414 alleging with particularity facts asserted to constitute violation of the conditions of probation,
415 the court shall determine if the affidavit or unsworn written declaration establishes probable
416 cause to believe that revocation, modification, or extension of probation is justified.

417 (ii) If the court determines there is probable cause, it shall cause to be served on the
418 defendant a warrant for the defendant's arrest or a copy of the affidavit or unsworn written
419 declaration and an order to show cause why the defendant's probation should not be revoked,
420 modified, or extended.

421 (c) (i) The order to show cause shall specify a time and place for the hearing and shall
422 be served upon the defendant at least five days prior to the hearing.

423 (ii) The defendant shall show good cause for a continuance.

424 (iii) The order to show cause shall inform the defendant of a right to be represented by
425 counsel at the hearing and to have counsel appointed if the defendant is indigent.

426 (iv) The order shall also inform the defendant of a right to present evidence.

427 (d) (i) At the hearing, the defendant shall admit or deny the allegations of the affidavit
428 or unsworn written declaration.

429 (ii) If the defendant denies the allegations of the affidavit or unsworn written
430 declaration, the prosecuting attorney shall present evidence on the allegations.

431 (iii) The persons who have given adverse information on which the allegations are
432 based shall be presented as witnesses subject to questioning by the defendant unless the court
433 for good cause otherwise orders.

434 (iv) The defendant may call witnesses, appear and speak in the defendant's own behalf,
435 and present evidence.

436 (e) (i) After the hearing the court shall make findings of fact.

437 (ii) Upon a finding that the defendant violated the conditions of probation, the court
438 may order the probation revoked, modified, continued, or reinstated for all or a portion of the
439 original term of probation.

440 (iii) (A) Except as provided in Subsection (10)(a)(ii), the court may not require a
441 defendant to remain on probation for a period of time that exceeds the length of the defendant's
442 maximum sentence.

443 (B) Except as provided in Subsection (10)(a)(ii), if a defendant's probation is revoked
444 and later reinstated, the total time of all periods of probation the defendant serves, relating to
445 the same sentence, may not exceed the defendant's maximum sentence.

446 (iv) If a period of incarceration is imposed for a violation, the defendant shall be
447 sentenced within the guidelines established by the Utah Sentencing Commission pursuant to
448 Subsection 63M-7-404(4), unless the judge determines that:

449 (A) the defendant needs substance abuse or mental health treatment, as determined by a
450 validated risk and needs screening and assessment, that warrants treatment services that are
451 immediately available in the community; or

452 (B) the sentence previously imposed shall be executed.

453 (v) If the defendant had, prior to the imposition of a term of incarceration or the
454 execution of the previously imposed sentence under this Subsection (12), served time in jail as
455 a condition of probation or due to a violation of probation under Subsection (12)(e)(iv), the
456 time the probationer served in jail constitutes service of time toward the sentence previously
457 imposed.

458 (13) The court may order the defendant to commit the defendant to the custody of the
459 Division of Substance Abuse and Mental Health for treatment at the Utah State Hospital as a

460 condition of probation or stay of sentence, only after the superintendent of the Utah State
461 Hospital or the superintendent's designee has certified to the court that:

- 462 (a) the defendant is appropriate for and can benefit from treatment at the state hospital;
- 463 (b) treatment space at the hospital is available for the defendant; and
- 464 (c) individuals described in Subsection 62A-15-610(2)(g) are receiving priority for
465 treatment over the defendants described in this Subsection (13).

466 (14) Presentence investigation reports are classified protected in accordance with Title
467 63G, Chapter 2, Government Records Access and Management Act. Notwithstanding Sections
468 63G-2-403 and 63G-2-404, the State Records Committee may not order the disclosure of a
469 presentence investigation report. Except for disclosure at the time of sentencing pursuant to
470 this section, the department may disclose the presentence investigation only when:

- 471 (a) ordered by the court pursuant to Subsection 63G-2-202(7);
- 472 (b) requested by a law enforcement agency or other agency approved by the department
473 for purposes of supervision, confinement, and treatment of the offender;
- 474 (c) requested by the Board of Pardons and Parole;
- 475 (d) requested by the subject of the presentence investigation report or the subject's
476 authorized representative;
- 477 (e) requested by the victim of the crime discussed in the presentence investigation
478 report or the victim's authorized representative, provided that the disclosure to the victim shall
479 include only information relating to statements or materials provided by the victim, to the
480 circumstances of the crime including statements by the defendant, or to the impact of the crime
481 on the victim or the victim's household; or
- 482 (f) requested by a sex offender treatment provider who is certified to provide treatment
483 under the program established in Subsection 64-13-25(3) and who, at the time of the request:
 - 484 (i) is providing sex offender treatment to the offender who is the subject of the
485 presentence investigation report; and
 - 486 (ii) provides written assurance to the department that the report:
 - 487 (A) is necessary for the treatment of the offender;
 - 488 (B) will be used solely for the treatment of the offender; and
 - 489 (C) will not be disclosed to an individual or entity other than the offender.
- 490 (15) (a) The court shall consider home confinement as a condition of probation under

491 the supervision of the department, except as provided in Sections 76-3-406 and 76-5-406.5.

492 (b) The department shall establish procedures and standards for home confinement,
493 including electronic monitoring, for all individuals referred to the department in accordance
494 with Subsection (16).

495 (16) (a) If the court places the defendant on probation under this section, it may order
496 the defendant to participate in home confinement through the use of electronic monitoring as
497 described in this section until further order of the court.

498 (b) The electronic monitoring shall alert the department and the appropriate law
499 enforcement unit of the defendant's whereabouts.

