9 in Article 2 of this charter.

10          (b) Amendment before submission to the voters. After the public hearing,  
11 the Council may approve the budget for submission to the voters with or  
12 without amendment. In amending the budget, it may add or increase programs  
13 or amounts and may delete or decrease any programs or amounts, except  
14 expenditures required by law or for debt service or for estimated cash deficit,

4 approve the revised budget, the amounts appropriated for current operation for  
5 the current fiscal year shall be deemed adopted for the ensuing fiscal year on a  
6 month-to-month basis, with all items in it prorated accordingly, until such time  
7 as the Council warns and the voters approve a budget for the ensuing fiscal  
8 year. Voter approval of the budget shall constitute appropriations of the  
9 amounts specified therein as expenditures from the funds indicated and shall  
10 constitute a levy of the property tax therein proposed.

11 § 707. PUBLIC RECORDS

12 Copies of the budget approved by the voters and the capital program shall  
13 be public record and shall be made available to the public.

14 § 708. AMENDMENTS AFTER ADOPTION

15 (a) Supplemental appropriations. If during the fiscal year the Manager  
16 certifies that there are available for appropriation revenues in excess of those  
17 estimated in the budget, the Council by resolution may make supplemental  
18 appropriations for the year up to the amount of such excess.

19 (b) Reduction of appropriations. If at any time during the fiscal year it  
20 appears probable to the Manager that the revenues available will be insufficient  
21 to meet the amount appropriated, the Manager shall report to the Council

1 without delay, indicating the estimated amount of the deficit, and any other  
2 steps to be taken. The Council shall then take such further action as it deems  
3 necessary to prevent or minimize any deficit, and for that purpose it may by  
4 resolution reduce one or more appropriations.

5 (c) Transfer of appropriations. At any time during the fiscal year, the  
6 Manager may transfer part or all of any unencumbered appropriation balance  
7 among programs within a department, office, or agency and, upon written  
8 request by the Manager, the Council may by resolution transfer part or all of  
9 any unencumbered appropriation balance from one department, office, or  
10 agency to another.

11 (d) Limitations; effective date. No appropriation for debt service may be  
12 reduced or transferred, and no appropriation may be reduced below any  
13 amount required by law to be appropriated or by more than the amount of the  
14 unencumbered balance thereof except as described in this section. The  
15 supplemental appropriations and reductions or transfer of appropriation  
16 authorized by this section may be made effective immediately upon adoption.

17 § 709. LAPSE OF APPROPRIATIONS

18 Every appropriation, except an appropriation for a capital expenditure, shall  
19 lapse at the close of the fiscal year to the extent that it has not been expended  
20 or encumbered. An appropriation for a capital expenditure shall continue in  
21 force until the purpose for which it was made has been accomplished or

1 abandoned. The purpose of any such appropriation shall be deemed  
2 abandoned if three years pass without any disbursement from or encumbrance  
3 of the appropriation.

4 § 710. ADMINISTRATION OF BUDGET

5 (a) Work programs and allotments. At such time as the Manager shall  
6 specify, each department, office, or agency shall submit work programs for the  
7 ensuing fiscal year showing the requested allotments of its appropriation by  
8 periods within the year. The Manager shall review and authorize such  
9 allotments with or without revision as early as possible in the fiscal year. The  
10 Manager may revise such allotments during the year if deemed desirable and  
11 shall revise them to accord with any supplemental, reduced, or transferred  
12 appropriations made pursuant to section 708 of this charter.

13 (b) Payments and obligations prohibited. No payment shall be made or  
14 obligation incurred against any allotment or appropriation except in accordance  
15 with appropriations duly made and unless the Manager or designee first  
16 certifies that there is a sufficient unencumbered balance in such allotment or  
17 appropriation and that sufficient funds therefor are or will be available to cover  
18 the claim or meet the obligation when it becomes due and payable. Any  
19 authorization of payment or incurring of obligation in violation of the  
20 provisions of this charter shall be voided and any payment so made illegal;  
21 such action shall be cause for removal of any officer who knowingly

1 authorized or made such payment or incurred such obligation, and the officer  
2 shall also be liable to the City for any amount so paid. However, except where  
3 prohibited by law, nothing in this charter shall be construed to prevent the  
4 making or authorizing of payments or making of contracts for capital  
5 improvements to be financed wholly or partly by the issuance of bonds or to  
6 prevent the making of any contract or lease providing for payments beyond the  
7 end of the fiscal year, provided that such action is made or approved by  
8 resolution.

