that fiscal year;

24 (5) The regionalization bonus shall cease in the third fiscal year;

25 (6) The regionalization bonus for the Chariho regional school district shall be applied to
26 the state share of the permanent foundation education aid for the member towns; and

27 (7) The department of elementary and secondary education shall prorate the funds
28 available for distribution among those eligible regionalized school districts if the total, approved
29 costs for which regionalized school districts are seeking a regionalization bonus exceed the
30 amount of funding appropriated in any fiscal year.

31 (h) Supplementing personnel costs related to the safe school program, for each school
32 resource officer employed by the city or town, fifty percent (50%) of the statewide average cost
33 of providing a school resource officer in each primary, middle and secondary school as required
34 by the safe school program;

1 ~~(h)~~(i) Additional state support for English learners (EL). The amount to support EL
2 students shall be determined by multiplying an EL factor of ten percent (10%) by the core-
3 instruction per-pupil amount defined in § 16-7.2-3(a)(1) and applying that amount of additional
4 state support to EL students identified using widely adopted, independent standards and
5 assessments identified by the commissioner. All categorical funds distributed pursuant to this
6 subsection must be used to provide high-quality, research-based services to EL students and
7 managed in accordance with requirements set forth by the commissioner of elementary and
8 secondary education. The department of elementary and secondary education shall collect
9 performance reports from districts and approve the use of funds prior to expenditure. The
10 department of elementary and secondary education shall ensure the funds are aligned to activities
11 that are innovative and expansive and not utilized for activities the district is currently funding.
12 The department of elementary and secondary education shall prorate the funds available for
13 distribution among eligible recipients if the total calculated costs exceed the amount of funding
14 available in any fiscal year; and

15 ~~(h)~~(j) Categorical programs defined in (a) through (g) shall be funded pursuant to the
16 transition plan in § 16-7.2-7.

17 SECTION 8. Section 21-28-5.04 of the General Laws in Chapter 21-28 entitled "Uniform
18 Controlled Substances Act" is hereby amended to read as follows:

19 **21-28-5.04. Forfeiture of property and money.**

20 (a) Any property, real or personal, including, but not limited to, vessels, vehicles, or
21 aircraft, and money or negotiable instruments, securities, or other things of value or any property
22 constituting, or derived from any proceeds, furnished, or intended to be furnished, by any person
23 for the transportation of, or in exchange for, a controlled substance and that has been, or is being
24 used, in violation of § 21-28-4.01(a) or 21-28-4.01(b) or in, upon, or by means of which any
25 violation of §§ 21-28-4.01(a) or 21-28-4.01(b) or §§ 21-28-4.01.1 or 21-28-4.01.2 or 21-28-4.08
26 has taken, or is taking place, and all real property including any right, title, and interest in the
27 whole of any lot or tract of land and any appurtenances or improvements that is used in the
28 commission of a violation of §§ 21-28-4.01(a) or 21-28-4.01(b) or §§ 21-28-4.01.1 or 21-28-
29 4.01.2 or 21-28-4.08, or that was purchased with funds obtained as a result of the commission of
30 a violation of §§ 21-28-4.01(a) or §§ 21-28-4.01(b) or §§ 21-28-4.01.1 or 21-28-4.01.2 or 21-
31 28-4.08, shall be seized and forfeited; provided that no property or money, as enumerated in this
32 subsection, used by any person shall be forfeited under the provisions of this chapter unless it
33 shall appear that the owner of the property or money had knowledge, actual or constructive, and
34 was a consenting party to the alleged illegal act. All moneys, coin and currency, found in close

1 proximity to forfeitable controlled substances, to forfeitable drug manufacturing or distributing
2 paraphernalia, or to forfeitable records of the importation, manufacture, or distribution of
3 controlled substances, are presumed to be unlawfully furnished in exchange for a controlled
4 substance or used in violation of this chapter. The burden of proof is upon claimants of the
5 property to rebut this presumption.

6 (b) Property taken or detained under this section shall not be repleviable, but shall be
7 deemed to be in the custody of the law enforcement agency making the seizure and whenever
8 property or money is forfeited under this chapter it shall be utilized as follows:

9 (1) Where the seized property is a vessel, vehicle, aircraft, or other personal property it
10 may be retained and used by the law enforcement agency that seized the property where the use
11 of the property is reasonably related to the law enforcement duties of the seizing agency. If the
12 seized property is a motor vehicle that is inappropriate for use by the law enforcement agency due
13 to style, size, or color, the seizing agency shall be allowed to apply the proceeds of sale or the
14 trade-in value of the vehicle towards the purchase of an appropriate vehicle for use in activities
15 reasonably related to law enforcement duties.

16 (2) The law enforcement agency may sell any forfeited property not required by this
17 chapter to be destroyed and not harmful to the public. The proceeds from the sale are to be
18 distributed in accordance with subdivision (3) of this subsection.