500 (c) The electronic monitoring device shall be used under conditions which require:

501 (i) the defendant to wear an electronic monitoring device at all times; and

502 (ii) that a device be placed in the home of the defendant, so that the defendant's
503 compliance with the court's order may be monitored.

504 (d) If a court orders a defendant to participate in home confinement through electronic
505 monitoring as a condition of probation under this section, it shall:

506 (i) place the defendant on probation under the supervision of the Department of
507 Corrections;

508 (ii) order the department to place an electronic monitoring device on the defendant and
509 install electronic monitoring equipment in the residence of the defendant; and

510 (iii) order the defendant to pay the costs associated with home confinement to the
511 department or the program provider.

512 (e) The department shall pay the costs of home confinement through electronic
513 monitoring only for an individual who is determined to be indigent by the court.

514 (f) The department may provide the electronic monitoring described in this section
515 either directly or by contract with a private provider.

516 (17) When making any decision regarding probation, the court shall consider
517 information provided by the Department of Corrections regarding a defendant's individual case
518 action plan, including any progress the defendant has made in satisfying the case action plan's
519 completion requirements.

520 Section 7. Section 77-27-5 is amended to read:

521 **77-27-5. Board of Pardons and Parole authority.**

522 (1) (a) The Board of Pardons and Parole shall determine by majority decision when and
523 under what conditions any convictions, except for treason or impeachment, may be pardoned or
524 commuted, subject to this chapter and other laws of the state.

525 (b) The Board of Pardons and Parole shall determine by majority decision when and
526 under what conditions, subject to this chapter and other laws of the state, individuals
527 committed to serve sentences at penal or correctional facilities that are under the jurisdiction of
528 the Department of Corrections, except treason or impeachment convictions or as otherwise
529 limited by law, may be released upon parole, ordered to pay restitution, or have their fines,
530 forfeitures, or restitution remitted, or their sentences terminated.

531 (c) The board may sit together or in panels to conduct hearings. The chair shall appoint
532 members to the panels in any combination and in accordance with rules made in accordance
533 with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, by the board. The chair may
534 participate on any panel and when doing so is chair of the panel. The chair of the board may
535 designate the chair for any other panel.

536 (d) No restitution may be ordered, no fine, forfeiture, or restitution remitted, no parole,
537 pardon, or commutation granted or sentence terminated, except after a full hearing before the
538 board or the board's appointed examiner in open session. Any action taken under this
539 subsection other than by a majority of the board shall be affirmed by a majority of the board.

540 (e) A commutation or pardon may be granted only after a full hearing before the board.

541 (f) The board may determine restitution as provided in Section 77-27-6 and Subsection
542 77-38a-302(5)(d)(iii)(A).

543 (2) (a) In the case of any hearings, timely prior notice of the time and location of the
544 hearing shall be given to the offender.

545 (b) The county or district attorney's office responsible for prosecution of the case, the
546 sentencing court, and law enforcement officials responsible for the defendant's arrest and
547 conviction shall be notified of any board hearings through the board's website.

548 (c) Whenever possible, the victim or the victim's representative, if designated, shall be
549 notified of original hearings and any hearing after that if notification is requested and current
550 contact information has been provided to the board.

551 (d) Notice to the victim or the victim's representative shall include information
552 provided in Section 77-27-9.5, and any related rules made by the board under that section. This

553 information shall be provided in terms that are reasonable for the lay person to understand.

554 (3) Decisions of the board in cases involving paroles, pardons, commutations or
555 terminations of sentence, restitution, or remission of fines or forfeitures are final and are not
556 subject to judicial review. Nothing in this section prevents the obtaining or enforcement of a
557 civil judgment, including restitution as provided in Section 77-27-6.

558 (4) This chapter may not be construed as a denial of or limitation of the governor's
559 power to grant respite or reprieves in all cases of convictions for offenses against the state,
560 except treason or conviction on impeachment. However, respites or reprieves may not extend
561 beyond the next session of the Board of Pardons and Parole and the board, at that session, shall
562 continue or terminate the respite or reprieve, or it may commute the punishment, or pardon the
563 offense as provided. In the case of conviction for treason, the governor may suspend execution
564 of the sentence until the case is reported to the Legislature at its next session. The Legislature
565 shall then either pardon or commute the sentence, or direct its execution.

566 (5) In determining when, where, and under what conditions an offender serving a
567 sentence may be paroled, pardoned, have restitution ordered, or have the offender's fines or
568 forfeitures remitted, or the offender's sentence commuted or terminated, the board shall:

569 (a) consider whether the offender has made or is prepared to make restitution as
570 ascertained in accordance with the standards and procedures of Section 77-38a-302, as a
571 condition of any parole, pardon, remission of fines or forfeitures, or commutation or
572 termination of sentence; ~~and~~

573 (b) develop and use a list of criteria for making determinations under this Subsection
574 (5)[-];

575 (c) consider information provided by the Department of Corrections regarding an
576 offender's individual case action plan; and

577 (d) review an offender's status within 60 days after the day on which the board receives
578 notice from the Department of Corrections that the offender has completed all of the offender's
579 case action plan components that relate to activities that can be accomplished while the
580 offender is imprisoned.

581 (6) In determining whether parole may be terminated, the board shall consider:

582 (a) the offense committed by the parolee; and

583 (b) the parole period as provided in Section 76-3-202, and in accordance with Section

584 [77-27-13](#).

585 (7) For offenders placed on parole after December 31, 2018, the board shall terminate
586 parole in accordance with the supervision length guidelines established by the Utah Sentencing
587 Commission under Section [63M-7-404](#), to the extent the guidelines are consistent with the
588 requirements of the law.