9 § 711. BONDS AND INDEBTEDNESS

10 Whenever the City shall vote in the manner prescribed by general law to  
11 incur debt for the purpose of making improvements, the vote to incur such  
12 indebtedness shall authorize the Manager to include in each annual budget a  
13 sum sufficient to pay the interest on such indebtedness and that part of  
14 principal thereof next coming due.

15 § 712. WARRANTS FOR PAYMENT

16 Money shall not be paid out of the City Treasury except on a warrant signed  
17 by at least three members of the Council and approved by the City Council,  
18 and such approval shall be authenticated by the City Clerk. A full record of all  
19 expenditures, by departments, shall be kept, and a clear statement of all  
20 receipts and disbursements of city monies and of the affairs of the City  
21 generally, shall be published annually in the city report under the direction of

1 the City Council. The City Treasurer shall establish and maintain charts of  
2 account detailing all receipts, revenues, expenditures, and disbursements, and  
3 shall report all such activity to the Manager and the Council no less frequently  
4 than quarterly.

5 § 713. TAX LEVY; AUTHORITY FOR

6 The City Council shall have the power annually to levy and assess upon the  
7 grand list such tax, as set forth in the budget approved by the voters at the  
8 annual or a special meeting called for the purpose, and such other tax as may  
9 be necessary for the payment of all state, county, and state highway taxes.

10 Such tax bills, with a warrant signed by at least three members of the Council,  
11 shall be delivered to the Treasurer, to whom all taxes shall be paid in money.

12 § 714. CREDIT OF THE CITY FOR CURRENT EXPENSES

13 The money raised by taxation, from fines and other lawful sources,  
14 including tax increments in excess of sums necessary to pay and secure the  
15 City's tax increment obligations and the costs of managing the city's tax  
16 increment financing district shall constitute the entire sum from which

3                    (a) Initiative. The qualified voters of the City shall have power to propose  
4                    ordinances to the Council and, if the Council fails to adopt an ordinance so  
5                    proposed without any change in substance, to adopt or reject it at a City  
6                    election, provided that such power shall not extend to the budget or capital

9                    (b) Referendum. The qualified voters of the City shall have power to  
10                   require reconsideration by the Council of any adopted ordinance and, if the  
11                   Council fails to repeal an ordinance so reconsidered, to approve or reject it at a  
12                   city election, provided that such power shall not extend to the budget or capital  
13                   improvements program or any emergency ordinance or ordinance relating to  
14                   appropriation of money or levy of taxes.

15                   § 802. COMMENCEMENT OF PROCEEDINGS; PETITIONERS'

16                                    COMMITTEE; AFFIDAVIT

17                   (a) Any five qualified voters may commence initiative or referendum  
18                   proceedings by filing with the City Clerk an affidavit stating that they will  
19                   constitute the Petitioners' Committee and be responsible for circulating the  
20                   petition and filing it in proper form, stating their names and addresses and  
21                   specifying the address to which all notices to the Committee are to be sent, and

1 setting out in full the proposed initiative ordinance or citing the ordinance  
2 sought to be reconsidered.

3 (b) Promptly after the affidavit of the Petitioners' Committee is filed, the  
4 Clerk shall issue the appropriate petition forms to the Petitioners' Committee.

5 § 803. PETITIONS

6 (a) Number of signatures. Initiative and referendum petitions must be  
7 signed by at least 100 legal voters of the City.

8 (b) Form and content. All papers of a petition shall be uniform in size and  
9 style and shall be assembled as one instrument for filing. Each signature shall  
10 be executed in ink or indelible pencil and shall be followed by the address of  
11 the person signing. Petitions shall contain or have attached thereto throughout  
12 their circulation the full text of the ordinance proposed or sought to be  
13 reconsidered.

14 (c) Affidavit of circulator. Each paper of a petition shall have attached to it

18 genuine signatures of the persons whose names they purport to be, and that  
19 each signer had an opportunity before signing to read the full text of the  
20 ordinance proposed or sought to be reconsidered.

1        (d) Time for filing referendum petitions. Referendum petitions must be  
2        filed within 30 days after adoption by the Council of the ordinance sought to  
3        be reconsidered.