19 (3) As to the proceeds from the sale of seized property as referred to in subdivision (2) of
20 this subsection, and as to moneys, coin and currency, negotiable instruments, securities, or other
21 things of value as referred to in subsection (a) of this section, the distribution shall be as follows:

22 (i) (A) All proceeds of the forfeiture of real or personal property shall be distributed as
23 follows: All costs of advertising administrative forfeitures shall first be deducted from the amount
24 forfeited. Of the remainder, twenty percent (20%) of the proceeds shall be provided to the
25 attorney general's department to be used for further drug-related law enforcement activities
26 including, but not limited to, investigations, prosecutions, and the administration of this chapter;
27 ~~seventy percent (70%)~~ sixty percent (60%) of the proceeds shall be divided among the state and
28 local law enforcement agencies proportionately based upon their contribution to the investigation
29 of the criminal activity related to the asset being forfeited; ten percent (10%) of the proceeds shall
30 be remitted to the safe school program fund established pursuant to § 16-21.7-11 for the purposes
31 of supporting law enforcement and safety related activities on school grounds; and ten percent
32 (10%) of the proceeds shall be provided to the department of health for distribution to substance
33 abuse treatment programs.

34 (B) The law enforcement agencies involved in the investigation, with the assistance of the

1 attorney general, shall by agreement determine the respective proportionate share to be received
2 by each agency. If the agencies are unable to reach agreement, application shall be made by one
3 or more of the agencies involved to the presiding justice of the superior court who shall determine
4 the respective proportionate share attributable to each law enforcement agency. The proceeds
5 from all forfeitures shall be held by the general treasurer in a separate account until such time as
6 an allocation is determined by agreement of the agencies or by the presiding justice. It shall be the
7 duty and responsibility of the general treasurer to disburse the allocated funds from the separate
8 account to the respective law enforcement agencies.

9 (ii) Each state or local law enforcement agency shall be entitled to keep the forfeited
10 money or the proceeds from sales of forfeited property. The funds shall be used for law
11 enforcement purposes and investigations of violations of this chapter. The funds received by a
12 state law enforcement agency shall be maintained in a separate account by the general treasurer.
13 The funds received by a local law enforcement agency shall be maintained in a separate account
14 by the local agency's city or town treasurer.

15 (c) (1) There is established in the state's treasury a special fund to be known as the asset
16 forfeiture fund in which shall be deposited the excess proceeds of forfeitures arising out of
17 criminal acts occurring before July 1, 1987. The asset forfeiture fund shall be used to fund drug-
18 related law enforcement activity and the treatment and rehabilitation of victims of drug abuse.
19 The fund shall be administered through the office of the general treasurer. The presiding justice of
20 the superior court shall have the authority to determine the feasibility and amount of disbursement
21 to those state or local law enforcement agencies that have made application.

22 (2) Upon the application of any law enforcement agency of the state of Rhode Island,
23 when a special need exists concerning the enforcement of the provisions of this chapter, the
24 attorney general, or his or her designee, may apply to the presiding justice of the superior court
25 for the release from the general treasury of sums of money. When the presiding justice upon
26 consideration of the reasons set forth by that agency deems them to be reasonable and necessary
27 to the accomplishment of a goal within the powers and duties of that law enforcement agency, he
28 or she may issue an order ex parte providing for the release of the funds.

29 (d) Each law enforcement agency making any seizure(s) that result(s) in a forfeiture
30 pursuant to this section shall certify and file with the state treasurer between January 1 and
31 January 30 an annual report detailing the property or money forfeited during the previous
32 calendar year and the use or disposition of the property or money. The report shall be made in the
33 form and manner as may be provided or specified by the treasurer and these annual law
34 enforcement agency reports shall be provided to the local governmental body governing the

1 agency and to the house and senate judiciary committees.

2 (e) Any law enforcement agency whose duty it is to enforce the laws of this state relating
3 to controlled substances is empowered to authorize designated officers or agents to carry out the
4 seizure provisions of this chapter. It shall be the duty of any officer or agent authorized or
5 designated, or authorized by law, whenever he or she shall discover any property or monies that
6 have been, or are being, used in violation of any of the provisions of this chapter, or in, upon, or
7 by means of which any violation of this chapter has taken or is taking place, to seize the property
8 or monies and to place it in the custody of the person as may be authorized or designated for that
9 purpose by the respective law enforcement agency pursuant to those provisions.

10 (f) For purposes of this section and § 30-14-2 only, the Rhode Island national guard shall
11 be deemed a law enforcement agency eligible to participate in the forfeiture of money and assets
12 seized through counterdrug operations in which members of the guard support federal, state or
13 municipal efforts.

14 SECTION 9. Section 45-21-54 of the General Laws in Chapter 45-21 entitled
15 "Retirement of Municipal Employees" is hereby amended to read as follows:

18 not more than seventy-five (75) working days in a calendar year without interruption of pension
19 benefits. Pension payments, however, are suspended when that period is exceeded. If the retired
20 member continues in service beyond the seventy-five (75) day period (with his annuity
21 temporarily suspended) the member is not eligible for pension credit for the additional service,
22 nor is the member required to make pension contributions for this service; provided, that any
23 retired member of the system is permitted to serve as an elected city or town council member or
24 school committee member and continues to be eligible for and receive the retirement allowance
25 for service other than that as a council member or school committee member.

26 (b) Provided, that any retired member of the system, employed as a school resource
27 officer on a per diem or other basis at a rate below the regular wage of a uniformed patrol officer
28 in the district in which the school resource officer is employed shall continue to be eligible for,
29 and receive the retirement allowance without reduction. A retired member, employed under the
30 provisions of this subsection is not eligible for pension credit for the additional service, nor is the
31 member required to make pension contributions for this service.