4        § 804. PROCEDURE AFTER FILING

5        (a) Certificate of Clerk; amendment. Within 20 days after the petition is  
6        filed, the City Clerk shall complete a certificate as to its sufficiency,  
7        specifying, if it is insufficient, the particulars wherein it is defective and shall  
8        promptly send a copy of the certificate to the Petitioners' Committee by  
9        registered mail. A petition certified insufficient for lack of the required  
10       number of valid signatures may be amended once if the Petitioners' Committee  
11       files a notice of intention to amend it with the Clerk within two days after  
12       receiving the copy of such certificate. Such supplementary petition shall  
13       comply with the requirements of subsections 803(b) and (c) of this charter, and  
14       within five days after it is filed, the Clerk shall complete a certificate as to the  
15       sufficiency of the petition as amended and promptly send a copy of such  
16       certificate to the Petitioners' Committee by registered mail as in the case of an

18       petition or amended petition is certified insufficient and the Petitioners'  
19       Committee does not elect to amend or request council review under subsection  
20       (b) of this section with the time required, the Clerk shall promptly present the

1 certificates to the Council and the certificates shall then be a final  
2 determination as to the sufficiency of the petition.

3 (b) Council review. If a petition has been certified insufficient and the  
4 Petitioners' Committee does not file notice of intention to amend it or if an  
5 amended petition has been certified insufficient, the Committee may, within  
6 two days after receiving the copy of such certificate, file a request that it be  
7 reviewed by the Council. The Council shall review the certificate within five  
8 days following the filing of such request and approve or disapprove it, and the  
9 Council's determination shall then be a final determination as to the  
10 sufficiency of the petition.

11 (c) Court review; new petition. A final determination as to the sufficiency  
12 of a petition shall be subject to court review. A final determination of  
13 insufficiency, even if sustained upon court review, shall not prejudice the filing  
14 of a new petition for the same purpose.

15 § 805. REFERENDUM PETITIONS; SUSPENSION OF EFFECT OF  
16 ORDINANCE

17 When a referendum petition is filed with the City Clerk, the ordinance

21 (2) the Petitioners' Committee withdraws the petition;

1           (3) the Council repeals the ordinance; or

2           (4) 30 days have elapsed after a vote of the City on the ordinance.

4           (a) Action by Council. When an initiative or referendum petition has been  
5           finally determined sufficient, the Council shall promptly consider the proposed  
6           initiative ordinance in the manner provided in Article 4 of this charter or  
7           reconsider the referred ordinance by voting its repeal. If the Council fails to  
8           adopt a proposed initiative ordinance without any change in substance within  
9           60 days or fails to repeal the referred ordinance within 30 days after the date  
10           the petition was finally determined sufficient, it shall submit the proposed or  
11           referred ordinance to the voters of the City.

12           (b) Submission to voters. The vote of the City on a proposed or referred  
13           ordinance shall be held not less than 30 days and not later than one year from  
14           the date of the final council vote thereon. If no regular city election is to be  
15           held within the period prescribed in this subsection, the Council shall provide  
16           for a special election; otherwise, the vote shall be held at the same time as such  
17           regular election, except that the Council may in its discretion provide for a  
18           special election at an earlier date within the prescribed period. Copies of the  
19           proposed or referred ordinance shall be made available at the polls.

20           (c) Withdrawal of petitions. An initiative or referendum petition may be  
21           withdrawn at any time prior to the 15th day preceding the day scheduled for a

1 vote of the City by filing with the City Clerk a request for withdrawal signed  
2 by at least four members of the Petitioners' Committee. Upon the filing of  
3 such request, the petition shall have no further force or effect and all  
4 proceedings thereon shall be terminated.

5 § 807. RESULTS OF ELECTION

6 (a) Initiative. If a majority of the qualified electors voting on a proposed  
7 initiative ordinance vote in its favor, it shall be considered adopted upon  
8 certification of the election results and shall be treated in all respects in the  
9 same manner as ordinances of the same kind adopted by the Council. If  
10 conflicting ordinances are approved at the same election, the one receiving the  
11 greatest number of affirmative votes shall prevail to the extent of such conflict.

12 (b) Referendum. If a majority of the qualified electors voting on a referred  
13 ordinance vote against it, it shall be considered repealed upon certification of  
14 the election results.
